New Kings of the World Fatima Bhutto.2019 A lively, inside look at how Bollywood, Turkish soap operas, and K-Pop are challenging America's cultural dominance around the world.

Histories of Violence Brad Evans, Terrell Carver.2017-01-15 While there is a tacit appreciation that freedom from violence will lead to more prosperous relations among peoples, violence continues to be deployed for various political and social ends. Yet the problem of violence still defies neat description, subject to many competing interpretations. *Histories of Violence* offers an accessible yet compelling examination of the problem of violence as it appears in the corpus of canonical figures - from Hannah Arendt to Frantz Fanon, Michel Foucault to Slavoj Žižek - who continue to influence and inform contemporary political, philosophical, sociological, cultural, and anthropological study. Written by a team of internationally renowned experts, this is an essential interrogation of post-war critical thought as it relates to violence.

The Runaways Fatima Bhutto.2020-08-18 Dazzling. A novel that holds up to scrutiny a world of claustrophobic war zones, virulent social media and cities collapsing upon themselves, and then sets it down again, transformed by the grace of storytelling. - Siddhartha Deb, author of *The Point of Return* Anita lives in Karachi's biggest slum. Her mother is a maalish wali, paid to massage the tired bones of rich women. But Anita's life will change forever when she meets her elderly neighbour, a man whose shelves of books promise an escape to a different world. On the other side of Karachi lives Monty, whose father owns half the city and expects great things of him. But when a beautiful and rebellious girl joins his school, Monty will find his life going in a very different direction. Sunny's father left India and went to England to give his son the opportunities he never had. Yet Sunny doesn't fit in anywhere. It's only when his charismatic cousin comes back into his life that he realises his life could hold more possibilities than he ever imagined. These three lives will cross in the desert, a place where life and death walk hand in hand, and where their closely guarded secrets will force them to make a terrible choice.

Bhutto, a Political Biography Salmaan Taseer.1980

Benazir Bhutto Brooke Allen.2022-01-25 The story of Benazir Bhutto, the first woman to lead a Muslim nation, seems lifted straight from Greek tragedy. Born to privilege as the daughter of one of Pakistan's great feudal families, she was groomed for a diplomatic career and was thrust into the political arena when her father, Pakistan's charismatic and controversial prime minister, was executed. She then led Pakistan, one of the most turbulent and impoverished nations in the world, through two terms as prime minister in the 1980s and 1990s, but she struggled to ward off charges of corruption and retain her tenuous hold on power and was eventually forced into exile. Bhutto returned to Pakistan in 2007, only to be assassinated in Rawalpindi after a triumphant speech. Including interviews with key figures who knew Bhutto and have never before spoken on the record, *Benazir Bhutto: Favored Daughter* illuminates Bhutto's tragic life as well as the role she played as the first female prime minister of Pakistan. Celebrated literary critic Brooke Allen approaches Bhutto in a way not many have done before in this taut biography of a figure who had a profound effect on the volatile politics of the Middle East, drawing on contemporary news sources and eyewitness reports, as well as accounts from her supporters and her enemies.

Benazir Bhutto Libby Hughes.2000-05 This biography of Pakistan's only woman prime minister to be elected twice describes her childhood in Karachi and her university years at Harvard and Oxford. The jails and homes of her arrest during ten years are covered in vivid detail as well as her arranged marriage and political leadership.

Interview Claudia Dreifus.1997-06-10 As one of the preeminent interviewers of our time, Claudia Dreifus crisscrosses the globe to interview an eclectic selection of the world's most powerful and interesting women and men, the people whose opinions will shape our future. Dreifus's interviews, by the subjects she chooses and the questions she asks, depict her own forceful vision of our times, as well as that of those she interviews. *Interview* is a cornucopia of interviews with leading writers, generals and politicians, television newscasters and actors, spiritual leaders and famous spouses. The book is divided into six sections. Saints: The Dalai Lama (2 interviews), Aung San Suu Kyi, Andrew Young; Visionaries: Esther Dyson, The Tofflers, Art Caplan; Media Freaks: Cokie Roberts/Nina Totenberg/Linda Wertheimer, Dan Rather, Richard Dreyfuss, Samuel Jackson; Warriors: Colin Powell, Gen. John Shalikashvili, Benazir Bhutto, Joycelyn Elders, Serge and Beate Klarsfeld; Poets: Isaac Bashevis Singer, Toni Morrison, Arthur Miller; Citizens: Nadine Strassen, Barney Frank, Myrlie Evers.

Songs of Blood and Sword Fatima Bhutto.2010-09-28 From one of the world's most famous political dynasties, a sensational new literary voice tells the heartbreaking and revelatory tale of the family that shaped Pakistan.

The Bhutto Dynasty Owen Bennett-Jones.2020-09-29 A major new investigation into the Bhutto family, examining their influence in Pakistan from the colonial era to the present day The Bhutto family has long been one of the most ambitious and powerful in Pakistan. But politics has cost the Bhuttos dear. Zulfikar Ali Bhutto, widely regarded as the most talented politician in the country's history, was removed from power in 1977 and executed two years later, at the age of 51. Of his four children, three met unnatural deaths: Shahnawaz was poisoned in 1985 at the age of 27; Murtaza was shot by the police outside his home in 1996, aged 42; and Benazir Bhutto, who led the Pakistan Peoples Party and became Prime Minister twice, was killed by a suicide bomber in Rawalpindi in 2007, aged 54. Drawing on original research and unpublished documents gathered over twenty years, Owen Bennett-Jones explores the turbulent existence of this extraordinary family, including their volatile relationship with British colonialists, the Pakistani armed forces, and the United States.

The Fragrance of Tears Victoria Schofield.2020-10-15 A memoir of Victoria Schofield's thirty-year friendship with her Oxford contemporary, Benazir Bhutto. 'Fascinating and moving' Lord Owen 'Abounds with behind-the-scenes gems' *Spectator* 'Sheds light on the human side of a courageous politician' *Financial Times* 'Brings unique insights into the life and times of Benazir Bhutto' Lyse Doucet In the summer of 1978, Victoria Schofield travelled to Pakistan to join her friend Benazir Bhutto, whose father, the former prime minister, was facing a charge of conspiracy to murder. In the fevered context of Bhutto's appeal against the death sentence, their university friendship grew into a lifelong bond, ending only with Benazir's assassination in 2007. Schofield's memoir sheds light on the recent history of this turbulent region, and affectionately charts Benazir's transformation from Oxford undergraduate to one of the most charismatic and controversial figures in South Asian politics - a woman whose life and career were defined by tragedy.

The Unquiet Ones Osman Samiuddin.2014-12-01 The definitive history of a cricket team the world loves to watch, but is at a loss to explain The story of Pakistan cricket is dramatic, tortured, heroic and tumultuous. Beginning with nothing after the Partition of 1947 to the jubilation of its victory against England at the Oval in 1954; from earning its Test status and competing with the best to sealing a golden age by winning the World Cup in 1992; from their magic in Sharjah to an era-defining low in the new millennium, Pakistan's cricketing fortunes have never ceased to thrill. This book is the story of those fortunes and how, in the process, the game transformed from an urban, exclusive sport into a glue uniting millions in a vast, disparate country. In its narration, Osman Samiuddin captures the jazba of the men who played for Pakistan, celebrates their headiest moments and many upheavals, and brings to life some of their most famous - and infamous - contests, tours and moments. Ambitious, spirited and often heart breaking, *The Unquiet Ones* is a comprehensive portrait of not just a Pakistani sport, but a national majboori, a compulsion whose outcome can often surprise and shock, and become the barometer of everyday life in Pakistan, tailing its ups and downs, its moods and character.

Reconciliation Benazir Bhutto.2009-10-13 Benazir Bhutto returned to Pakistan in October 2007, after eight years of exile, hopeful that she could be a catalyst for change. Upon a tumultuous reception, she survived a suicide-bomb attack that killed nearly two hundred of her countrymen. But she continued to forge ahead, with more courage and conviction than ever, since she knew that time was running out—for the future of her nation, and

for her life. In *Reconciliation*, Bhutto recounts in gripping detail her final months in Pakistan and offers a bold new agenda for how to stem the tide of Islamic radicalism and to rediscover the values of tolerance and justice that lie at the heart of her religion. With extremist Islam on the rise throughout the world, the peaceful, pluralistic message of Islam has been exploited and manipulated by fanatics. Bhutto persuasively argues that America and Britain are fueling this turn toward radicalization by supporting groups that serve only short-term interests. She believed that by enabling dictators, the West was actually contributing to the frustration and extremism that lead to terrorism. With her experience governing Pakistan and living and studying in the West, Benazir Bhutto was versed in the complexities of the conflict from both sides. She was a renaissance woman who offered a way out. In this riveting and deeply insightful book, Bhutto explores the complicated history between the Middle East and the West. She traces the roots of international terrorism across the world, including American support for Pakistani general Zia-ul-Haq, who destroyed political parties, eliminated an independent judiciary, marginalized NGOs, suspended the protection of human rights, and aligned Pakistani intelligence agencies with the most radical elements of the Afghan mujahideen. She speaks out not just to the West, but to the Muslims across the globe who are at a crossroads between the past and the future, between education and ignorance, between peace and terrorism, and between dictatorship and democracy. Democracy and Islam are not incompatible, and the clash between Islam and the West is not inevitable. Bhutto presents an image of modern Islam that defies the negative caricatures often seen in the West. After reading this book, it will become even clearer what the world has lost by her assassination.

Ayub, Bhutto, and Zia Syed Shabbir Hussain.2000

Zulfi Bhutto of Pakistan Stanley A. Wolpert.1993 Bhutto, Wolpert writes, was a charismatic and contradictory man, a microcosmic reflection of Pakistan itself - a nation bond out of division with India which later fell victim to its own internal split with the creation of Bangladesh. Wolpert follows him from his privileged youth in British-ruled India, to his years as a student at the University of Southern California and University of California, Berkeley (where he sported a thin moustache, shiny two-tone shoes, and proved a keen, if rakish, fraternity brother), to Oxford and back to Pakistan. Bhutto climbed to the heights of power with amazing swiftness, winning a seat in the central Cabinet of Pakistan at the unprecedented age of thirty. Wolpert weaves Pakistan's turbulent politics and repeated wars with India together with Bhutto's ambitious maneuvering, tracing his rise to Foreign Minister, the founding of his own political movement, and finally leadership of the nation.

Benazir Bhutto Mary Englar.2006 Examines the life of Pakistan's first woman prime minister.

Women Political Leaders J. Jensen.2008-11-24 This book examines the many routes forty or so women have taken to become president or prime minister of their countries and the problems they have encountered once in office. Their ability to deal with the difficulties of governmental and party leadership in a male-dominated culture are discussed along with an evaluation of their performance in managing domestic problems and handling the issues of war and peace. The essential question asked throughout is what difference being female made in their governing style.

Frontline Pakistan Zahid Hussain.2008 Veteran Pakistani journalist and commentator Zahid Hussain explores Pakistan's complex political power web and the consequences of Musharraf's decision to support America's drive against jihadism, which essentially took Pakistan to war with itself. Conducting exclusive interviews with key players and grassroots radicals, Hussain pinpoints the origin of the jihadi movement in Pakistan and Afghanistan, the long-standing and often denied links between militants and Pakistani authorities, the weaknesses of successive elected governments, and the challenges to Musharraf's authority posed by politico-religious, sectarian, and civil society elements within the country. The jihadi madrassas of Pakistan are incubators of the most feared terrorists in the world. Although the country's war on terror has so far been a stage show, a very real battle is looming, the outcome of which will have grave implications for the future security of the world.

Pakistan in Crisis Ashok Kapur.2006-04-14 With these questions in mind Professor Kapur charts the continuous power struggles of Pakistan's ruling elites. Using a historical and comparative approach he shows how the search for democracy and national identity has been hindered by army intervention, political intrigue and the failure of Islam to unite the various ethnic factions. While pessimistic about the chances for democracy in Pakistan, he hopes that the democratic pluralism and broad-based political activity emerging in much of Eastern Europe and the Third World will inspire ordinary Pakistanis to transform their country into a nation, in spirit as well as in name.

Daughter of Destiny Benazir Bhutto.1989 Benazir recounts how through her tenacity to her father's memory she emerged from political persecution and exile to become the leader of the Pakistan People's Party.

If I Am Assassinated Zulfikar Ali Bhutto.1979 Comprises the text of the documents presented to the Supreme Court of Pakistan in Bhutto's appeal against the death sentence.

Notes on a Foreign Country Suzy Hansen.2017-08-15 Winner of the Overseas Press Club of America's Cornelius Ryan Award • Finalist for the Pulitzer Prize in Nonfiction A New York Times Book Review Notable Book • Named a Best Book of the Year by New York Magazine and The Progressive A deeply honest and brave portrait of of an individual sensibility reckoning with her country's violent role in the world. —Hisham Matar, The New York Times Book Review In the wake of the September 11 attacks and the U.S.-led invasion of Iraq, Suzy Hansen, who grew up in an insular conservative town in New Jersey, was enjoying early success as a journalist for a high-profile New York newspaper. Increasingly, though, the disconnect between the chaos of world events and the response at home took on pressing urgency for her. Seeking to understand the Muslim world that had been reduced to scaremongering headlines, she moved to Istanbul. Hansen arrived in Istanbul with romantic ideas about a mythical city perched between East and West, and with a naïve sense of the Islamic world beyond. Over the course of her many years of living in Turkey and traveling in Greece, Egypt, Afghanistan, and Iran, she learned a great deal about these countries and their cultures and histories and politics. But the greatest, most unsettling surprise would be what she learned about her own country—and herself, an American abroad in the era of American decline. It would take leaving her home to discover what she came to think of as the two Americas: the country and its people, and the experience of American power around the world. She came to understand that anti-Americanism is not a violent pathology. It is, Hansen writes, “a broken heart . . . A one-hundred-year-old relationship.” Blending memoir, journalism, and history, and deeply attuned to the voices of those she met on her travels, *Notes on a Foreign Country* is a moving reflection on America's place in the world. It is a powerful journey of self-discovery and revelation—a profound reckoning with what it means to be American in a moment of grave national and global turmoil.

The Making of Martyrs in India, Pakistan & Bangladesh Faisal Khosa.2021-05-18 Making of Martyrs unravels an epic saga of populist politics in the postcolonial Indian subcontinent. Indira Gandhi, Zulfikar Ali Bhutto and Sheikh Mujibur Rahman were towering figures and have been simultaneously loved and hated in equal measure. During their heyday, each of these leaders garnered extraordinary power and charisma. Their followers, admirers and loyal supporters continue to idolise and romanticise them, yet in the eyes of their critics they were ruthless, power-hungry tyrants and partisan villains. These dichotomies remain irreconcilable since their followers venerate them as a model for the future and their critics relegate them to a haunted past. Drawing on years of research, Faisal Khosa explores the turbulent lives and times of these three leaders and gives us a vivid account of their politics and personalities.

Prime Minister of Pakistan Zulfikar Ali Bhutto Interview to Moti Ram, a Senior Indian Journalist, on 23rd September, 1976, at Rawalpindi Zulfikar Ali Bhutto.1976

The Warrior State T.V. Paul.2014-01-02 Seemingly from its birth, Pakistan has teetered on the brink of becoming a failed state. Today, it ranks 133rd out of 148 countries in global competitiveness. Its economy is as dysfunctional as its political system is corrupt; both rely heavily on international aid for their existence. Taliban forces occupy 30 percent of the country. It possesses over a hundred nuclear weapons that could easily fall into terrorists' hands. Why, in an era when countries across the developing world are experiencing impressive economic growth and building democratic institutions, has Pakistan been such a conspicuous failure? In *The Warrior State*, noted international relations and South Asia scholar T.V. Paul untangles this fascinating riddle. Paul argues that the geostrategic curse--akin to the resource curse that plagues oil-rich autocracies--is at the root of Pakistan's unique inability to progress. Since its founding in 1947, Pakistan has been at the center of major geopolitical struggles: the US-Soviet rivalry, the conflict with India, and most recently the post 9/11 wars. No matter how ineffective the regime is, massive foreign aid keeps pouring in from major powers and their allies with a stake in the region. The reliability of such aid defuses any pressure on political elites to launch the far-reaching domestic reforms necessary to promote sustained growth, higher standards of living, and more stable democratic institutions. Paul shows that excessive war-making efforts have drained Pakistan's limited economic resources without making the country safer or more stable. Indeed, despite the regime's emphasis on security, the country continues to be beset by widespread violence and terrorism. In an age of transnational terrorism and nuclear proliferation, understanding Pakistan's development, particularly the negative effects of foreign aid and geopolitical centrality, is more important than ever. Painstakingly researched and brilliantly argued, *The Warrior State* tackles what may be the world's most dangerous powder keg and uncovers the true causes of Pakistan's enormously consequential failure.

Conditional Citizens Laila Lalami.2021-10-19 A New York Times Editors' Choice • Finalist for the California Book Award • Longlisted for the Andrew Carnegie Medal for Excellence in Nonfiction • Best Book of the Year: Time, NPR, Bookpage, Los Angeles Times In this brilliantly argued and deeply personal work, Pulitzer Prize finalist Laila Lalami recounts her unlikely journey from Moroccan immigrant to U.S.citizen, using her own story as a starting point for an exploration of the rights, liberties, and protections that are traditionally associated with American citizenship. Tapping into history, politics, and literature, she elucidates how accidents of birth—such as national origin, race, and gender—that once determined the boundaries of Americanness still cast their shadows today, poignantly illustrating how white supremacy survives through adaptation and legislation. Weaving together her experiences with an examination of the place of nonwhites in the broader American culture, Lalami illuminates how conditional citizens are all those whom America embraces with one arm and pushes away with the other.

Goodbye Shahzadi Shyam Bhatia.2008 Few journalists are intimate witnesses to a career from political cradle to grave. Shyam Bhatia was on first name terms alongside Benazir every step of the way and his book is a revelation. A relationship that began among the dreaming spires of Oxford continued across the world from Pimlico to Pakistan. Along the way she told Bhatia things that she told no other journalist--history-making details that make this book a must read for anyone who is a serious student of the politics of West Asia and of the front line state that she led as the first woman prime minister of a Muslim country. We see unprecedented detail of one of the most significant deals of this or any other century--how North Korea gained access to the technology which gave it the capability to develop nuclear weaponry. There are insights into Benazir's relationships with the military and politicians in her own country, and what impact she had on their opposite numbers in India. This is Benazir as you have never seen her before--off guard, relaxed, open and honest. The woman who embraced both the sports car and the chador who might have done so much for her country. David Watts, Associate Editor, Asian Affairs *Goodbye Shahzadi* is an exclusive and highly charged account of the life and times of one of the world's most fascinating political leaders, Benazir Bhutto. Drawing on his personal notes and tape-recorded interviews, Shyam Bhatia presents the assassinated leader's innermost thoughts as well as never-before-revealed secrets about Pakistan's nuclear and missile programs.

The Terrorist Prince Raja Anwar.1997-11-17 Murtaza Bhutto, 1954-1996, political leader from Pakistan.

Born to Be Hanged Syeda Saiyidain Hameed.2017-01-12 Pakistan's former Prime Minister Zulfikar Ali Bhutto held the reins of the country from 1971 to 1977. He was overthrown in 1977 by his Chief of Army Staff, General Zia-ul-Haq, and executed in 1979. Zia-ul-Haq ruled over Pakistan for eleven years with an iron fist, curbing all dissent until he got blown up in an air crash in 1988. In almost three decades since, Pakistan's leadership has changed hands fifteen times. An extremely controversial and confrontational politics is associated with the era of Zulfikar Ali Bhutto. It is therefore not surprising that, considering his towering stature, not enough has been researched and written about the tumultuous years of his accession to power culminating in what today is best described as regicide. Syeda Hameed delves deep into the politics of Pakistan, meeting Bhutto's contemporaries, mining information from archives and letters to bring to the fore a rich yet disturbing life and times of Zulfikar Ali Bhutto.

Martyrs' Crossing Amy Wilentz.2016-03-29 An Israeli lieutenant and a Palestinian woman find themselves on opposite sides when rioting breaks out after the lieutenant refuses to let the woman and her sick child through a checkpoint. The child's grandfather, a prominent Palestinian American surgeon, must also make choices as the violence continues.
