The Autobiography of a Clown Isaac Frederick Marcossou.1931

The Autobiography of a Clown, as Told to Isaac F. Marcossou (Classic Reprint) Isaac Frederick Marcossou.2015-07-02 Excerpt from *The Autobiography of a Clown, as Told to Isaac F. Marcossou* This story of Jules Turnour interests me more than I can say. I have known him for more than twenty years; have seen him at very close range in all the shifting movement of a great circus organization, and I have yet to find a man with a cleaner, higher aim. Mr. Marcossou, I think, has admirably brought out the contrast between his whitened and motley face and his patient, serious purpose to make his life helpful. The world has been made better by the presence and work of Jules, and I am glad that at last the real story of his somewhat unusual career is now told. The Autobiography Of A Clown Isaac Frederick Marcossou.2020-09-04 The Autobiography Of A Clown This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to recreate the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical

content. HAPPY READING!

The Autobiography of a Clown Marcossou Isaac Frederick.2016-06-23 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Le temps immobile T08 Claude Mauriac.2014-04-01 Avec Bergère ô tour Eiffel, Claude Mauriac poursuit sa quête de reflets et de concordances ; il élargit encore un peu plus le champ de ses investigations à mesure que les années coulent, comme se propage une onde à la surface de ses eaux. Sa quête s'arrête surtout, cette fois-ci, à la période de l'Occupation et aux plus récents événements traquant les liens secrets qui les unissent, à quarante ans de distance. A l'heure des partages, des renoncements, des maisons qu'on abandonne et des amis qui vous quittent, nombreuses sont les ombres qui surgissent de ce montage mélancolique et minutieux. Elles se nomment ici Cocteau, Jouhandeau, Georges Auric, Chardonne, Jean Prévoist, t'Serstevens, Duhamel, compagnons parmi d'autres de cette merveilleuse promenade sans fin, qui ruse avec le temps et rend aux passés divers la frémissante vérité d'un éternel présent.

Les clowns Tristan Rémy.1945 Dans cette histoire des clowns, l'auteur nous livre un inventaire des grands amuseurs populaires depuis la naissance du cirque moderne - une étude historique où les références précises alternent avec les anecdotes pittoresques. Un livre léger et savant , disait

Claude Roy. Isolément ou par groupes, par familles, les clowns nous sont tour à tour présentés avec une abondance de détails biographiques et techniques. Tristan Rémy met l'accent sur les particularités de chaque clown, depuis le grand créateur jusqu'à l'obscur comparse. Il décrit le travail de ces hommes dont le succès nécessite de longues recherches et demande une grande patience. Il suit les existences vagabondes, les alliances, les amours, l'alcool, il énumère les accessoires et les sketches, les répliques célèbres... Foottit, Chocolat, Antonet, Beby, Grock, les Fratellini, Rhum, Alex, Zavatta se retrouvent sous le grand chapiteau dans des pages débordantes de vie. Il est rare, écrit Bernard de Fallois dans sa préface, qu'un livre allie avec autant de bonheur la connaissance de l'érudit et l'intelligence du critique, la rigueur de l'historien et la sensibilité du poète.

Be a Clown! Mark Stolzenberg.2003 If you love to clown around, it's time to get serious about it...serious fun that is. Being a clown means more than merely putting on silly makeup and jumping around: it's a wonderful form of self-expression that brings joy to yourself and to others. Take a look

at the world's best jesters and expand your understanding of comedy. Here are the (literal) tricks of the trade: ideas for using cartoon-like imagery, choosing a distinctive costume, finding a comic rhythm, and mastering physical skills that will make people roll in the aisles. Project the right raucous attitude, work in duets, and develop an irresistibly humorous clown walk. Even say hello in a way that gets your audience giggling. Actual routines unfold in a series of photos and descriptions, with tips on selling them. From the levitation gag to wire walking, to developing your own act, it's the perfect clown school.
