We provide a range of services to the book industry internationally, aiding the discovery and purchase, distribution and sales measurement of books. Bootastik's free Kindle books have links to where you can download them, like on Amazon, iTunes, Barnes & Noble, etc., as well as a full description of the book. It's worth remembering that absence of a price tag doesn't necessarily mean that the book is in the public domain; unless explicitly stated otherwise, the author will retain rights over it, including the exclusive right to distribute it. Similarly, even if copyright has expired on an original text, certain editions may still be in copyright due to editing, translation, or extra material like annotations. If you're already invested in Amazon's ecosystem, its assortment of freebies are extremely convenient. As soon as you click the Buy button, the ebook will be sent to any Kindle ebook readers you own, or devices with the Kindle app installed. However, converting Kindle ebooks to other formats can be a hassle, even if they're not protected by DRM, so users of other readers are better off looking elsewhere. Besides, things have become really convenient nowadays with the digitization of books like, eBook apps on smartphones, laptops or the specially designed eBook devices (Kindle) that can be carried along while you are travelling. So, the only thing that remains is downloading your favorite eBook that keeps you hooked on to it for hours alone and what better than a free eBook? While there thousands of eBooks available to download online including the ones that you to purchase, there are many websites that offer free eBooks to download. Beside each of these free eBook titles, you can quickly see the rating of the book along with the number of ratings. This makes it really easy to find the most popular free eBooks. GetFreeBooks: Download original ebooks here that authors give away for free. Obooko:

Obooko offers thousands of ebooks for free that the original authors have submitted. You can also borrow and lend Kindle books to your friends and family. Here's a guide on how to share Kindle ebooks. Since it's a search engine, browsing for books is almost impossible. The closest thing you can do is use the Authors dropdown in the navigation bar to browse by authors—and even then, you'll have to get used to the terrible user interface of the site overall. Once you find something you're interested in, click on the book title and you'll be taken to that book's specific page. You can choose to read chapters within your browser (easiest) or print pages out for later.
