How to Open the Free eBooks. If you're downloading a free ebook

directly from Amazon for the Kindle, or Barnes & Noble for the Nook, these books will automatically be put on your e-reader or e-reader app wirelessly. Just log in to the same account used to purchase the book. Providing publishers with the highest quality, most reliable and cost effective editorial and composition services for 50 years. We're the first choice for publishers' online services. Once you've found a book you're interested in, click Read Online and the book will open within your web browser. You also have the option to Launch Reading Mode if you're not fond of the website interface. Reading Mode looks like an open book, however, all the free books on the Read Print site are divided by chapter so you'll have to go back and open it every time you start a new chapter. If you already know what you are looking for, search the database by author name, title, language, or subjects. You can also check out the top 100 list to see what other people have been downloading. It would be nice if we're able to download free e-book and take it with us. That's why we've again crawled deep into the Internet to compile this list of 20 places to download free e-books for your use. If your library doesn't have a subscription to OverDrive or you're looking for some more free Kindle books, then Book Lending is a similar service where you can borrow and lend books for your Kindle without going through a library. Besides being able to read most types of ebook files, you can also use this app to get free Kindle books from the Amazon store. There are over 58,000 free Kindle books that you can download at Project Gutenberg. Use the search box to find a specific book or browse through the detailed categories to find your next great read. You can also view the free Kindle books here by top downloads or recently added. Project Gutenberg is a wonderful source of free ebooks - particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail.
