Household Consecration Nathaniel Emmons Johnson.2015-06-12 Excerpt from Household Consecration The time has arrived when the subject of Household Consecration is to be more thoroughly studied, understood, and practised, than at any former period. An institution founded upon imperishable reasons, and animated by principles which control the destinies of our race, must, in the progress of mankind towards the ages of universal Christianity, be more fully displayed and divinely honored. The rise of Sabbath schools, Bible classes, and infant schools; the publication of books on the domestic relations; the formation of maternal associations; the history of revivals, as written in the biography of departed worthies, and in our own delightful experience; have conspired to arouse the Church of God to a deeper and livelier faith in the covenant of consecration. The author has, for years, watched with intense interest the operations of divine Providence and grace, in reference to this ordinance of the Church, and has become animated with the firm and joyful belief, that its power and virtue have not at all been developed in the fulness of their splendor. The Letters of Robert Grosseteste, Bishop of Lincoln Robert Grosseteste.2010-01-01 `This is a highly readable and accurate translation. The very useful annotations help to orient the modern reader with respect to medieval concepts, reflecting a profound understanding of thirteenth-century institutional history and the social and legal context of medieval Christianity. An extraordinary piece of scholarship.' James Ginther, Department of Theological Studies, St Louis University Robert Grosseteste (c.1170-1253) was an English statesman, philosopher, theologian, and bishop of Lincoln, and also one of the most controversial figures in his country's episcopate. His long life coincided with the central period of institutional, intellectual, and religious consolidation in medieval Europe and his letters provide important insights into the practices and preoccupations of the English clergy and laity in the first half of the thirteenth century. This volume contains the first complete translation of Grosseteste's collected Latin letters and shows that these were most likely chosen and arranged by Grosseteste himself. Shedding light on some of the period's crucial debates on issues of theology, law, pastoral care, and episcopal authority, F.A.C. Mantello and Joseph Goering's richly annotated English translation makes his letters more accessible than ever for scholars and students, and for those interested in medieval history, religion, and culture.

Revelation to Transformation Paul White.2011-06-08 Most of us have become accustomed to the constant preaching and teaching of guilt and condemnation. This slowly but surely pulls our eyes off of the loveliness of the finished work and onto the unfinished areas of our lives. We know that we are flawed; we don't need someone screaming at us to figure that out. Our problem is not the absence of knowledge that we need help. Rather, it is the utter inability to help ourselves. Calvary was God's intervention in all of our issues. By relieving us of the punishment of sin, He is freeing us from the weight of guilt and the fear of death. The author of Hebrews said that when Jesus died, He did so to deliver them who through fear of death were all their lifetime subject to bondage (Hebrews 2:15). Jesus has delivered us from fear of eternal punishment by being punished in our place!

Jewish Fictional Letters from Hellenistic Egypt L. Michael White,G. Anthony Keddie.2018-11-02 The first Greek text of the Epistle of Aristeas published in more than a century The Greek text Epistle of Aristeas is a Jewish work of the late Hellenistic period that recounts the origins of the Septuagint.

Long recognized as a literary fiction, the Epistle of Aristeas has been variously dated from the third century BCE to the first century CE. As a result, its epistolary features, and especially those in which the putative author, Aristeas, addresses his brother and correspondent, Philocrates, have largely been ignored. In light of more recent scholarship on epistolary literature in the Greco-Roman world, however, this volume presents for the first time a complete Greek text and English Translation with introduction, notes, and commentary of the Epistle of Aristeas with key testimonia from Philo, Josephus, and Eusebius, as well as other related examples of Jewish fictional letters from the Apocrypha and Pseudepigrapha. Features Relevant excerpts from Eupolemus, 2 Maccabees, 3 Maccabees, and the Greek Additions to Esther with translations and introductions A critical introduction to ancient Greek letter-writing An outline of epistolary features in the text

In *This Far by Faith*, ten professional historians provide the first complete history of the Diocese of Pennsylvania. It will become essential reading for anyone wishing to understand the history and significance of the Episcopal Church and of its evolution in the Greater Philadelphia area.
