The Gospel of Life Pope John Paul II.1995

Send a Baby Mary Manz Simon.1998-06 Early readers need two kinds of reading. They need to be read to, and they need to do their own reading. The Hear Me Read Bible Stories series helps you to encourage your child with both kinds.

Luke C. D. "Jimmy" Agan III.2015-07-15 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout each book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The Gospel of Luke is the most thorough historical account of the birth, life, death, and resurrection of Jesus Christ. But Luke's book is more than just history; it's also a rich source of life-giving theology, revealing Jesus's identity as Israel's long-awaited Messiah and the Savior of the world. In this study, New Testament scholar Jimmy Agan III walks readers through Luke's Gospel, helping Christians see that Jesus is not simply a great teacher but the great Savior.

Nave's Topical Bible Orville James Nave.1990 Nave's Topical Bible, the best known of all topical bibles, has been a valuable Bible-study reference and a best-seller for more than 75 years. It is a comprehensive digest of over 20,000 topics and subtopics with more than 100,000 associated Scripture references. The

most significant references for each topic actually include the full text of the verse cited--saving the need to separately look up each verse. Because Nave's groups verses by idea (or topic), it offers a better overview of relevant Scriptures than a concordance, which only lists or indexes verses according to specific words. This edition also includes the helpful Scripture index (left out of some other editions), which makes it possible for the reader studying a particular biblical text to locate every topic and grouping of Scripture in Nave's whenever a particular verse is included. That way, it is possible for the reader to study either all the verses related to a particular topic or all the topics related to a particular verse--it works both ways. For the pastor or teacher interested in saving hours of time but not willing to give their second best, and for anyone wanting to be challenged by what God has to say about a given subject, Nave's Topical Bible is the passport that will allow immediate and successful entry to the many points of interest.

world, Pope Francis has a message for you: Christ is alive, and he wants you to be alive! In his fourth apostolic exhortation, *Christus Vivit*, Pope Francis encapsulates the work of the 2018 synod of bishops on Young People, The Faith, and Vocational Discernment. Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment *Christus Vivit* is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us.

Expositions of the Psalms 1-32 (Vol. 1) Saint Augustine (of Hippo).1990 As the psalms are a microcosm of the Old Testament, so the Expositions of the Psalms can be seen as a microcosm of Augustinian thought. In the Book of Psalms are to be found the history of the people of Israel, the theology and spirituality of the Old Covenant, and a treasury of human experience expressed in prayer and poetry. So too does the work of expounding the psalms recapitulate and focus the experiences of Augustine's personal life, his theological reflections and his pastoral concerns as Bishop of Hippo.--Publisher's website.

The 57 Bus Dashka Slater.2017-10-17 The riveting New York Times bestseller and Stonewall Book Award winner that will make you rethink all you know about race, class, gender, crime, and punishment. Artfully, compassionately, and expertly told, Dashka Slater's *The 57 Bus* is a must-read nonfiction book for teens that chronicles the true story of an agender teen who was set on fire by another teen while riding a bus in Oakland, California. Two ends of the same line. Two sides of the same crime. If it weren't for the 57 bus, Sasha and Richard never would have met. Both were high school students from Oakland, California, one of the most diverse cities in the country, but they inhabited different worlds. Sasha, a white teen, lived in the middle-class foothills and attended a small private school. Richard, a Black teen, lived in the economically challenged flatlands and attended a large public one. Each day, their paths overlapped for a mere eight minutes. But one afternoon on the bus ride home from school, a single reckless act left Sasha severely burned, and Richard charged with two hate crimes and facing life imprisonment. The case garnered international attention, thrusting both teenagers into the spotlight. But in *The 57 Bus*, award-winning journalist Dashka Slater shows that what might at first seem like a simple matter of right and wrong, justice and injustice, victim and criminal, is something more complicated—and far more heartbreaking.
