The Trivia Night Ali Lowe.2022-02-22 font+1'Unputdownable . . . spookily familiar, funny, and darkly captivating. I loved it' Sally Hepworth /font Question: How long does it take to tear someone's life apart? Answer: Sometimes just one night. From the outside the parents of the kindergarten class at Darley Heights primary school seem to have it all. Living in the wealthy Sydney suburbs, it's a community where everyone knows each other - and secrets don't stay secret for long. The big date in the calendar is the school's annual fundraising trivia night, but when the evening gets raucously out of hand, talk turns to partner-swapping. Initially scandalised, it's not long before a group of parents make a reckless one-night-only pact. But in the harsh light of day, those involved must face the fallout of their behaviour. As they begin to navigate the shady aftermath of their wild night, the truth threatens to rip their perfect lives apart - and revenge turns fatal. **THE TRIVIA NIGHT** is a gripping, domestic page-turner full of shocking reveals, perfect for fans of Liane Moriarty and Sally Hepworth. [The Real Book of General Knowledge Trivia](#) Todd Peterson.2020-03 Whether you are looking to start a bar trivia company, continue running your trivia nights, or simply want a fun road trip book, these questions are for you. This book provides anyone interested in trivia both casually and professionally access to over 500 questions of fair, useable questions. That's half a year of weekly trivia! Most other books on the market try to fill a niche with the did-you-know or funny-trivia brands. While titles like these might be flashy or the concept unique, what they don't offer is something that you can pick up and immediately transfer to bar trivia, pub trivia, or a trivia company. In reality, buying these types of books doesn't fill any void; it only adds to a list of questions worded poorly or researched poorly, questions that are easily answered and not worth asking, or questions that your average trivia player would never get right. Bar trivia is supposed to be fun; if every team answers every questions correctly or doesn't answer any correctly at all, it is going to be a short-lived business venture.This book is different. Already formatted for nightly events, questions are packaged into sets of twenty, filled with a true offering of general knowledge questions and a diverse set of difficulties and categories. Every question in the book has been played in front of live audiences, received feedback from them, and edited accordingly. My hosted sites are representative of your average trivia player, and therefore the questions are FAIR for everyone. No more obscure, unanswerable, or esoteric questions. This book offers a straightforward mix of tried-and-true trivia: US and World History, Sports, Pop Culture, Movies, TV, Geography, and more.

Then a local toy and game collector named Clive offers him a winning strategy--to purchase a turn-of-the-twentieth-century edition of The Landlord's Game, the realty and taxation game that inspired Monopoly, at a tenth of the rare edition's true value. Suspicious of Clive's shady, low-priced deal, Ben turns the offer down. Then Clive turns up dead at the front door of Ben's and a backpack full of \$100 bills appears on his doorstep. Now Ben is the #1 suspect in Clive's death, and unless he and Ezra can prove his innocence and find the real killer, he'll go to jail for murder--and no amount of double dice rolls will set him free . . .

Moral Disagreement Rach Cosker-Rowland.2020-11-25 Widespread moral disagreement raises ethical, epistemological, political, and metaethical questions. Is the best explanation of our widespread moral disagreements that there are no objective moral facts and that moral relativism is correct? Or should we think that just as there is widespread disagreement about whether we have free will but there is still an objective fact about whether we have it, similarly, moral disagreement has no bearing on whether morality is objective? More practically, is it arrogant to stick to our guns in the face of moral disagreement? Must we suspend belief about the morality of controversial actions such as eating meat and having an abortion? And does moral disagreement affect the laws that we should have? For instance, does disagreement about the justice of heavily redistributive taxation affect whether such taxation is legitimate? In this thorough and clearly written introduction to moral disagreement and its philosophical and practical implications, Rach Cosker-Rowland examines and assesses the following topics and questions: How does moral disagreement affect what we should do and believe in our day-to-day lives? Epistemic peerhood and moral disagreements with our epistemic peers Metaethics and moral disagreement Relativism, moral objectivity, moral realism, and non-cognitivism Moral disagreement and normative ethics Liberalism, democracy, and disagreement Moral compromise Moral uncertainty. Combining clear philosophical analysis with summaries of the latest research and suggestions for further reading, Moral Disagreement is ideal for students of ethics, metaethics, political philosophy, and philosophical topics that are closely related such as relativism and scepticism. It will also be of interest to those in related disciplines such as ethics and public policy and philosophy of law.

She's the helper, the doer, the maker-of spreadsheets. She's the responsible one who always follows the rules—and she plans to keep it that way during her first year of college. Her student housing only has one rule: no unnecessary drama. Which means no fights, tension, or romance between roommates. When one of them turns out to be Jesse, her high-school nemesis, Brooke is determined she can handle it. They'll simply silently endure living together and stay out of each other's way. But it turns out Jesse isn't so easy to ignore. With *Unnecessary Drama*, Nina Kenwood perfectly captures the experience of leaving home for the first time, dealing with the unexpected complications of life, and somehow finding exactly what you need.
