**In Defense of the Gospel** Lou Martuneac.2006-02 This volume is a thorough biblical expose of what has come to be called Lordship Salvation. Throughout the volume, Lou Martuneac rightly emphasizes that one's personal salvation from sin is by God's grace alone, through faith alone, in Christ alone. The Lordship of Christ is not a condition for salvation, but is most assuredly God's desire for His own. - Dr. Robert P. Lightner, Dallas Theological Seminary (Back cover).

**Strength to Love** Martin Luther King, Jr..2019-10-15 The classic collection of Dr. King's sermons that fuse his Christian teachings with his radical ideas of love and nonviolence as a means to combat hate and oppression. As Martin Luther King, Jr., prepared for the Birmingham campaign in early 1963, he drafted the final sermons for Strength to Love, a volume of his most well known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. While behind bars, he spent uninterrupted time preparing the drafts for works such as "Loving Your Enemies" and "Shattered Dreams," and he continued to edit the volume after his release. Strength to Love includes these classic sermons selected by Dr. King. Collectively they present King's fusion of Christian teachings and social consciousness and promote his prescient vision of love as a social and political force for change.

**Keep Me and Keep All** Robert W. Smith.2011-08 You cannot find a Christian without prayer, Martin Luther said, just as you cannot find a living man without a pulse. The pulse never stands still; it is always throbbing and beating by itself... This book is throbbing and beating with the power of Christian prayer. It doesn't stand still! The book will take you through every week of the year, present you with a portion of Scripture, add a spiritual exercise or two, and often inspire you with a reflection from the wide-ranging ministries of Bob and Alice Smith. Then the book will guide you into prayer. I am pleased to recommend this book. It is honest, based in the Bible, focused on the mission of God, and filled with practical strategies and advice. Readers will discover plain talk about doubts and assurances, challenges and promises, flat times when the command of God was all that kept you praying - and times brimming over with a sense of God's presence and provision. I have known Bob and Alice for some years; they are themselves positively throbbing with prayer. Bob's reflections here might get you throbbing a little, too. Charles Lindquist Director World Mission Prayer League Minneapolis, Minnesota USA Robert (Bob) W. Smith is retired and living in Frankenmuth, Michigan. In the summer of 2006 he and his wife, Alice, returned from serving as educational missionaries located in Lippo Karawaci, Indonesia. They have also lived and worked in the United States, Hong Kong, Nigeria and South Korea. The Smiths have led mission trips to Russia, Hong Kong, Guatemala, the Philippines, India (Calcutta), and within Indonesia. In 2002 Bob was a member of a three-person team which surveyed Afghanistan for humanitarian reconstruction projects.

**Friends with Everyone** Meg Bucher.2018-10-22 Why can it be so hard to find good friends? How can we become better friends? What happens when conflict threatens to derail friendship?Friending is so easy on the surface level, but how do we really know who are friends are? God litters our lives with people who come alongside us. Not every friendship looks the same, feels the same, or lasts forever. Do we love the people He has placed in our lives? When we recognize Christ's love in our reflection, it begin flows through us and into our relationships. By tuning into His voice above all others, we are free to embrace the broad scope of people God has brought into our lives. Jesus lofted love above all else in His friendships, and I believe He challenges us to do the same. Friends with Everyone challenges us to see and love people as He does, and to embrace friendship with fresh perspective. When we love each other for who we are, the genuine and authentic friendships we crave enrich our lives with a renewed sense of community.

**The Great Controversy Between Christ and Satan: From the Destruction of Jerusalem to the End of the Controversy** Ellen G.

White.2020-02-20 The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God.-Ellen G White

Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. However, in recent years, some prominent evangelical authors have challenged this statement in their writings. Now eminent apologist and bestselling author Norman L. Geisler, who was one of the original drafters of the Chicago Statement, and his coauthor, William C. Roach, present a defense of the traditional understanding of inerrancy for a new generation of Christians who are being assaulted with challenges to the nature of God, truth, and language. **Strengthening Forensic Science in the United States** National Research Council, Division on Engineering and Physical Sciences, Committee on Applied and Theoretical Statistics, Policy and Global Affairs, Committee on Science, Technology, and Law, Committee on Identifying the Needs of the Forensic Sciences Community.2009-07-29 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

**1 John Inductive Bible Study** Morningstar Studies, Jack Abeelen.2002 Unlike other biblical letters, John does not address his letter to any particular church or person. He writes to all Christians, of all ages, in every generation. He is writing to believers, true Christians, who are following the Truth. It is our greatest desire that the Lord would use this study in the Epistle of 1 John, to give you a hunger for His Word so that your joy will be full, your forgiveness complete, your faith unwavering, and your assurance of eternity secure. Morningstar Christian Chapel Inductive Bible Studies are designed to help believers go through the Bible and discover the rich Truths of God's Word for themselves. Paul told Timothy to be a student of the Word (2 Timothy 2:15) and Peter encouraged us to have an answer for every man who asks for the hope that lies within us (1 Peter 3:15). By breaking up each study into 6 days of work and learning, with challenging questions and applications, the inductive study method will have you gleaning much from the awesome Word of God which never goes out void (Isaiah 55:11). These studies are not designed to replace your weekly involvement in your local church fellowship for Bible study but are rather to supplement your daily devotions and reading times before the Lord. God promises to teach us much if we desire to know Him (Jeremiah 33:3). These studies are used by Morningstar to lead men's and women's Bible studies. They also make an excellent resource for anyone wishing to lead a small group. So may the Lord fill you with the knowledge of Him (Ephesians 1:17; 2 Peter 1:3) as you seek His face diligently and may His Word fill your hearts and minds through Jesus Christ.

**Not Do But Done (eBook)** Alan Platt.2016-03-01 "We Start At Finish" unpacks the message of the victory that God secured for humanity through one incredible moment of triumph at the cross. Jesus Christ paid a price that was more than sufficient to reposition mankind to live life according to God's original design for man. He redeemed our innocence and restored the glory we lost in Adam. The gospel communicates the desire of Jesus Christ's to showcase humanity as a trophy of His grace! However so many good Christian people continue to live in a way that reinforces the conviction that we are responsible for our own salvation. Man - in his fallen state - is never going to get it right on his own. Performance based, two-faced, ungraced Christianity is debilitating. Our assignment has never been about what we can do for God, but what God has done for us. We really start at the finish. If you as a Christ follower are tired of trying to be good, worrying about eternity and earning your way to Christ's love, this book is liberating. Discovering that you are not an after-thought in God's mind as far as the gospel is concerned changes how you view yourself and places you in a new space of flourishing in the course of living.
