The Best New True Crime Stories: Serial Killers Mitzi Szereto.2019-11-19 Travel around the world and inside the minds of monsters in this true crime anthology featuring sixteen astonishing serial killer exposés. Serial killers: Ted Bundy, John Wayne Gacy, and Jeffrey Dahmer are often the first names that spring to mind. Many people assume serial killers are primarily an American phenomenon that came about in the latter part of the twentieth century—but such assumptions are far from the truth. Serial killers have been around for a long time and can be found in every corner of the globe—and they're not just limited to the male gender, either. Some of these predators have been caught and brought to justice whereas others have never been found, let alone identified. Serial killers can be anywhere. And scarier still, they can be anyone. Edited by acclaimed author and anthologist Mitzi Szereto, *The Best New True Crime Stories: Serial Killers* reveals all-new accounts of true-crime serial killers from the contemporary to the historic. The international list of contributors includes award-winning crime writers, true-crime podcasters, journalists, and experts in the dark crimes field such as Martin Edwards, Lee Mellor, Danuta Kot, Craig Pittman, Richard O. Jones, Marcie Rendon, Mike Browne, and Vicki Hendricks. This book will leave you wondering if it's ever really possible to know who's behind the mask you're allowed to see. Perfect for readers of true crime books such as *I'll Be Gone in the Dark*, *Mindhunter*, *The Devil in the White City*, or *Sons of Cain*. "An engrossing and multi-faceted anthology for a new era of true crime writing." —Piper Weiss, author of *You All Grow Up and Leave Me*

Love in the Time of Serial Killers Alicia Thompson.2022-08-16 One of Cosmopolitan's Best Romance Novels Ever Turns out that reading nothing but true crime isn't exactly conducive to modern dating—and one woman is going to have to learn how to give love a chance when she's used to suspecting the worst. PhD candidate Phoebe Walsh has always been obsessed with true crime. She's even analyzing the genre in her dissertation—if she can manage to finish writing it. It's hard to find the time while she spends the summer in Florida, cleaning out her childhood home, dealing with her obnoxiously good-natured younger brother, and grappling with the complicated feelings of mourning a father she hadn't had a relationship with for years. It doesn't help that she's low-key convinced that her new neighbor, Sam Dennings, is a serial killer (he may dress business casual by day, but at night he's clearly up to something). It's not long before Phoebe realizes that Sam might be something much scarier—a genuinely nice guy who can pierce her armor to reach her vulnerable heart.

Serial Killers Adult Coloring Book K. Schroeder.2017-08-14 FOR THOSE WITH TYPO-PHOBIA....THE SPELLING HAS BEEN CORRECTED.:) The healthy and creative way for those with dark minds to unwind and express themselves. 37 notorious serial killers for you to spend intimate time coloring. In the Garden of Spite Camilla Bruce.2021-12-07 "Riveting! Camilla, high-five! Amazing work!"—Karen Kilgariff and Georgia Hardstark, #1 New York Times bestselling authors of Stay Sexy & Don't Get Murdered An audacious novel of feminine rage about one of the most prolific female serial killers in American history--and the men who drove her to it. They whisper about her in Chicago. Men come to her with their hopes, their dreams--their fortunes. But no one sees them leave. No one sees them at all after they come to call on the Widow of La Porte. The good people of Indiana may have their suspicions, but if those fools knew what she'd given up, what was taken from her, how she'd suffered, surely they'd understand. Belle

Gunness learned a long time ago that a woman has to make her own way in this world. That's all it is. A bloody means to an end. A glorious enterprise meant to raise her from the bleak, colorless drudgery of her childhood to the life she deserves. After all, vermin always survive.

The Serial Killer Coloring Book Jack Rosewood.2019-10-12 Serial Killer Fanatics - A very unique coloring book has arrived.You have never seen Jeffrey Dahmer, Robert Berdella or Ted Bundy like this.Who said coloring books were exclusively for children?There are monsters hiding in the darkness, and yet for some reason, our curiosity and fascination can't help but attract us to them - our minds wishing to discover their philosophies and our interest growing as we learn more of them.For many of these murderers, death became more than just a crime: it became an art. Discover this entirely fresh take on coloring books and tackle anxiety and stress in an incredible new way with *The Serial Killer Coloring Book*.

Dear Dawn Aileen Wuornos.2011-06-01 The chilling autobiography of Aileen Wuornos, the notorious female serial killer who was the subject of an Investigation Discovery special and the Oscar-winning film starring Charlize Theron, *Monster* Between 1989 and 1990, Aileen Wuornos, a hitchhiking prostitute, shot, killed, and robbed seven men in remote Florida locations. Arrested in 1991, she was condemned to death on six separate counts and executed by lethal injection in 2002. An abused runaway who turned to prostitution to survive, Wuornos has become iconic of vengeful women who lash out at the nearest target. She has also become a touchstone for women's, prostitutes', and prisoners' rights advocates. Her story has inspired myriad books and articles, as well as the 2003 movie *Monster*, for which Charlize Theron won an Academy Award. But until now, Wuornos's uncensored voice has never been heard. *Dear Dawn* is Wuornos's autobiography, culled from her ten-year death row correspondence with beloved childhood friend Dawn Botkins. Authorized for publication by Wuornos and edited under the guidance of Botkins, the letters not only offer Wuornos's riveting reflections on the murders, legal battles, and media coverage, but go further, revealing her fears and obsessions, her rich humor and empathy, and her gradual disintegration as her execution approached. A candid life story told to a trusted friend, *Dear Dawn* is a compelling narrative, unwaveringly true to its source. "It is both empowering and heartbreaking, because Wuornos represents the fury of a wronged girl-gone-wild, whose rage was unleashed on men." —The Rumpus

Behold the Monster Jillian Lauren.2023-07-18 Jillian Lauren had no idea what she was getting into when she wrote her first letter to prolific serial killer Samuel Little. All she knew was her research had led her to believe he was good for far more murders than the three for which he had been convicted. While the two exchanged dozens of letters and embarked on hundreds of hours of interviews, Lauren gained the trust of a monster. After maintaining his innocence for decades, Little confessed to the murders of ninety-three women, often drawing his victims in haunting detail as he spoke. How could one man evade justice, manipulating the system for over four decades? As the FBI, the DOJ, the LAPD, and countless law enforcement officials across the country worked to connect their cold cases with the confessions, Lauren's coverage of the investigations and obsession with Little's victims only escalated. New York Times bestselling author and lead of the Starz docuseries *Confronting a Serial Killer* Jillian Lauren delivers the harrowing report of her unusual relationship with a psychopath. But this is more than a deep dive into the actions of Samuel Little. Lauren's riveting and emotional accounts reveal the women who were lost to cold files, giving Little's victims a chance to have their stories heard for the first time.

Female Serial Killers Peter Vronsky.2007-08-07 In this fascinating book, Peter Vronsky exposes and investigates the phenomenon of women who kill—and the political, economic, social and sexual implications buried with each victim. How many of us are even remotely prepared to imagine our mothers, daughters, sisters or grandmothers as fiendish killers? For centuries we have been conditioned to think of serial murderers and psychopathic predators as men—with women registering low on our paranoia radar. Perhaps that's why so many trusting husbands, lovers, family friends, and children have fallen prey to “the female monster.” From history's earliest recorded cases of homicidal females to Irma Grese, the Nazi Beast of Belsen, from Britain's notorious child-slayer Myra Hindley to ‘Honeymoon Killer’ Martha Beck to the sensational cult of Aileen Wournos—the first female serial killer-as-celebrity—to cult killers, homicidal missionaries, and our pop-culture fascination with the sexy femme fatale, Vronsky not only challenges our ordinary standards of good and evil but also defies our basic accepted perceptions of gender role and identity. INCLUDES PHOTOGRAPHS

American Female Serial Killers Brian Berry.2019-08-07 America has a long and complicated fascination with serial killers. When we think about the most infamous of these killers, we generally think of men like Ted Bundy, Jeffrey Dahmer, or John Wayne Gacy. Those names make headlines while there's the often-repeated myth that suggests there are no female serial killers. After all, most of us couldn't name a woman on the same scale of infamy as BTK or the elusive Zodiac Killer, can we? As it so often is, the truth is far more complicated. Women kill. While they are less sensationalized than their male counterparts, they are no less deadly. At time of publication, current research shows that one in six serial killers are female, bringing their number to fifteen percent of confirmed serial killers. This reference book includes background information on the killers, their victims, methods, and - where relevant - their arrests, trials, and convictions.

The Grim Sleeper Christine Pelisek. 2017-06-05 One of the best true crime books of all time —Time The inside story of one of the notorious and elusive serial killer who stalked the vulnerable, the young, and the ignored in 1980s Los Angeles—and then returned decades later to kill again. The Grim Sleeper was one of the most brutal serial killers in California history, preying on the women of South Central for decades. No one knows this story better than Christine Pelisek, the reporter who followed it for more than ten years. Based on extensive interviews, reportage, and information never released to the public, The Grim Sleeper captures the long, bumpy road to justice in one of the most startling true crime stories of our generation from his violent first crime while serving in the US Army to his inevitable death in prison. As seen on Investigation Discovery's true-crime documentary The Grim Sleeper: Mind of a Monster

American Predator Maureen Callahan. 2020-06-09 INSTANT NEW YORK TIMES BESTSELLER An Amazon “Best Book of 2019” A Washington Post “10 Books To Read in July” A Los Angeles Times “Seven Highly Anticipated Books for Summer Reading” A USA Today “20 of the Season’s Hottest New Books” A New York Post “25 Best Beach Reads of 2019 You Need to Pre-Order Now” A Bustle “The Best New True Crime Books You Can Read Right Now” “Maureen Callahan’s deft reporting and stylish writing have created one of the all-time-great serial-killer books: sensitive, chilling, and completely impossible to put down.” —Ada Calhoun, author of St. Marks Is Dead Ted Bundy. John Wayne Gacy. Jeffrey Dahmer. The names of notorious serial killers are usually well-known; they echo in the news and in public consciousness. But most people have never heard of Israel Keyes, one of the most ambitious and terrifying serial killers in modern history. The FBI considered his behavior unprecedented. Described by a prosecutor as a force of pure evil, Keyes was a predator who struck all over the United States. He buried kill kits—cash, weapons, and body-disposal tools—in remote locations across the country. Over the course of fourteen years, Keyes would fly to a city, rent a car, and drive thousands of miles in order to use his kits. He would break into a stranger's house, abduct his victims in broad daylight, and kill and dispose of them in mere hours. And then he would return home to Alaska, resuming life as a quiet, reliable construction worker devoted to his only daughter. When journalist Maureen Callahan first heard about Israel Keyes in 2012, she was captivated by how a killer of this magnitude could go undetected by law enforcement for over a decade. And so began a project that consumed her for the next several years—uncovering the true story behind how the FBI ultimately caught Israel Keyes, and trying to understand what it means for a killer like Keyes to exist. A killer who left a path of monstrous, randomly committed crimes in his wake—many of which remain unsolved to this day. *American Predator* is the ambitious culmination of years of interviews with key figures in law enforcement and in Keyes's life, and research uncovered from classified FBI files. Callahan takes us on a journey into the chilling, nightmarish mind of a relentless killer, and to the limitations of traditional law enforcement.

My Sister, the Serial Killer Oyinkan Braithwaite. 2019-07-30 BOOKER PRIZE NOMINEE • “A taut and darkly funny contemporary noir that moves at lightning speed, it’s the wittiest and most fun murder party you’ve ever been invited to.” —MARIE CLAIRE Korede’s sister Ayoola is many things: the favorite child, the beautiful one, possibly sociopathic. And now Ayoola’s third boyfriend in a row is dead, stabbed through the heart with Ayoola’s knife. Korede’s practicality is the sisters’ saving grace. She knows the best solutions for cleaning blood (bleach, bleach, and more bleach), the best way to move a body (wrap it in sheets like a mummy), and she keeps Ayoola from posting pictures to Instagram when she should be mourning her “missing” boyfriend. Not that she gets any credit. Korede has long been in love with a kind, handsome doctor at the hospital where she works. She

dreams of the day when he will realize that she's exactly what he needs. But when he asks Korede for Ayoola's phone number, she must reckon with what her sister has become and how far she's willing to go to protect her.

The Good-bye Door Diana Britt Franklin.2006 Nicknamed the Blonde Borgia, Anna Marie Hahn was a cold-blooded serial killer who preyed on the elderly in Cincinnati's Over-the-Rhine district in the 1930s. When the State of Ohio strapped its first woman into the electric chair, Hahn gained a place in the annals of crime as the nation's first female serial killer to be executed in the chair. Told here for the first time in riveting detail is Anna Marie's gripping story, an almost unbelievable tale of multiple murders, deceit, and greed. Born in Bavaria in 1906, Anna Marie brought shame to her pious family when, as a teenager, she gave birth to an illegitimate son, Oscar. She was shipped off to America in 1929 where she initially lived with elderly relatives in Cincinnati. A year later, she married Philip Hahn, a Western Union telegrapher, with whom she bought a new house and opened a delicatessen/bakery. Pressed economically by the Great Depression, the ever-resourceful, Anna Marie found other ways to get the money to support her passionate pasttime - betting on horses. She tried burning down the house, then the deli, for the insurance; and she tried killing her husband, also for the insurance. Her life savings before feeding them arsenic with deadly results. For weeks, her Cincinnati trial for the greatest mass murder in the history of the country was a front-page sensation across the nation. A thousand or more curiosity seekers came daily to the court-house to try to get just a glimpse of her. Nearly 100 witnesses gave damning testimony against her, and the jury's guilty verdict put her on the path to the electric chair. Finally, after a year, all appeals were exhausted, and Anna Marie, age 32, was executed on December 7, 1938, at the state penitentiary in Columbus. True crime buffs, historians, legal professionals, and others seeking an extraordinary story will find *The Goodbye Door* a compelling addition to true crime literature.

Ladies of Death Blind Destiny.2020-09-25 When we think about the most infamous of these killers, we generally think of men like Ted Bundy, Jeffrey Dahmer, or John Wayne Gacy... Female Serial Killer Coloring Books Robert Rivera.2020-08-04 To true crime fans and serial killer devotees: Have you ever considered an entirely fresh experience to satisfy your true crime curiosity? In the Notorious Serial Killer Books, we showed 75 perverted serial killers, and this book takes on the style of that series, providing 35 female serial killers to get to know some of her evils. The coloring book uses symbolism art method to represent the murderous faces of serial killers, the crime tools they preferred, how many victims they killed and the nicknames they earned. Every stroke will fascinate you to go deep into the details of their appalling crimes. Besides, coloring pictures can help you relieve stress and adjust mood, a splendid choice of entertainment in your spare time. Let's getting started!

I'll Be Gone in the Dark Michelle McNamara.2019-02-26 THE BASIS FOR THE MAJOR 6-PART HBO® DOCUMENTARY SERIES #1 NEW YORK TIMES BESTSELLER A BEST BOOK OF THE YEAR: Washington Post | Maureen Corrigan, NPR | Paste | Seattle Times | Entertainment Weekly |

Esquire | Slate | BuzzFeed | Jezebel | Philadelphia Inquirer | Publishers Weekly | Kirkus Reviews | Library Journal | Bustle Winner of the Goodreads Choice Awards for Nonfiction | Anthony Award Winner | SCIBA Book Award Winner | Finalist for the Edgar Award for Best Fact Crime | Longlisted for the Carnegie Medal for Excellence The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. Introduction by Gillian Flynn • Afterword by Patton Oswalt “A brilliant genre-buster... Propulsive, can’t-stop-now reading.” —Stephen King For more than ten years, a mysterious and violent predator committed fifty sexual assaults in Northern California before moving south, where he perpetrated ten sadistic murders. Then he disappeared, eluding capture by multiple police forces and some of the best detectives in the area. Three decades later, Michelle McNamara, a true crime journalist who created the popular website TrueCrimeDiary.com, was determined to find the violent psychopath she called the Golden State Killer. Michelle pored over police reports, interviewed victims, and embedded herself in the online communities that were as obsessed with the case as she was. I’ll Be Gone in the Dark—the masterpiece McNamara was writing at the time of her sudden death—offers an atmospheric snapshot of a moment in American history and a chilling account of a criminal mastermind and the wreckage he left behind. It is also a portrait of a woman’s obsession and her unflinching pursuit of the truth. Utterly original and compelling, it has been hailed as a modern true crime classic—one which fulfilled Michelle's dream: helping unmask the Golden State Killer.

American Female SERIAL KILLERS Brian Berry.2019-05-20 Coloring books are certainly not just for kids anymore! Pick up your favorite crayons or coloring pencils and sink your teeth into the world of infamous serial killers! Get your copy today!

Trailed Kathryn Miles.2022-05-03 *Trailed* is a beautifully written account of a great American tragedy--the unsolved murders of an undetermined number of young women, all by the same serial killer, who got away. The truth is still buried. I couldn't put it down. --John Grisham, #1 New York Times bestselling author A riveting deep dive into the unsolved murder of two free-spirited young women in the wilderness, a journalist's obsession--and a new theory of who might have done it In May 1996, Julie Williams and Lollie Winans were brutally murdered while backpacking in Virginia's Shenandoah National Park, adjacent to the world-famous Appalachian Trail. The young women were skilled backcountry leaders and they had met--and fallen in love--the previous summer, while working at a world-renowned outdoor program for women. But despite an extensive joint investigation by the FBI, the Virginia police, and National Park Service experts, the case remained unsolved for years. In early 2002 and in response to mounting political pressure, then-Attorney General John Ashcroft announced that he would be seeking the death penalty against Darrell David Rice--already in prison for assaulting another woman--in the first capital case tried under new, post-9/11 federal hate crime legislation. But two years later, the Department of Justice quietly suspended its case against Rice, and the investigation has since grown cold. Did prosecutors have the right person? Journalist Kathryn Miles was a professor at Lollie Winans's wilderness college in Maine when the 2002 indictment was announced. On the 20th anniversary of the murder, she began looking into the lives of these adventurous women--whose loss continued to haunt all who had encountered them--along with the murder investigation and subsequent case against Rice. As she dives deeper into the case, winning the trust of the victims' loved ones as well as investigators and gaining access to key documents, Miles becomes increasingly obsessed with the loss of the generous and free-spirited Lollie and Julie, who were just on the brink of adulthood, and at the same time she discovers evidence of cover-ups, incompetence, and crime-scene sloppiness that seemed part of a larger problem in America's pursuit of justice in national parks. She also becomes convinced of Rice's innocence, and zeroes in on a different likely suspect. *Trailed: One Woman's Quest to Solve the Shenandoah Murders* is a riveting, eye-opening, and heartbreaking work, offering a braided narrative about two remarkable women who were murdered doing what they most loved, the forensics of this cold case, and the surprising pervasiveness and long shadows cast by violence against women in the backcountry.

The Truth about Belle Gunness Lillian de la Torre.2017-06-06 Edgar Award Finalist: The true story of the female Norwegian immigrant who led a secret life as a serial killer in the early twentieth-century Midwest. On the morning of April 27, 1908, the farmhand on a lonely property outside La Porte, Indiana, woke to the smell of smoke. He tried to rouse the lady of the house, the towering Belle Poulsdatter Sorenson Gunness, and he called

the names of her three children—but they didn’t answer, and the farmhand barely escaped alive. The house burned to the foundation, and in the rubble, firemen found the corpses of Belle, her two daughters, and her son. The discovery raised two chilling questions: Who started the fire, and who cut off Belle’s head? As investigators searched the property, they uncovered something astonishing: The remains of a dozen or more men and children who had been murdered with poison or cleaver were buried beneath the hog pen. It turned out Belle Gunness was one of the most prolific serial killers in American history. And when the investigation revealed that the body found in the fire might not have been hers, the people of La Porte were forced to confront the terrifying realization that Belle might have gotten out alive. Nominated for an Edgar Award for best factual crime story, *The Truth about Belle Gunness* is based on extensive interviews with witnesses and residents of La Porte who knew Belle and her family. Perfect for fans of *In Cold Blood* or *The Devil in the White City*, it is a “magnificent [and] brilliantly written” exploration of a highly unusual murderer (The New York Times).

A Flicker in the Dark Stacy Willingham.2022-01-11 A New York Times Bestseller “A smart, edge-of-your-seat story with plot twists you’ll never see coming. Stacy Willingham’s debut will keep you turning pages long past your bedtime.” —Karin Slaughter When Chloe Davis was twelve, six teenage girls went missing in her small Louisiana town. By the end of the summer, her own father had confessed to the crimes and was put away for life, leaving Chloe and the rest of her family to grapple with the truth and try to move forward while dealing with the aftermath. Now twenty years later, Chloe is a psychologist in Baton Rouge and getting ready for her wedding. While she finally has a fragile grasp on the happiness she’s worked so hard to achieve, she sometimes feels as out of control of her own life as the troubled teens who are her patients. So when a local teenage girl goes missing, and then another, that terrifying summer comes crashing back. Is she paranoid, seeing parallels from her past that aren't actually there, or for the second time in her life, is Chloe about to unmask a killer? From debut author Stacy Willingham comes a masterfully done, lyrical thriller, certain to be the launch of an amazing career. *A Flicker in the Dark* is eerily compelling to the very last page.

Serial Killer Coloring Book David Rich.2020-07
