She prefers to look directly at things nobody else can even mention: for example, her beloved older sister's death. She was pushed in front of a train by a man who is still on the loose, and after a year of searching for clues, Mathilda has come no closer to the truth about Helene's murder...until she cracks her email password and a whole secret life emerges — one that swiftly draws Mathilda into her sister's world of clouded motives and strange emotions. If she can find the keys to Helene's past, she's sure she can wake her family from their nightmare of grief. But in crossing into that underworld and tracing her sister's footsteps, she has to risk everything that matters to her. Mathilda Savitch is a poignant, furiously funny, and tender page-turner from an extraordinary debut novelist.

I Am Your Judge Nele Neuhaus.2016-01-12 Police Detective Pia Kirchhoff is about to leave on her long-delayed honeymoon when she receives a phone call from police headquarters: An elderly woman has been shot and killed while walking her dog. Neither her grieving daughter nor any of her acquaintances have an explanation for the horrifying murder. Ingeborg Rohleher was well-liked and a generous, loving woman. A short while later, another murder is committed and the modus operandi is eerily similar — a woman is executed by a precisely aimed bullet to the head that smashes through her kitchen window while she is

baking cookies . . . and in both cases the same weapon fired the shot from a distance only a trained sniper could manage. Two more murders follow in short order. None of the victims had enemies and no one knows why they were singled out. As fear of the Taunus Sniper grows among the local residents, the pressure rises on Detective Kirchhoff. She and her partner, Oliver von Bodenstein, search feverishly for a suspect who appears to murder at will, but soon realize that "The Judge," as the sniper calls himself, seems to have a mission—a mission that has not reached its conclusion yet. As the investigation progresses, the police officers uncover a human tragedy that will shake them to the core. *I am Your Judge* is tightly plotted, and delivers surprise twists at every turn with a story that is ripped from the headlines. *Shiny Water* Anna Salter.1998 Forensic psychologist Michael Stone is involved in a child custody case where the father is suspected of molesting his two small children, but the court grants him custody anyway. The very next day the children are found murdered--and Michael is drawn irrevocably into the case. *The Accidental Time Machine* Joe Haldeman.2008-07-29 NOW IN PAPERBACK-FROM THE AUTHOR OF MARSBOUND Grad-school dropout Matt Fuller is toiling as a lowly research assistant at MIT when he inadvertently creates a time machine. The Rose Gardener Charlotte Link.2014-10-13 A dark secret hangs over the old rose gardener's house in the village of Le Variouf. And all the clues seem to point to its inhabitants' past—to the years of World War II, when the idyllic island of Guernsey was occupied by German troops... The young teacher Franca Palmer is at the end of her rope. Her marriage is reaching a crisis point, and she barely feels capable of continuing to face the demands of her career, her husband, and day-to-day life. In a mad rush she leaves her comfortable home in Berlin and flees to the island of Guernsey in the English Channel; there she rents herself a room in the old rose gardener's house in the village of Le Variouf. In a short time, a peculiar, guarded friendship develops between her and her host, Beatrice Shaye. The older woman has lived on the charmingly situated property for many years with Helene Feldmann—tied together by fate in a relationship that is marked with repugnance and hatred. The two women appear to be bound to one another in a mysterious, incomprehensible way—dating back to the year 1940, when during the occupation of the Channel Islands by German troops, Helene and her husband Erich, a high-ranking officer, took Beatrice in as if she was their own child. From the beginning, the Feldmanns competed for Beatrice's favor, all the more so since, where his wife was concerned, Erich felt only contempt. So it was that with his death on May 1st, 1945, an agonizing phase in both women's lives came to an end. But nevertheless, a shadow still hangs over the house. And one

day, another May 1st, there is again a death in Le Variouf.

hottest celebrity? Cinder458: Your blogiversary is coming up, right? EllaTheRealHero: Do all those Hollywood friends of yours know you use words like blogiversary? Cinder458: Of course not. I need your address. Got you a blogiversary present. Cinder got me a gift? My heart flipped. Not that I was in love with my Internet best friend or anything. That would be utterly ridiculous. The boy was cocky and stubborn and argued with everything I said just to be infuriating. He also had lots of money, dated models-which meant he had to be hot-and was a closet book nerd. Funny, rich, hot, confident, book lover. Definitely not my type. Nope. Not at all. It's been almost a year since eighteen-year-old Ella Rodriguez was in a car accident that left her crippled, scarred, and without a mother. After a very difficult recovery, she's been uprooted across the country and forced into the custody of a father that abandoned her when she was a young child. If Ella wants to escape her father's home and her awful new stepfamily, she must convince her doctors that she's capable, both physically and emotionally, of living on her own. The problem is, she's not ready yet. The only way she can think of to start healing is by reconnecting with the one person left in the world who's ever meant anything to her-her anonymous Internet best friend, Cinder. Hollywood sensation Brian Oliver has a reputation for being trouble. There's major buzz around his performance in his upcoming film *The Druid Prince*, but his management team says he won't make the transition from teen heartthrob to serious A-list actor unless he can prove he's left his wild days behind and become a mature adult. In order to douse the flames on Brian's bad-boy reputation, his management stages a fake engagement for him to his co-star Kaylee. Brian isn't thrilled with the arrangement-or his fake fiancée-but decides he'll suffer through it if it means he'll get an Oscar nomination. Then a surprise email from an old Internet friend changes everything....With a heartwarming online celebrity romance reminiscent of Jennifer E. Smith's *This Is What Happy Looks Like*, bestselling young adult

author Kelly Oram has struck gold with her new adult contemporary retelling of the timeless fairytale classic Cinderella. A story that has it all: tears, laughs, sparks and a drop-dead swoonworthy hero. Give it a while and DreamWorks will pick up this story for a movie adaption, no doubt. Anna Katmore, Author of *Play With Me & Neverland* Both funny and heart-wrenching, *Cinder and Ella* will give you all the feels. It's the best twist on the Cinderella tale I have come across. I am not just a fan of Kelly Oram. I am an addict. Cassie Mae, author of *Switched & How To Hook A Bookworm Cinder & Ella* is a beautiful modern-day fairytale with a great cast of characters that made me laugh and swoon. It had me staying up late at night to read just one more chapter, and at the end, I was left with a big grin on my face.
