

Lost Goddesses Of Early Greece A Collection Of Pre

Greek Mythology Simone Payment.2006-01-15 Provides a brief history of Greek mythology, describes the gods, goddesses, heroes, and heroines contained within it, and presents several myths.

Mythic Voices Michael Starsheen.2006-07-07 This book tells the stories of the Greek Gods and Goddesses from their own unique points of view, allowing their archetypal energies to manifest from within the cultural unconscious of our modern world. These are not stories for children, although told in poetic form. They are intended for an mature audience, who choose to better understand where they've come from and where they are going in this modern world. Western culture is largely based on Greco-Roman archetypes, and these myths speak directly to behaviors that manifest in our modern world. This book is intended for ages 16+.

She Who Changes C. Christ.2016-04-15 Can we re-imagine divine power as deeply related to the changing world? Can we re-imagine the creation of the world as an ongoing process of co-creation in which every individual from particles of atoms to human beings plays a part? Can we re-imagine Goddess/God as the most relational of all relational beings? Can we re-imagine the world as the body of Goddess/God? If we can, then we can understand the deeper meaning of female images of divine power, including Goddess, God-She, Sophia, and Shekhina. Many traditional understandings of divine power begin with thinly disguised rejections of the female body and connection to the natural world. Women theologians from Jewish, Christian, Goddess, and other traditions are re-imagining divine and human power as embodied, embedded in a changing world, and deeply related to all beings in the web of life. Drawing on the work of process philosopher Charles Hartshorne - whose insights deserve a wider hearing - Carol P. Christ offers intellectual foundations for deeply held feelings about the meanings of female images of divine power. Her gift is the ability to make complex ideas seem simple and radically new ideas seem familiar. This book is addressed to everyone who has ever wondered about the implications of re-imagining God as female.

Encountering the Dark Goddess Frances Billingham.2021-03-26 The Dark Goddess is often associated with the Underworld where she leads the uninitiated through a transformative journey of self-discovery, change and soul renewal. She is connected with the unwanted, the forgotten, the ignored or even ashamed parts of our psyche. However there is more to her than that. Encountering the Dark Goddess: A Journey into the Shadow Realms guides you through what this challenging facet of the Divine Feminine, the Dark Goddess, is truly about, and encourages you to step through the veils into her hidden realm to explore 13 aspects of herself. Whether you seek healing from past trauma, release from fears or acceptance of the "unacceptable" aspects of your self, Encountering the Dark Goddess: A Journey into the Shadow Realms offers ways for you to transform and heal your life through the power of meditation, ritual and inner journeying with the Dark Goddess into her shadowy realms. Use the 13 goddess myths as a guide to discover how to remove the stagnant and unwanted and embrace the ever changing aspects of life that can drag us into the pits of despair. When we connect to the Dark Goddess, we are able to find the light within the darkness and our lives are enriched through the integration of all aspects of our soul as a perfect whole.

Lost Goddesses of Early Greece Charlene Spretnak.1978

From Girl to Goddess Valerie Estelle Frankel.2014-01-10 Many are familiar with Joseph Campbell's theory of the hero's journey, the idea that every man from Moses to Hercules grows to adulthood while battling his alter-ego. This book explores the universal heroine's journey as she quests through world myth. Numerous stories from cultures as varied as Chile and Vietnam reveal heroines who battle for safety and identity, thereby upsetting popular notions of the passive, gentle heroine. Only after she has defeated her dark side and reintegrated can the heroine become the bestower of wisdom, the protecting queen and arch-crone. Instructors considering this book for use in a course may request an examination copy here.

The Resurgence of the Real Charlene Spretnak.2012-09-10 In this insightful, beautifully written work, one of America's most important feminist ecological thinkers reflects on the roots of modernity in Renaissance humanism, the Reformation, the Scientific Revolution and the Enlightenment, Spretnak argues that an ecological postmodern ethos is emerging in the 1990s. the creative cosmos, and the complex sense of place. Both a sharp critique and a graceful performance of the art of the possible, *The Resurgence of the Real* changes the way we think about living in the modern world.

Yoga Journal .1983-03 For more than 30 years, Yoga Journal has been helping readers achieve the balance and well-being they seek in their everyday lives. With every issue, Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds. We are dedicated to providing in-depth, thoughtful editorial on topics such as yoga, food, nutrition, fitness, wellness, travel, and fashion and beauty.

Dawn of the Gods Jacquetta Hawkes.1968

Missing Mary Charlene Spretnak.2004-01-15 What ever happened to the Virgin Mary in the modern Catholic Church? For the past forty years her presence has been radically minimized. In a groundbreaking work, Charlene Spretnak cuts across the battle lines delineated by the left and the right within the Church to champion the recovery of the full spiritual presence of Mary. Spretnak, a liberal Catholic, sheds new light on the dethroning of the Queen of Heaven at Vatican II, and she traces the rise of a grassroots resurgence of Marian spirituality in recent years. She offers fresh reflections on the meaning of Mary, situating the Marian renewal in the larger context of contemporary efforts to correct the barrenness and sterility of modernity. Spretnak also notes that much of the cosmological symbolism traditionally associated with Mary as the Queen of Heaven and the maternal matrix is simpatico with recent discoveries in scientific cosmology about the profoundly relational nature of the Creation. Moreover, Spretnak asserts that a deep loss ensues for women in particular when Mary's female embodiment of grace and mystical presence is denied and replaced with a strictly text-bound version of her as a Nazarene housewife. Complete with a striking insert of contemporary Marian art, *Missing Mary* is a deeply insightful reflection on Mary in the modern age.

Greek Myths DK, Jean Menzies.2020-07-14 A beautifully-illustrated book filled with over 30 Ancient Greek Myths for children aged 7-9. Journey into a world of gods and goddesses, heroes and heroines, extraordinary creatures and fantastic monsters with this beautifully illustrated introduction to Ancient Greek mythology. Perfect for children aged 7 to 9, this collection contains more than 30 enthralling new retellings of favourite Greek myths as well as some you might not have heard before. Including 'Theseus and the Minotaur', 'The 12 Labours of Herakles', and the escapades of 'Jason and the Argonauts', each myth is told in engaging modern language, which is easy for children to understand yet still retains the humour and intrigue of the original tales. Encourage your children to explore: - Over 30 fascinating Greek myths, covering famous classics and lesser known stories - Striking illustrations by multi-award winning artist Katie Ponder - Stunning gold foil on the cover - A handy pronunciation guide listing all difficult-to-pronounce names for the reader's convenience - Key reference spreads combining the appeal of a story collection with key reference information A must-have volume for children aged 7-9 with an interest in Greek mythology and history, the additional feature pages delve deeper into the mythical world, providing profiles of the gods and a map detailing Odysseus' long voyage home from the Trojan War. The reference section provides key background information, such as Ancient Greek storytelling and the incredible beasts of the myths, and a handy pronunciation guide. *Greek Myths* is the perfect gift, featuring stunning gold foil on the cover and beautiful illustrations throughout. Quench your child's curiosity and thirst for knowledge, as they explore the enthralling tales, whether by themselves or to equally be enjoyed as bedtime stories alongside parents.

Gods and Goddesses of Ancient Greece Leon Ashworth.2006 Ancient peoples believed as firmly in their gods and goddesses as people believe in their religions today. These books help children understand how

people lived in ancient times, what they believed, and why. How the seasons worked, why natural disasters happened and what happened to people when they died. Many of the myths have parallels in modern religions and culture. This title deals with the lives and beliefs of the people of Ancient Greece.

Cauldron of Changes Janice C. Crosby.2023-10-26 The spiritual dimensions in the fantastic works of both firmly established and newer writers—including such talents as Marion Zimmer Bradley, Alice Walker, Patricia Kennealy, Octavia Butler, Toni Morrison and Ntozake Shange—are examined in this book. The author links their fantastic novels to actual currents within the feminist spirituality movement, addressing the genre's use of goddess worship, psychic phenomena, and reverence for the earth. Special emphasis is given to both the struggle to provide an alternative to men-centered experience and to the need to articulate ways in which feminists can achieve personal and social power.

Maiden, Mother, Crone Deanna J. Conway.1995-06 MAIDEN, MOTHER, CRONE presents the Trinity as ancient symbols of the Goddess, predating Christianity by thousands of years. The book explores longstanding myths and symbols, illuminating ancient, universal human challenges that still exist today. Together with in-depth explanations of goddess archetypes and their relevance to 20th century living, this book will lead you to a state of conscious awareness that can change your life.

The Heroine in Western Literature Meredith A. Powers.2000-01-01 The impulse that prompts humans to envision themselves as heroic is as inherent to women as to men. The idealization of the hero, however, is an outgrowth of the more primary conception of the god. In Western culture the reduction and eventual denial of the feminine divine has affected cultural perception of feminine principles, particularly archetypal and autonomous patterns. This book delves first into the literary strata from which the archetypes have been culled, the stories of the Bible and the myths of the Aegean, to look at how the characterization of the goddess was revised. Employing evidence from psychology, artifacts and pictorial art, the author shapes an outline for a more authentic figure. The obscure and muted goddess-heroine of ancient literature is then given detail by the articulate voices of the archetype as she reemerges in contemporary fiction.

Relational Reality Charlene Spretnak.2011 RELATIONAL REALITY reveals the coherence among numerous surprising discoveries, most made since 2004, about the interrelated nature of physical reality. These discoveries are now transforming every mainstream eld of human endeavor, as basic assumptions (built on the old idea that everything in the physical world is essentially separate and functions mechanistically) are being reconsidered. No longer a marginal perspective, the Relational Shift is based on the realization that all entities in this world, including humans, are thoroughly relational beings of great complexity who are both composed of and nested within networks of creative, dynamic interrelationships. Nothing exists outside of those relationships. As we try to grasp the interrelated nature of reality, emergent relational approaches are already transforming the way we educate our children, attend to our health, green our communities, and rethink economic activity. New analyses of the crises of modernity and abundant new solutions are the result. A vital book. -- Bill McKibben CONTENTS: Ch. 1: Relational Revelations; Ch. 2: The Relational Shift in Education and Parenting; Ch. 3: The Relational Shift in Health and Healthcare; Ch. 4: The Relational Shift in Community Design and Architecture; Ch. 5: The Relational Shift in the Economy; Ch. 6: Stepping Up

Hekate Courtney Weber.2021-08-01 Learn the myths and legends behind this beloved goddess plus practices and suggestions for making Hekate part of your spiritual path. Courtney Weber (author of *Brigid and The Morrigan*) offers an informed, accessible journey through the lore and history of Hekate, the ancient goddess of crossroads, ghosts, and witchcraft, and reflects on Hekate's relevance today. Tools and techniques for incorporating this goddess into your personal journey round out the book. Similar to her other works, Weber strikes a balance between the scholarly and the spiritual. Her exploration of Hekate combines solid research with practical, modern applications. The spiritual content is accessible to anyone with an interest in witchcraft, regardless of their faith or background. Each chapter focuses on a different aspect of Hekate, exploring original mythology, historical context, and contemporary connotations, concluding with spells and personal rituals. The final chapter is a grimoire full of rituals, offerings, and other practices designed to help readers align themselves with this extraordinary goddess. The book also explores magickal ethics, what it means to be a witch in the twenty-first century, and best practices for successful witchcraft.

The Sacred and the Feminine in Ancient Greece Sue Blundell, Margaret Williamson, Margaret Williamson**Nfa***.2005-12-05 In classical Greece women were almost entirely excluded from public life. Yet the feminine was accorded a central place in religious thought and ritual. This volume explores the often paradoxical centrality of the feminine in Greek culture, showing how out of sight was not out of mind. The contributors adopt perspectives from a wide range of disciplines, such as archaeology, art history, psychology and anthropology, in order to investigate various aspects of religion and cult. They include the part played by women in death ritual, the role of heroines, and the fact that goddesses had no childhood, at the same time posing questions about how we know what rituals meant to their participants. *The Sacred and the Feminine in Ancient Greece* is a lively and colourful exploration of the ways in which religion and ritual reveal women's importance in the Greek polis, showing how ideologies about female roles and behaviour were both endorsed and challenged in the realm of the sacred.

Water Beings Veronica Strang.2023-04-19 Looking to the vast human history of water worship, a crucial study of our broken relationship with all things aquatic—and how we might mend it. Early human relationships with water were expressed through beliefs in serpentine aquatic deities: rainbow-colored, feathered or horned serpents, giant anacondas, and dragons. Representing the powers of water, these beings were bringers of life and sustenance, world creators, ancestors, guardian spirits, and lawmakers. Worshipped and appeased, they embodied people's respect for water and its vital role in sustaining all living things. Yet today, though we still recognize that "water is life," fresh- and saltwater ecosystems have been critically compromised by human activities. This major study of water beings and what has happened to them in different cultural and historical contexts demonstrates how and why some—but not all—societies have moved from worshipping water to wreaking havoc upon it and asks what we can do to turn the tide.

Pagan Portals - Aphrodite Irisanya Moon.2020-08-28 Aphrodite is an often misunderstood goddess, one who is easy to relegate to the love goddess role, but she is a goddess who also shows up as an initiator and, some might say, troublemaker. In this book, we seek to explore the complexity of a goddess who was born on sea foam and who inspires beauty and love, all the while offering a hand toward each one of us to celebrate our full hearts.

Roman Gods & Goddesses Britannica Educational Publishing.2014-01-01 While the ancient Roman pantheon in many ways resembles that of ancient Greece, there is much that sets apart Roman mythology. Romans also borrowed from the religions of ancient Egypt, Asia Minor, and the Middle East, and legendary figures such as Romulus and Remus, tied closely to the history of Rome, feature prominently in ancient stories. The major and lesser figures of Roman mythology are presented in this vibrant volume with sidebars spotlighting related facts and concepts about Roman mythology and religion.

Women and Spirituality Ursula King.1993-07-21 Taking a critical look at feminism and exploring its explicit and implicit spiritual dimensions, this revised and updated new edition of *Women and Spirituality* engages in a reflective dialogue with contemporary women's voices. It asks to what extent patriarchal oppression and androcentric thinking are inherent not only in Christianity but in all religious beliefs, practices and institutions. This is the only book which provides a comprehensive survey of current discussions in feminist theology and spirituality and offers a wide-ranging account of women and world religions and raising thought-provoking questions about the spiritual dimensions of human life.

Greek Mythology: The Gods, Goddesses, and Heroes Handbook Liv Albert.2021-03-30 Finally sort out who's who in Greek mythology—from gods, goddesses, heroes, monsters, and everyone in between! Greek mythology continues to appear in popular movies and books today but have you ever wondered about where these characters started out? Discover the origins of your favorite characters from Greek mythology with this collection of profiles to tell you who's who in classical lore! In *Greek Mythology*, you will discover the backstories of the heroes, villains, gods, and goddesses that enjoy popularity in today's shows and films. With

comprehensive entries that outline each character's name, roles, related symbols, and foundational myths, you can get to know the roots of these personas and better understand the stories they inspire today. With this character-focused, handy reference, you will never be confused about Ancient Greece!

Modern Witchcraft with the Greek Gods Jason Mankey, Astrea Taylor. 2022-12-08 A Witch's 21-Century Guide to Making Magick with the Greek Gods The ancient Greek gods surround us even now in our modern world. From Aphrodite to Zeus, this book reveals the origins of more than sixty deities and other mythological figures, including the Olympians, Titans, and Primordial Forces. Explore how they've been worshipped across the centuries and how you can work with them in your own practice. You'll meet the gods one by one, exploring their history, unique correspondences, and personal insights from contributing authors who work with them magickally. This book also provides rituals and spells to connect with each deity. Draw down the moon with Selene, cast a courage spell with Ares, and reclaim lost parts of yourself with a ritual for Persephone. By inviting these divine beings into your practice, you can cultivate a magickal life that satisfies your soul to its very core.

Gender and the Interpretation of Classical Myth Lillian Doherty. 2015-03-02 Myths reflect, reinforce, and sometimes subvert gender ideologies and so have an influence in the 'real world'. This is true in the present no less than when the Greek and Roman myths were created. The struggles to redefine gender roles and identities in our own time are inevitably reflected in our interpretations and retellings of these classical myths. Using the new lenses provided by gender studies and diverse forms of feminism, Lillian Doherty re-examines some of the major approaches to myth interpretation in the twentieth century: psychological, ritualist, 'charter', structuralist and folklorist. She also explores 'popular' uses of classical mythology - from television and comic books to the evocation of goddesses in Jungian psychology.

Gods and Goddesses of Ancient Greece Edward E. Barthelemy. 1971 A book on Greek mythology with genealogical tables tracing the lineage of the many divine gods and important figures in these mythological tales.

Lost Goddesses of Early Greece Charlene Spretnak. 1992 For thousands of years before the classical myths were recorded by Hesiod and Homer, the Goddess was the focus of religion and culture. In *Lost Goddesses of Early Greece*, Charlene Spretnak recreates, the original, goddess-centered myths and illuminates the contemporary emergence of a spirituality based on our embeddedness in nature.

Nature Religion in America Catherine L. Albanese. 1991-09-24 Charts the multiple histories of American nature religion and explores the moral and spiritual responses the encounter with nature has provoked throughout American history. Traces the connections between movements and individuals. Includes figures from popular culture such as the Hutchinson Family Singers and Davy Crockett as well as Thomas Jefferson, Ralph Waldo Emerson, Henry David Thoreau and John Muir.

Earthcare Carolyn Merchant. 2014-02-04 Written by one of the leading thinkers in environmentalism, *Earthcare* brings together Merchant's existing work on the topic of women and the environment as well as updated and new essays. *Earthcare* looks at age-old historical associations of women with nature, beginning with Eve and continuing through to environmental activists of today, women's commitment to environmental conservation, and the problematic assumptions of women as caregivers and men as dominating nature.

Christian Goddess Spirituality Mary Ann Beavis. 2015-10-08 This monograph focuses on Christian Goddess Spirituality (CGS), the phenomenon of (mostly) women who combine Christianity and Goddess Spirituality, including Wicca/Witchcraft. Mary Ann Beavis's study provides ethnographic data and analysis on the lived religious experience of CGS practitioners, drawing on interviews of over 100 women who self-identify as combining Christianity and Goddess spirituality. Although CGS also has implications for Goddess Spirituality and related traditions (e.g., Neopaganism, Wicca), here, CGS is considered primarily as a phenomenon within Christianity. However, the study also shows that the fusion of Christian and Goddess spiritualities has had an impact on non-Christian feminist spirituality, since Goddess-worshippers have often constructed Christianity as the diametrical opposite and enemy of the Goddess, to the point that some refuse to admit the possibility that CGS is a valid spiritual path, or that it is even possible. In addition, biblical, Jewish and Christian images of the divine such as Sophia, Shekhinah, the Virgin Mary, and even Mary Magdalene, have found their way into the Pagan Goddess pantheon. The main themes of the study include: overlaps and differences between Christian feminist theology and CGS; the routes to CGS for individual practitioners, and their beliefs, practices and experiences; proto-denominational classifications (spiritual paths) within CGS; CGS theology (Christian discourse about the female divine); and the future of CGS in social scientific and ecclesiological context. *Christian Goddess Spirituality* will be of interest to scholars of religion, especially those with interests in women and religion, feminist spiritualities, feminist theology/theology, alternative spiritualities, New Religious Movements, and emergent Christianities.

Gods, Heroes and Men of Ancient Greece William Henry Denham Rouse. 1957 A collection of myths from ancient Greece.

Reader's Guide to Women's Studies Eleanor Amico. 1998-03-20 The *Reader's Guide to Women's Studies* is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies. Some 200 scholars have contributed to the project which adopts a multi-layered approach allowing for comprehensive treatment of its subject matter. Entries range from very broad themes such as Health: General Works to entries on specific individuals or more focused topics such as Doctors.

Dancing Identity Sondra Horton Fraleigh. 2004-10-31 Combining critical analysis with personal history and poetry, *Dancing Identity* presents a series of interconnected essays composed over a period of fifteen years. Taken as a whole, these meditative reflections on memory and on the ways we perceive and construct our lives represent Sondra Fraleigh's journey toward self-definition as informed by art, ritual, feminism, phenomenology, poetry, autobiography, and-always-dance. Fraleigh's brilliantly inventive fusions of philosophy and movement clarify often complex philosophical issues and apply them to dance history and aesthetics. She illustrates her discussions with photographs, dance descriptions, and stories from her own past in order to bridge dance with everyday movement. Seeking to recombine the fractured and bifurcated conceptions of the body and of the senses that dominate much Western discourse, she reveals how metaphysical concepts are embodied and presented in dance, both on stage and in therapeutic settings. Examining the role of movement in personal and political experiences, Fraleigh reflects on her major influences, including Moshe Feldenkrais, Kazuo Ohno, and Twyla Tharp. She draws on such varied sources as philosophers Simone de Beauvoir and Martin Heidegger, the German expressionist dancer Mary Wigman, Japanese Butoh founder Tatsumi Hijikata, Hitler, the Bomb, Miss America, Balanchine, and the goddess figure of ancient cultures. *Dancing Identity* offers new insights into modern life and its reconfigurations in postmodern dance.

Demeter and Persephone Tamara Agha-Jaffar. 2002-09-12 The classical Greek myth of Demeter and her daughter Persephone as told in Homer's Hymn to Demeter has been used most often to explain the cycle of the seasons. However, a closer examination will reveal insights on living and dying, loss and reconciliation, and suffering and healing. This work demonstrates the continued importance and relevance of the myth of Demeter and Persephone to today's society. The first three chapters provide a summary of the Homeric story and examine the myth from the perspectives of the mother and daughter. The following chapters discuss the symbolism of critical objects, the role of female mentoring, the role of Hades and the meaning of the underworld, the subject of rape, and the masculinist perspective presented by Zeus and Helios, and derive lessons useful for healing and knowledge. The Hymn to Demeter as translated by Helene Foley is included as an appendix in order to provide a basis for the discussion in the text. Notes and a bibliography also follow the text.

Greek Nymphs Jennifer Larson. 2001-06-28 *Greek Nymphs: Myths, Cult, Lore* is the first comprehensive study of the nymph in the ancient Greek world. This well-illustrated book examines nymphs as both religious and mythopoetic figures, tracing their development and significance in Greek culture from Homer through the Hellenistic period. Drawing upon a broad range of literary and archaeological evidence, Jennifer Larson discusses sexually powerful nymphs in ancient and modern Greek folklore, the use of dolls representing nymphs in the socialization of girls, the phenomenon of nympholepsy, the nymphs' relations with other deities in the Greek pantheon, and the nymphs' role in mythic narratives of city-founding and colonization. The book includes a survey of the evidence for myths and cults of the nymphs arranged by geographical region, and a special section of the worship of nymphs in caves throughout the Greek world.

Artemis and Diana in Ancient Greece and Italy Giovanni Casadio, Patricia A. Johnston. 2021-05-19 This book is a collection of studies about the Greek and Roman goddesses—Artemis and Diana—who ruled creatures of the wild. Although they arose separately in Greek and Roman cultures, they were often treated as equivalent. These goddesses had the power of giving birth, health and death. Diana's temples were built at places where three roads meet, writes Servius (ad Aen. IV.511), outside the city itself, and so they were common, safe meeting places which belonged to no one but were the sites for federal councils, hosted by the goddess. Artemis was associated in particular with bears, and Diana with deer, but both were generally associated with wild animals, as well as with the different phases of life. This volume will be useful not only for researchers on this subject, but also for courses in Greek and Roman studies, mythology, history, and women's studies.

Goddess Astrology Elisabeth Brooke. 2022-09-27 Offering a new and insightful discussion into the subjects of both Greek mythology and astrology, Elisabeth Brooke skilfully intertwines the two to create an original and captivating exploration of the female experience. It expresses a deep appreciation that women's lives are not all the same and should not be put into the same overused stereotypes; instead, it offers a refreshing perspective of female archetypes, illustrated by the lives of extraordinary women both alive and dead, which women everywhere will relate to. Each chapter of this book follows one of the twelve Astrological Signs, seven traditional planets, as well as the Houses and Aspects. The connection to a Goddess of Greek mythology is detailed for each of these, providing an illuminating and engrossing background to the Greek myths and Goddess lore. The chapters bridge the gap between ancient and modern, exploring more recent examples of brave, strong, and empowering women for each of the Astrological Signs. The book can be read straight through as an exploration of the Goddesses and Astrology, and as a reference book for both astrological studies and historical Goddess lore. Goddess Astrology also contains excerpts from classical texts, newly translated by the author Elisabeth Brooke.

Living In The Lap of Goddess Cynthia Eller. 1995-12-20 A fascinating introduction to one of the fastest-growing religious movements in the United States today. Through interviews, participant-observation, and analysis of movement literature, Cynthia Eller explores what women who worship the goddess believe; how they express those beliefs in private, in public, and in the political realm; and the place of feminist spirituality in the history of American religion.

Pagan Portals - Demeter Robin Corak. 2022-09-30 Working with the Greek goddess, Demeter, can help us to better understand what it means to reconnect with our own divinity, birth the potential that exists within us, and nurture ourselves and others. Pagan Portals - Demeter begins with a foundational look at the ancient Greek myths and many aspects of the Goddess. This is followed by an exploration of the rites sacred to Demeter and the impact that these rites had on women in ancient Greek society. Building on these foundational elements, the book explores the various themes and lessons inherent in Demeter's myth. These include accessing the divine within, healing the mother wound, manifestation/fertility magic, the mother archetype as a powerful advocate for justice, and conducting shadow work to release that which no longer serves us so that we can experience the rebirth of our own divine sovereignty.

The Hero and the Goddess Jean Houston. 2006-05-01 A blueprint for personal change inspired by Homer's classic shares empowering exercises that reflect every key stage of the story, a process that invites readers to work through loss and suffering, search for the divine Beloved, and share in the joy of arriving home. Original.
