Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.

Find Un Becho Estrano Acartonados

In addition to the sites referenced above, there are also the following resources for free books: WorldeBookFair: for a limited time, you can have access to over a million free ebooks. WorldLibrary: More than 330,000+ unabridged original single file PDF eBooks by the original authors. FreeTechBooks: just like the name of the site, you can get free technology-related books here. FullBooks.com: organized alphabetically; there are a TON of books here.

Bartleby eBooks: a huge array of classic literature, all available for free download. Each book can be read online or downloaded in a variety of file formats like MOBI, DJVU, EPUB, plain text, and PDF, but you can't go wrong using the Send to Kindle feature. LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains. Now you can make this easier and filter out the irrelevant results. Restrict your search results using the search tools to find only free Google eBooks. All the books are listed down a single page with thumbnails of the cover image and direct links to Amazon. If you'd rather not check Centsless Books' website for updates, you can follow them on Twitter and subscribe to email updates. Consider signing up to the free Centsless Books email newsletter to receive update notices for newly free ebooks and giveaways. The newsletter is only sent out on Mondays, Wednesdays, and Fridays, so it won't spam you too much. Since Centsless Books tracks free ebooks available on Amazon, there may be times when there is nothing listed. If that happens, try again in a few days. There aren't a lot of free Kindle books here because they aren't free for a very long period of time, though there are plenty of genres you can browse through. Look carefully on each download page and you can find when the free deal ends. Authorama.com features a nice selection of free books written in HTML and XHTML, which basically means that they are in easily readable format. Most books here are featured in English, but there are quite a few German language texts as well. Books are organized alphabetically by the author's last name. Authorama offers a good selection of free books from a variety of authors, both current and classic.
