Wild Horses of the Summer Sun Tory Bilski.2019-05-07 A wondrous story of adventure and friendship featuring a group of women who ride Icelandic horses. Blame it or praise it, there is no denying the wild horse in us. - Virginia Woolf Each June, Tory Bilski meets up with fellow women travelers in Reykjavik where they head to northern Iceland, near the Greenland Sea. They escape their ordinary lives to live an extraordinary one at a horse farm perched at the edge of the world. If only for a short while. When they first came to Thingeyar, these women were strangers to one another. The only thing they had in common was their passion for Icelandic horses. However, over the years, their relationships with each other deepens, growing older together and keeping each other young. Combining the self-discovery of Eat, Pray, Love, the sense of place of Under the Tuscan Sun, and the danger of Wild, Wild Horses of the Summer Sun revels in Tory's quest for the wild inside her. These women leave behind the usual troubles at home: illnesses, aging parents, troubled teenagers, financial worries and embrace their desire for adventure. Buoyed by their friendships with each other and their growing attachments and bonds with the otherworldly horses they ride, the warmth of Thingeyrar's midnight sun carries these women through the rest of the year's trials and travails. Filled with adventure and fresh humor, as well as an incredible portrait of Iceland and its remarkable equines, Wild Horses of the Summer Sun will enthrall and delight not just horse lovers, but those of us who yearn for a little more wild in everyday life.

*Wild Horses* Melissa Marr.2022-06-14 Gorgeous photographs and an evocative text sing the praises of a real-life herd of wild horses running free in Arizona, in this ode to the beauty of these glorious creatures. Between one breath and the next, / the Wild Horses appear. Gliding through trees, / weaving between cactus and rock. In beautiful poetry and vivid photographs, Melissa Marr shares her feelings of awe while watching a real-life herd of majestic wild horses in Arizona. When they appear, the wind itself seems to stand still. They are grand in their movements as they do all the things horses do--splash through rivers, care for young, stomp and whinny. It is clear they are not tame, and this is part of their beauty and power. How lucky are we to be able to witness their strength and speed and magnificence!
