Maximum Performance Jim Schild.2017-10-10 Since the early days of racing, Chrysler, Dodge, and Plymouth have dominated drag strips and race tracks. During 1955 alone, Chrysler 300s won 37 major stock car races and clinched both the NASCAR and AAA stock car championships. Although the impressive engine options of 1950s consistently out-performed the competition, they were a mere opening act for the extremes of performance that would be unleashed throughout the 1960s--the golden era of drag racing and factory super-performance cars. Maximum Performance: Super Stock Drag Racing 1962-1969 details Chrysler's amazing dominance in this era. Its drivers were among drag racing's first paid professional racers, and this book covers the complete story of Mopar drag racing accompanied by historical imagery as well as contemporary photos. This is the real story behind Super Stock and Factory Experimental drag racing as told the people who lived it!--Publisher's description.

Sponsor Search Shari Minter.2019-06-14 Simple and straight forward techniques to pursue a corporate sponsor. This book focuses on stock car racing and the strategies used to locate and promote a team sponsor. However, the same techniques can be used for virtually any type of professional sport. Motorsports marketing is extremely competitive both on and off the track. Without sufficient sponsorship investments, most teams simply can't be competitive. Hiring a professional marketing firm can cost thousands of dollars. And when you're just starting out, it can be impossible to even find a firm that's willing to work with you. This book explains how you can do your own team marketing. These are the very same techniques I used to obtain a sponsor for my NASCAR Sportsman Division Team. I explain step-by-step how to develop a plan and then promote what you have as an advertising opportunity to corporate marketing departments. The book includes sample worksheets for you to use in developing a team budget; there's an outline for you to use as what to put in a marketing kit; and finally a sample sponsor contract. All the things that were so hard to find when my career started.

The HR Guide to European Mergers and Acquisitions James F. Klein, Robert-Charles Kahn.2017-05-15 News of a merger or acquisition is a big event in the life of a company, which stirs uncertainty, anxiety and fear. The changes, redundancies and so on, that often follow this news, are a further source of turmoil for the employees of both companies involved. There is no magic formula to avoid these effects completely. However, good planning, communication and human resource practice can mitigate the worst of them; keep everyone that matters on board; and ensure that the new organization maintains your reputation for sensitive people management. Get it wrong, on the other hand, and you may lose the very people you were most anxious to keep; put the success of the process at risk and even face employment tribunals or other legal proceedings. In addition, imagine how these processes are complicated by any transnational elements. James F. Klein and Robert-Charles Kahn provide a practical, hands-on guide to successfully integrating HR functions following any merger or acquisition within Europe. The book guides you step by step, providing the methodology, tools, sequence of events and necessary material. It includes comparative tables, tips and stories illustrating the differences, specific issues and pitfalls that are particular to the different European countries. 20 years of human resources experience across companies in continental Europe has gone into creating this blueprint to successfully implementing the people side of successful mergers and acquisitions.

Drag Racing 201 - Racing in the New Economy Ike Heckler Jr. 2011-11-25 Following the success of his first book, *Drag Racing 101*, where IH Racing's Team Owner Ike Heckler Jr. explains how to build your first race car and secure sponsorship, Ike now brings you *Drag Racing 201 - Racing in the New Economy*. After racing at NHRA tracks in the northeast and southeast for the past 10 years in a booming economy where securing sponsorships was relatively easy, Ike takes you on an exciting journey through 2010 and explains what it is like to uproot your personal life in order to pursue the goal of semi-pro drag racing. With over 52 career round wins and national media exposure from SPEED TV's Pinks All Out, NHRA's National Dragster, and NMCA's Fastest Street Car magazine, Ike has secured corporate sponsorships from Lucas Oil, VP Racing Fuels, WIX Filters, O'Reilly Auto Parts, ReMax Realty, Holiday Inn Hotels & Resorts, CARQUEST Auto Parts, and Ken's Speed & Machine. IH Racing's primary sponsor, Premier Properties of the Space Coast, is owned by Mr. Heckler and develops residential and commercial properties in southeast Florida. In *Drag Racing 201* Ike explains how to use your own company together with your other sponsors to be able to fund a full race season and be able to travel the hundreds of miles from racetrack to racetrack economically. From getting into the Final 32 at the Pinks All Out event in West Palm, FL to making the WIX All Out 16 at the Pinks All Out event at zMax Dragway in Charlotte, Ike brings you along to all the other races and other fun events he was able to attend in 2010 with the help of good friends and sponsors. You will also ride along as he moves from Florida to North Carolina, then back to Florida just so he could honor his commitment to all his sponsors and race the season. He will also show you how the degrading economy affected his racing operation in 2010 and how he had to adjust and sacrifice his personal life to be able to race and survive. *Drag Racing 201* then looks into the future of the sport and projects how it may look a few years from now and gives the reader some valuable tips on how to afford racing a full season and how the racer may have to live differently in order to race and live their dream. Ike also gives the reader some valuable sponsorship tips along the way that will help with sponsor exposure and could make securing sponsorships a little easier. This 80 page full color book has over 75 pictures highlighting the West Palm FL, Charlotte NC, and the Bristol TN Pinks All Out events (and getting on SPEED TV), the Atlanta, NHRA Unleashed event, and what it feels like to work for an NHRA national event. If your goal is to drag race in the New Economy, this book is a must read that will save you money and increase your sponsor exposure !!
