Irresistible potions culled from one of the most excellent books of all times. The Harry Potter books contain some of the most magical sips that exist. Potion makers (bartenders) all across the world have confirmed that the subtle science and exact art of potion-making (that's bartending, to Muggles) is complicated, but it can easily be mastered through apt practice and a natural flair for the art. Professor Severus Snape once said that a good potion can bewitch the mind and ensnare the senses. Embedded in the chapters are cocktails that in his opinion can bottle fame, brew glory, and even put a stopper in death, if you know what you're doing. Potion Making is a versatile type of magic, and the concoctions that are brewed are a clear example of this. While purebloods can add a few magical enchantments to their potions, muggles, on the other hand, can stick to replicating these magical potions in the form of what they call cocktails. Here are some irresistible sips that are bound to ignite your inner wizard and turn your occasion into a fun affair.
