

De Bende Van Nijvel Ontmaskerd

Bankroet Pieter Aspe.2009-10-31 .

Beetgenomen Hilde Geens.2017-11-27 17 raids tussen 1982 en 1985, 28 doden, ruim 40 gewonden, amper 175.000 euro buit en niemand veroordeeld. De bende van Nijvel is het grootste onopgeloste gerechtelijk dossier van België. Welke motieven had de bende? Waren het beroepscriminelen die geld wilden roven? Extreemrechts dat terreur wou zaaien? Rancune tegen de rijkswacht? En wat was de rol van Madani Bouhouche en Robert Beijer? Journaliste Hilde Geens onthult hoe het onderzoek decennialang werd gemanipuleerd.

Dader onbekend Sofie Claerhout.2022-10-21 Het is 16 maart 1991. Ingrid CaECKAERT wandelt de lift van haar flatgebouw binnen. Op de zevende verdieping gaan de liftdeuren open. Daar slaat hij toe. Op klaarlichte dag. Tweeënzestig messteken. De dader vlucht en laat een bloedspoor van tientallen meters achter. Maar de politiedatabank levert geen DNA-match op. Na meer dan dertig jaar blijft hij onbekend. Moordenaars laten sporen na. En hoewel misdaadseries je doen geloven dat die je een-twee-drie naar de dader leiden, is de werkelijkheid veel complexer. Wanneer een dader DNA achterlaat op een crime scene, kunnen speurders dat toetsen aan het DNA van verdachten en veroordeelden. Geen identieke match en geen andere pistes? Dan lonkt de stempel 'cold case'. Maar dat is buiten geneticus Sofie Claerhout gerekend. Dader onbekend dompelt je onder in meer dan twintig moordzaken. Het neemt je mee naar de donkere wereld van forensisch onderzoek, met als lichtpuntje de verbeterde missie van een jonge wetenschapster: geen dader onbekend.

We're Going to Win This Thing Lin DeVecchio, Charles Brandt. 2011-02-22 The riveting front-page news story of an FBI agent falsely accused of ordering four mob hits. FBI agent Lin DeVecchio was a key player in the New York Mafia wars from the late seventies through the early nineties. Yet despite his stunning success fighting organized crime, DeVecchio was accused of taking bribes, selling information to the man who was his informant, and even personally ordering four mob hits. Who went after Lin DeVecchio and why? How did a highly respected FBI agent become suspected of corruption and charged with four counts of murder? DeVecchio and bestselling author Charles Brandt go behind the front-page headlines and tell the fascinating story of a law enforcement officer who beat the mob bosses, only to end up fighting for his own freedom.

Van Pionier Naar Onmisbaar .2009 Het voorliggende boek vormt het ambitieuze sluitstuk van het jubileumjaar 30 jaar Panopticon. Deze uitgave is uiteraard verbonden met het tijdschrift, wat duidelijk blijkt uit het feit dat de thema's die hierin aan bod komen net dezelfde zijn als de deelredacties van Panopticon. Dezelfde breedte die Panopticon bestrijkt, en het tot een uniek tijdschrift maakt, kan dus ook worden teruggevonden in dit boek. Meer bepaald komen aan bod: Opsporing en politie; Vervolging, berechting en magistratuur; Deskundigenonderzoek; Rechtshulp en advocatuur; Strafuitvoering en justitiële hulpverlening; Recht en geestelijke gezondheidszorg; Maatschappelijke dienstverlening; Jeugdbescherming en bijzondere jeugdzorg; Criminologie en strafrechtstheorie; Internationaal en Europees strafrecht; Vreemdelingen; Criminografie en methodologie; Mensenrechten.

Misleid Pieter Aspe.2009-10-31 .

De Bende van Nijvel Ontmaskerd Charles Maurice.2019-08-03 Wie waren de leden van de Bende van Nijvel? Er zijn vele samenzweringstheorieën die vragen oproepen over de betrokkenheid op een hoger niveau door de NAVO, terroristische fracties, de Belgische Rijkswacht, een netwerk van kinderpornografie waar machtige personen bij betrokken waren en een gevaarlijke splintergroep van neonazi's. Dit boek zal lezers helpen om eindelijk de waarheid over deze krankzinnige moordenaars te reconstrueren.

Het Rattenkwartier Charlie Hedo.2015-09-01 Begin jaren tachtig bewoont de clan Bogaert enkele woonwagens in het zogenaamde Rattenkwartier in Negenmanneke, Sint-Pieters-Leeuw. Een lid van die clan was ooit de hoofdverdachte in het dossier van de vuilniszakmoorden van Bergen. Familielid Anna Bogaert was tot begin jaren tachtig gehuwd met Philippe De Staerke, de enige in verdenking gestelde crimineel voor de aanslag van de Bende in Aalst. De clan De Staerke is afkomstig uit het Rattenkwartier. Beide families zijn verwant met de clan Becker. Robert Becker woonde begin jaren tachtig in een woonwagen in het Rattenkwartier. Hij werd genoemd als leider van de Bende van de Borinage, de enige criminelen die voor het assisenhof verschenen inzake de in 1983 gepleegde aanslagen en moorden van de Bende van Nijvel. Het Rattenkwartier is het nest van de Bende van Nijvel. En dan leren de bewoners van dat nest, - vechtersbazen, inbrekers en overvallers, - via de

verzamelde criminele activiteiten een echte psychopaat kennen. Een onverbeterlijke seriemoordenaar. Een meedogenloze massamoordenaar. Charlie Hedo toont in dit boek aan dat hij betrokken is bij de twee grootste misdaaddossiers van ons land die bovendien beide onopgelost zijn. Charlie Hedo was in 1985 op de dag van de bloedigste aanval aanwezig in Aalst. De Bende liet de stad in trauma achter. Charlie volgde sindsdien alle verwickelingen in de zaak op de voet. Toen de daders na 20 jaar nog steeds vrij rond liepen besloot hij zich te verdiepen in de zaak en kwam tot verrassende ontdekkingen. Hij werkte tien jaar aan dit boek waarin hij de daders bij naam noemt.

Protocolli Dei Savi Di Sion Cesare G. De Michelis.2004-01-01 Published and distributed for the Vidal Sassoon International Center for the Study of Antisemitism The origins of the infamous forgery the Protocols of the Sages of Zion are the subject of much vigorous debate. In this meticulously researched and cogently argued study, Cesare G. De Michelis illuminates its authors and the circumstances of production by focusing on the text itself. De Michelis examines in detail the earliest texts of the Protocols, looking in particular at the historical and structural relationships among them. His research unveils the differing texts of the Protocols and the presumed date of the first forgery. It also yields a greater understanding of the milieu in which the forgery was produced and the identity and motivations of its authors. This volume is a revised and expanded edition of the original, which appeared in Italian. Featured is an arguably archetypal Russian text of the Protocols, which De Michelis pieced together from several publications, based on careful textual analysis.

Death's Acre William Bass,Jon Jefferson.2004-10-05 "Fans of the forensics-oriented novels of such mystery writers as Kathy Reichs and Patricia Cornwell...not to mention television series like CSI: Crime Scene Investigation, will make an eager audience for this one."—Booklist On a patch of land in the Tennessee hills, human corpses decompose in the open air, aided by insects, bacteria, and

birds, unhindered by coffins or mausoleums. This is Bill Bass's "Body Farm," where nature takes its course as bodies buried in shallow graves, submerged in water, or locked in car trunks serve the needs of science and the cause of justice. In *Death's Acre*, Bass invites readers on an unprecedented journey behind the gates of the Body Farm where he revolutionized forensic anthropology. A master scientist and an engaging storyteller, Bass reveals his most intriguing cases for the first time. He revisits the Lindbergh kidnapping and murder, explores the mystery of a headless corpse whose identity astonished police, divulges how the telltale traces of an insect sent a murderous grandfather to death row—and much more. INCLUDES PHOTOGRAPHS

FBI Handbook of Crime Scene Forensics Federal Bureau of Investigation. 2015-06-02
Guidance and procedures for safe and efficient methods from the FBI's Laboratory Division and Operational Technology Division. The FBI Handbook of Crime Scene Forensics is the official procedural guide for law enforcement agencies, attorneys, and tribunals who wish to submit evidence to the FBI's Laboratory and Investigative Technology Divisions. This book outlines the proper methods for investigating crime scenes, examining evidence, packing and shipping evidence to the FBI, and observing safety protocol at crime scenes. Types of evidence discussed include: Bullet jacket alloys Computers Hairs Inks Lubricants Ropes Safe insulations Shoe prints Tire treads Weapons of mass destruction Particular attention is paid to recording the appearance of crime scenes through narratives, photographs, videos, audiotapes, or sketches. A guide for professional forensics experts and an introduction for laymen, the FBI Handbook of Crime Scene Forensics makes fascinating reading for anyone with an interest in investigative police work and the criminal justice system.

Paradise City Mario Goossens, Karel Van Mileghem, Fabrice Debatty. 2020-01-20 A hopeful exploration

of the healing power of music in the face of devastating loss and violence Includes a link to a music list on Spotify This book explores the healing power of music in relation to some of the world's most devastating conflicts and disasters, showing how music inspires people to rebuild, and restores hope. The authors profile Hiroshima (1945: the atom bomb), Belfast (1969-1998: The Troubles), Detroit (2013: racism and bankruptcy of the city), New Orleans (2005: Hurricane Katrina), Port Au Prince (2010: earthquake) and Kigali (1994: Rwandan genocide).

A swelling culture of control? De genese en toepassing van de wet op de gemeentelijke administratieve sancties in België Elke Devroe.2012

The Holdout Graham Moore.2021-05-11 NEW YORK TIMES BESTSELLER • One juror changed the verdict. What if she was wrong? From the Academy Award-winning screenwriter of *The Imitation Game* and bestselling author of *The Last Days of Night*. . . An ID Book Club Selection •

“Exhilarating . . . a fiendishly slippery game of cat-and-mouse suspense and a provocative, urgent inquiry into American justice (and injustice) in the twenty-first century.”—A. J. Finn, #1 New York Times bestselling author of *The Woman in the Window* It’s the most sensational case of the decade. Fifteen-year-old Jessica Silver, heiress to a billion-dollar real estate fortune, vanishes on her way home from school, and her teacher, Bobby Nock, a twenty-five-year-old African American man, is the prime suspect. The subsequent trial taps straight into America’s most pressing preoccupations: race, class, sex, law enforcement, and the lurid sins of the rich and famous. It’s an open-and-shut case for the prosecution, and a quick conviction seems all but guaranteed—until Maya Seale, a young woman on the jury, convinced of Nock’s innocence, persuades the rest of the jurors to return the verdict of not guilty, a controversial decision that will change all their lives forever. Flash forward ten years. A true-crime docuseries reassembles the jury, with particular focus on Maya, now a defense attorney

herself. When one of the jurors is found dead in Maya's hotel room, all evidence points to her as the killer. Now, she must prove her own innocence—by getting to the bottom of a case that is far from closed. As the present-day murder investigation entwines with the story of what really happened during their deliberation, told by each of the jurors in turn, the secrets they have all been keeping threaten to come out—with drastic consequences for all involved.

Onder valse vlag Pieter Aspe.2009-10-31 .

The Fourth Figure Pieter Aspe.2016-09-13 Nominated for the Hercule Poirot Award: Commissioner Pieter Van In must find the link between members of a satanic conspiracy and a young woman's death A young woman is found dead in the canal outside her Bruges apartment building. But what seems like a clear-cut suicide evolves into something much more complex when Commissioner Pieter Van In uncovers the girl's involvement in a satanic sect. Who is the mysterious Venex, and why does he inspire such devotion from his disciples? Complicating the investigation further, Van In's boss allows beautiful journalist Saartje Maes to profile the case, sparking tension with the commissioner's expectant wife, District Attorney Hannelore Martens. As a horrific tragedy shocks the city, Van In seems to be surrounded by secrets. And though exposing them will lead him to the truth, it will also pit him against the very police force to which he's devoted his life. A Belgian national bestseller, *The Fourth Figure* has been reprinted in Dutch seventeen times. It is the 4th book in the Pieter Van In Mysteries, but you may enjoy reading the series in any order.

The Midas Murders Pieter Aspe.2013-12-03 DIVIn the second novel by the international bestselling Pieter Aspe, Inspector Van In races against the clock to thwart a series of terrorist plots One quiet snow-covered Sunday morning in Bruges, a prominent business executive is found dead in the streets, apparently due to an alcoholic hemorrhage, but for Inspector Van In, there is something

about the autopsy that does not add up. When he questions the businessman's friend, a Dutchman, he too is found dead the next morning, burned to death in a house fire. When there is an explosion in the middle of a popular tourist area in downtown Bruges, Van In strives to find the connection between the three incidents, but no one is coming forward to claim responsibility for this terrorist attack. Just an anonymous letter to the police, threatening more bombings—unless they cooperate with a series of demands that would undermine the entire city government. Aided by the spunky and beautiful assistant DA, Hannelore Martens, Inspector Van In finds himself enmeshed in the case that threatens not just the lives of countless innocent people, but the heart of the city he loves. /div

Nieuwe uitbarstingen Geert van Istendael.1999

A Futile and Stupid Gesture Josh Karp.2006 The ultimate biography of National Lampoon and its cofounder Doug Kenney, this book offers the first complete history of the immensely popular magazine and its brilliant and eccentric characters.

Cold Cases James M. Adcock,Sarah L. Stein.2014-10-29 Because the investigation of cold cases is usually an arduous and time-consuming task, most law enforcement agencies in the United States are not able to dedicate the resources necessary to support the cold case investigation process. However, when those cases are fully pursued and prosecuted, they often result in convictions and lengthy prison terms. Cold Cases: Evaluation Models with Follow-up Strategies for Investigators, Second Edition saves law enforcement time by providing detailed guidelines for determining if a cold case is solvable, and if so, how to organize, manage, and evaluate the investigation. It also provides techniques for developing investigative strategies to complement the evaluation process and resolve the crime. This second edition features a new revised model and methodology for investigating cold cases suitable for all police and public safety agencies—large or small, domestic or international.

This new model is more expeditious and convenient for departments that have less manpower and experience in dealing with cold cases. It emphasizes the prioritization of cold cases based on the availability of physical evidence and the chances of deriving matches from said evidence and an identified person of interest. Additional topics covered in the second edition include: How cases go cold Strategies for creating a cold case unit Cold case investigations in a Dutch educational environment—a chapter written by members of the Dutch Police Academy New forensic science technologies, including DNA, CODIS, and AFIS Case studies demonstrating advances in suspectology Strategies for effective investigative interviewing Challenges posed by staged crime scenes in cold cases How to craft a cold case evaluation report The expert authors of this book maintain The Center for the Resolution of Unresolved Crimes and conduct training and consulting worldwide. Their practical book is designed to help law enforcement agencies resurrect long-forgotten cases, bringing closure to victims and holding accountable those who are responsible. This book is part of the Advances in Police Theory and Practice series

Illuminated Manuscripts from Belgium and the Netherlands in the J. Paul Getty Museum J. Paul Getty Museum, Thomas Kren. 2010 This is a lavishly illustrated survey of the J. Paul Getty's collection of illuminated manuscripts from Belgium and the Netherlands.

Baking Made Easy Lorraine Pascale. 2011-03-12 A tv tie-in with Lorraine Pascale, the model baker.

Flemish Miniatures from the 8th to the Mid-16th Century Maurits Smeyers. 1999 A beautiful overview of the development in style of the miniature. From the anonymous and modest early Romanesque illustrations to the luxurious late Gothic miniatures of Simon Marmion or Lucas Horenbout who, in the fifteenth and sixteenth centuries, exported their Flemish masterpieces as far afield as Spain and Russia. Never before has the reader-viewer been presented with such a complete

overview of the art of Flemish miniatures from the eighth to the sixteenth centuries. Never before has a book presented such a fascinating history of eight centuries of the art of miniatures from the Low Countries. Never before have so many miniatures - more than 600 colour illustrations - been reproduced in one book. This publication offers an overview of the style of the Flemish miniature, from the anonymous and modest early Romanesque illustrations to the luxurious late Gothic miniatures, some of which were exported as far afield as Spain and Russia.

Voices from the Gulag Aleksandr Isaevich Solzhenitsyn. 2010 After the publication of *One Day in the Life of Ivan Denisovich* in 1962, Aleksandr Solzhenitsyn began receiving, and would continue to receive throughout his life, testimonies from fellow survivors of the Gulag. Originally selected by Solzhenitsyn, the memoirs in this volume, by men from a wide variety of occupations and social classes, are an important addition to the literature of the Soviet forced-labor camps. *Voices from the Gulag* records the experiences of ordinary people - including a circus performer, a teenage boy, and a Red Army soldier - whom a brutal system attempted to erase from memory. --Book Jacket.

The Square of Revenge Pieter Aspe. 2013-06-04 The #1 international bestselling crime thriller that introduces Belgian detective Pieter Van In, “a brusque cop with every bad habit you can think of” (The New York Times Book Review). The beautiful medieval architecture of Bruges belies the dark longings of her residents. When the wealthy and powerful Ludovic Degroof’s jewelry store is robbed, nothing is stolen, but the jewels have been dissolved in jars of aqua regia, an acid so strong that it can melt even gold. In the empty safe is a scrap of paper on which a strange square has been drawn. At first, Inspector Van In pays little attention to the paper, focusing on the bizarre nature of the burglary. But when Degroof’s children begin to receive letters with this same enigmatic square, Van In and the beautiful new District Attorney, Hannelore Martens, find themselves engaged in solving

the mystery of a complex web of Latin phrases, a baroness' fallen family, and Degroof's unsettling relationship with a hostage grandchild, who is being ransomed for a priceless collection of art.

Outgrowing the Pain Together Eliana Gil.1992 A groundbreaking recovery program for a happier, healthier intimate relationship--Cover subtitle.

Bouhouche, Beijer, Beuckels en de anderen Guy Bouten.2020-02-04 De jaren met de moordpartijen van de Bende van Nijvel liggen alweer bijna vier decennia achter ons. Net toen de publieke opinie op het punt stond die gruwelijke feiten op de afvalhoop van de geschiedenis te gooien, presenteerden Stijn Coninx en David Van de Steen ons de film 'Niet Schieten', die de harten van alle kijkers beroerde en ons allemaal opnieuw klaarwakker schudde. Het feit dat de moordenaars nooit zijn opgepakt spreekt op zich al boekdelen. Wie of wat kon een doofpotoperatie van een dergelijke, nooit eerder geziene dimensie verklaren? In dit boek worden spijkers met koppen geslagen, worden namen genoemd. Auteur Guy Bouten is niet over één nacht ijs gegaan. Hij wordt alom erkend en geprezen als een van de topexperten op dit terrein. Speurders en magistraten kwamen en gingen, maar Bouten bleef. De waarheden die hij vandaag aan het licht brengt zijn schokkend. De moorddadige overvallen van de Bende van Nijvel waren het werk van een bende geleid door ex-rijkswachter Madani Bouhouche. Hij werd beschermd en gemanipuleerd door hogere rijksnacht- en legerofficieren, terwijl agenten van de Staatsveiligheid voor de nodige rugdekking zorgden. De killers gingen schuil achter de façade van het ondergrondse NATO 'Stay Behind'-netwerk, 'Gladio' genoemd. Deze 'gestructureerde organisatie' - de uitdrukking is van Bouhouche zelf - had tot doel de publieke opinie angstig te maken. In deze periode van Koude Oorlog, met een

communistische vijand aan onze grenzen en de 25 bomaanslagen van de CCC in ons land, was het de betrachting van enkele toppolitici de strijdkrachten te versterken en tegelijk een 'sterke staat' te installeren in België. Maar deze beschermde 'gestructureerde organisatie' werd tegelijk misbruikt door extreemrechts en door een maffianetwerk dat actief was in de drugs- en wapenhandel. Een 'onzichtbare hand' deed daarbij een beroep op huurlingen en allerlei criminelen. De auteur beschrijft in dit boek zijn zoektocht - doorheen een kluwen van geweld, chantage en valse sporen - naar de ware toedracht. Hij ontrafelt het mollenwerk van een aantal speurders en slaagt erin om de zogenaamde 'Killer' te identificeren, verantwoordelijk voor het doden van verscheidene Bendeslachtoffers. Het betreft een meedogenloze huurling, die in 1965 in Congo actief was en van wie de naam recent opdook in het dossier over de mysterieuze dood van de VN secretaris-generaal Dag Hammarskjöld. Guy Bouten maakt ook de memoires van gewezen rijkswachter Madani Bouhouche bekend...

From Bruges with Love Pieter Aspe.2015-07-07 Behind the glamorous facade of elite Belgian society lies a seedy world unseen by the public eye—but nothing stays hidden forever Inspector Pieter Van In is begrudgingly finishing up a healthy lunch when he hears the news: While restoring their farmhouse, the Vermasts have found a skeleton in the backyard. Van In, who happens to be married to the deputy public prosecutor, is determined to solve the case in double-quick time and squeeze in one last vacation before the birth of his first child. But this murder is trickier than it looks. The Vermasts' land belonged to the most prominent businessman in West Flanders before it was suddenly handed over to a right-wing charity. The heavily endowed foundation appears to have no expenditures or investments. So who's financing it—and why? Before he knows it, Van In finds himself in the middle of a complex web—one that involves high-level officials, local law enforcement, and common thugs. The harder he tries to unravel the thread, the more difficult it becomes to

uncover the secrets that the charity's benefactors are trying to hide. This time Van In will have to risk lives to find out the truth.

Britain and the Cold War, 1945-91 Sean Greenwood.2000 During the Cold War, East-West tension, though dominated by the Superpowers, was often conditioned, and in its early stages accelerated, by Britain's continuing world wide interests and influence. Using records released in the 1980s, this text offers an interpretations of this influence.

Immigrant Nations Paul Scheffer.2011-06-20 A defence of the meaning and function of borders and their necessity in the face of authoritarian attitudes to multiculturalism

Bouhouche, Beijer, Beuckels en de anderen Guy Bouten.2020 Onderzoeksverslag naar de bende die in de jaren tachtig België terroriseerde met een aantal gewapende overvallen waarbij 28 doden en twintig gewonden vielen.

A Rumor About the Jews Stephen Eric Bronner.2014-12-16 The Protocols of the Elders of Zion is among the most infamous documents of antisemitism. A forgery created in Russia by the czarist secret police and quickly translated into a host of languages, it portrayed Judaism as a worldwide conspiracy dedicated to the destruction of Christian civilization. The appearance of the Protocols sparked a number of bloody pogroms and it helped shape the thinking of right-wing movements worldwide from Hitler's Nazis to contemporary antisemitic groups in Russia, the Middle East and the United States. A work of intellectual history, *A Rumor About the Jews* by Stephen Eric Bronner expresses the connection between antisemitism and the overarching political assault upon the enlightenment legacy, taking the reader on a historical journey that provides a new and penetrating understanding of an insidious ideology and its broader implications.

[Entropic Empire](#) Lieven de Caeter.2012 What with global warming, the war on terror, extreme

political polarization, an unstoppable demographic explosion and migration, anarchy and chaos are becoming parts of our world system in hitherto unprecedented ways. What to call the planetary state of emergency we are now entering--a New World Disorder, perhaps, or Entropic Empire? In his latest book, the Dutch philosopher, art historian, writer and activist Lieven De Cauter suggests that an entropic empire is created by opposing forces or philosophical poles: the state of exception (tyranny) and the state of nature (anarchy). Entropic Empire: Considerations on the Planetary State of Emergency is part post-historical sci-fi scenario and part philosophical consideration on the eternal return of prehistory (the state of nature). For De Cauter, the simple but troubling question is: are we falling out of history?

Jihad in the West Paul Fregosi.2009-12-04 In a bright and brisk narrative, Paul Fregosi presents the engrossing factual account of the immense and little-known Islamic military invasions of Europe, and the major players who led them, beginning around 660 C.E. Photo insert.

Loden jaren Paul Ponsaers.2018 13 maart 1982. Dinant, Rue de Sax. Twee onbekenden stelen uit een wapenwinkel een zwaar jachtgeweer. 9 november 1985. Aalst, Delhaize. De waanzin van de Bende van Nijvel bereikt zijn hoogtepunt. Acht mensen blijven liggen, neergeschoten, koelbloedig. Tussen beide data zijn er 28 doden gevallen. Het gerecht staat voor een raadsel. Al meer dan 35 jaar wachten de gerechtelijke overheden wanhopig op tips om de bendeleden te ontmaskeren. De overvallen van de Bende van Nijvel laten een onuitwisbaar litteken na op ons collectief geheugen. Dit boek schetst de kroniek van een tijdperk, de 'loden jaren' van de Bende van Nijvel, die aan de feiten van 1982 tot 1985 voorafgaan en er onlosmakelijk verband mee houden. Het is een vorm van criminele archeologie, een absolute must voor wie zich nader wil informeren over de Bende van Nijvel, maar ook - en vooral - het fenomeen wil plaatsen in zijn historische context. Nooit eerder

werd op zo'n indringende en gedocumenteerde wijze een analytisch verhaal geschreven over dit tijdperk. Wat gebeurde er allemaal in die jaren, getekend door de opkomst van extreemrechts? De auteur bespreekt sleutelgebeurtenissen (de opkomst van het Front de la Jeunesse, de brand bij het communistische tijdschrift Pour, de intrede van Westland New Post, de oprichting van Groep G in de schoot van de rijkswacht) en sleutelfiguren (de entourage van toenmalig minister van Defensie Paul Vanden Boeynants, de bendes van Bouhouche en Beijer, Bultot en De Staerke). Ook de voedingsbodem voor de vele complotverhalen komt aan bod. Wie wil ons laten geloven dat de Bende van Nijvel één geoliede militaire groep terroristen is die België moest verzwakken en in schok achterlaten? Wie had hier baat bij? Was het de rijkswacht? Extreemrechts? Politici? Ruziemakende magistraten? Is er ooit echt een staatsgreep voorbereid en door wie? Zijn de materiële aanwijsbare verbanden, door de daders zelf onder de aandacht gebracht, essentieel om van 'de' Bende van Nijvel te spreken? En waarom zouden criminelen hun eigen misdaden signeren, als dat het risico om gepakt te worden en de kans op strafverzwaring verhoogt? Wie was orkestleider van al deze feiten, gevoed en gevoerd vanuit één gemeenschappelijke logistieke pot, wie was die sinistere ceremoniemeester?

Honourable Men William Egan Colby, Peter Forbath. 1978

Silently Seduced Kenneth M. Adams. 2011-09-01 When a parent singles out a child for special privileges and attention, that child is often unaware that the relationship is unhealthy—even incestuous. As adults, these children struggle to feel validated, because while they have not been directly abused, they feel a sense of violation and crossed boundaries—usually done in the name of 'love' and 'caring.' The parent's love feels more confining than freeing, more demanding than giving, more intrusive than nurturing. Yet these children suffer from what psychologist Kenneth Adams calls

The Silent Seduction—because there is nothing loving or caring about a close parent-child relationship that services the needs of the parent rather than the child. In this revised and updated 20th anniversary edition of his groundbreaking book *Silently Seduced*, Dr. Adams explains how 'feeling close,' especially with the opposite-sex parent, is not the source of comfort the image suggests, especially when that child is cheated out of a childhood by being a parent's surrogate partner. He offers a framework to understand this covert incest and its effect on sexuality, intimacy, and relationships, and how victims can begin the process of recovery.
