Lost Love in Christian Romance Vera Pearce.2009-03-01 This book is about tough decisions, choices, and consequences. In this book, Lost Love in Christian Romance, I have tried to convey that the decisions we make today affects our lives tomorrow. Based on choices we make we sometimes lose things, even relationships, that are precious to us; and in many cases, things lost are not retrievable. However, in this story, some were given a second chance. Some ask the question, Why Christian Romance? Well, God is love, and he created man and woman to love him and to love each other, and I believe there should be more of a dialogue from the Christian community on this subject, and I feel that as a result, the youth of today would be able to obtain a better perspective on how to pursue life. I also believe there would be fewer divorces. Regardless of the fact that we sometimes fail, God is The God of a second chance. This book is full of intrigue, inspiration, hope, and yes, romance.

But she hears the whole song, complete with the harsh sounds of discordant notes. Along with everything else she does at the family's lodge, Leah McNamara also finds the time to write music, using it as an outlet for the things she's experiencing in her life. Leah would be perfectly content with her life at the lodge and her music if she wasn't worried about the secrets she's kept hidden from her family that are now threatening to be revealed. If that were to happen, the betrayal her mom and siblings would feel could damage everything. The realization of his dream had been like a beautiful song, until someone else's actions brings it all to an end. Gavin Colley is unsettled, set adrift when the popular contemporary Christian music group he'd founded crashes and burns in a fiery scandal. As he bides his time, waiting for the right moment to ask her to collaborate with him, Gavin finds himself intrigued by the prickly woman. Being around her is the perfect distraction from the mess his career is in. But there's also something more there that he hadn't expected to find when he'd made his way to New Hope Falls. When Gavin shows up at the lodge, Leah knows who he is and what's happened. She has long admired his talent as a fellow musician, so she finds herself getting closer to him than she would normally with a guest at the lodge. Their lives don't harmonize since Gavin's life is on the other side of the country and he's frequently on tour, while Leah prefers being behind the scenes and helping at her family's lodge. [Restoring for Love](#) Judith Anne Staples.2021-10-22 Dave Carmichael and his daughter Peyton had been renovating homes for several years and were considered as among the best designers in the city of Calgary. When Peyton's aunt Julie, a realtor who lived up north, contacted them with an opportunity to restore a Lodge 300 miles away in the foothills of the Rocky Mountains, Dave was skeptical and thought it would be too far away. Peyton was excited though. She knew it would be a huge project, but they enjoyed doing flips, and she would be able to spend time with her aunt and enjoy the outdoors. Dave was finally persuaded and they purchased the Lodge in the small town of Rocky View. Little did they know that it would change both of their lives. Peyton drove the motorhome, packed with tools and equipment for the three-month month period that they were expecting to stay at the site. Dave was driving his pickup. The weather was stormy that day, and Peyton lost Dave along the way. What she didn't realize was that not long after they left home, he was in a serious accident and was taken back to the city in an ambulance. Peyton couldn't reach him online and continued to the Lodge on her own. When she was finally able to speak with him, he said he wouldn't be able to continue with the project, and she would have to do it on her own. Tom McCauley is a handsome young man who is single and the owner of a log home company in Rocky View. He is good friends with Julie and her husband Ed, and is a Christian, involved in church activities and well respected by the people in town. Julie is often trying to find a partner for Tom because he is over thirty and he would like to marry if only he could find the right one. When Peyton tells Julie and Ed about Dave's accident, they are horrified but promise to come and help her with the restoration. Julie contacts Tom to help as well, and when the two of them meet, it is the beginning of their relationship.

For the past few months, Victoria has managed to brush aside Trent Hause's not-so-subtle attempts to flirt with her. Unfortunately, her last two experiences with dating average size men have not gone well, and she's not sure if the third time's a charm or if it will be a strike-out. Trent Hause's feelings for his best friend's sister have grown quite unexpectedly from friendship to something much more. But after several months of her rebuffing his lighthearted attempts to get her to go out with him, he realizes that perhaps a different approach is in order. When the opportunity presents itself for Trent to help Victoria out, he jumps at the chance to show her that underneath his carefree exterior is a man of depth who loves her. Even as she's drawn to Trent, Victoria realizes she has to face the fears and insecurities she's long denied or risk losing her chance at happiness. He isn't overly friendly-alooof being a better description-and he doesn't smile much. But whenever she sees the man, her fingers itch to paint him, and everything within her wants to get past the walls he clearly has in place. Banished to New Hope Falls after the spectacular implosion of his engagement to a socialite in Houston, Charles Beaumont Allerton is way out of his comfort zone and not thrilled about it. Meeting his maternal grandfather for the first time, Beau is introduced to a different way of life in New Hope Falls. One without people at his beck and call. One without all the trappings he's used to. And one that includes a woman with a warm smile, a friendly personality, and a faith that is foreign to him. Sarah is different from the women in Beau's social circle in Houston, which makes her intriguing to him. He won't follow through on the draw he feels toward her, however, because his exile to New Hope is only for a month. Beau still has a year until he can claim his trust fund, and he can't let anything deter him from that goal.
