Makeup Man Michael Westmore, Jake Page.2017-03-01 **Headline:** A peak behind the Hollywood mask by one of its foremost makeup artists In Hollywood's heyday, almost every major studio had a Westmore heading up the makeup department. Since 1917, there has never been a time when Westmores weren't shaping the visages of stardom. For their century-long dedication to the art of makeup, the Westmores were honored with a star on the Hollywood Walk of Fame in 2008. In this lively memoir, Michael Westmore not only regales us with tales of Hollywood's golden age, but also from his own career where he notably transformed Sylvester Stallone into Rocky Balboa and Robert DiNiro into Jake LaMotta, among many other makeup miracles. Westmore's talent as a makeup artist first became apparent when he created impenetrable disguises for Kirk Douglas, Tony Curtis, Burt Lancaster, Robert Mitchum, and Frank Sinatra for the 1963 film *The List of Adrian Messenger*. He later went on to become the

preferred makeup man for Bobby Darin and Elizabeth Taylor, and worked on such movies and TV shows as The Munsters, Rosemary's Baby, Eleanor and Franklin, New York, New York, 2010: A Space Odyssey, and Mask, for which he won an academy award. The next phase of his career was to create hundreds of alien characters for over 600 episodes of Star Trek in all its iterations, from The Next Generation to Enterprise. Replete with anecdotes about Hollywood and its stars, from Bette Davis's preference for being made-up in the nude to Shelley Winters's habit of nipping from a "little bottle" while on the set, Makeup Man will satisfy any Hollywood's fan's appetite for gossip or a behind-the-scenes look at how tinsel town's most iconic film characters were created. Academy Award-winning Michael Westmore has been making up the stars for over fifty years. He frequently appears on the SyFy channel show Face Off with his daughter McKenzie Westmore.

Not Guilty at Nuremberg Carlos Whitlock Porter.2018-07-18
What REALLY happened at the Nuremberg War Tribunals? This book contains shocking evidence that they were little more than lynch-mob proceedings, resulting in the Most Corrupt Trial of The Twentieth Century! It shows that the trials broke every legal precedent and procedure of evidence in the book. Evidence Was Tainted from The Beginning, The Verdicts Planned and Agreed Upon from The Outset. No Cross Examinations of Prosecution Witnesses, Their Presence in Court Not Even Required. Blatantly Fraudulent Documents Were Accepted as Fact Over and Over Again. Impossible Events Were Accepted Into 'Evidence' With No Scientific Proof of Opportunity for Rebuttal. Uninformed people consider the Nuremberg War Crimes Trials as the ultimate proof of the guilt of the German leadership before and during World War II. The transcripts of the proceedings, however, tell an entirely different story. What You Will Read In This Book Is So Astonishing that you may find yourself reaching the Same Conclusion As Have So Many Others When Shown The Truth....

NOT guilty at Nuremberg...

Made in Russia Carlos Whitlock Porter.2013-12-21 A stumbling block for Revisionists, just as it was for the post-war German defendants, is the seeming wealth of documents and testimony assembled by Allied prosecutors for the Nuremberg trials. The more than sixty volumes of trial material which appeared in the wake of the Trial of the Major War Criminals and twelve subsequent trials before the (American) Nuremberg Military Tribunal have for many years supplied a massive compilation of apparently damning evidence against Germany's National Socialist regime. Most Exterminationists, academic and lay, believe that Germany's aggression in beginning the war, and the numerous atrocities and war crimes laid to the German account, above all the alleged Holocaust of European Jewry, are amply documented in the so-called Nuremberg record.

Fateful Months Christopher R. Browning.1991 An important concern in understanding the machinery of the Holocaust is the timing of the decision to put into effect the Final Solution, the systematic murder of the European Jews. This book explores the crucial first steps in implementing the mass murder, including Hitler's role in the decision-making process. The participation of middle and lower middle echelon Germans, and the development of the technology of destruction, in particular, the gas van for use in the death camps. Looking at events from summer 1941 to Spring 1942, Christopher Browning sheds important new light on the historians' debate about how the policy of systematic mass murder emerged.

Costume, Makeup, and Hair Adrienne L. McLean.2016-10-07

Movie buffs and film scholars alike often overlook the importance of makeup artists, hair stylists, and costumers. With precious few but notable exceptions, creative workers in these fields have received little public recognition, even when their artistry goes on to inspire worldwide fashion trends. From the acclaimed Behind the Silver Screen series, *Costume, Makeup, and Hair* charts the development of these three crafts in the American film industry from the 1890s to the present. Each chapter examines a different era in film history, revealing how the arts of cinematic costume, makeup, and hair, have continually adapted to new conditions, making the transitions from stage to screen, from monochrome to color, and from analog to digital. Together, the book's contributors give us a remarkable glimpse into how these crafts foster creative collaboration and improvisation, often fashioning striking looks and ingenious effects out of limited materials. *Costume, Makeup, and Hair* not only considers these crafts in relation to a wide range of film genres, from sci-fi spectacles to period dramas, but also examines the role they have played in the larger marketplace for fashion and beauty products. Drawing on

rare archival materials and lavish color illustrations, this volume provides readers with both a groundbreaking history of film industry labor and an appreciation of cinematic costume, makeup, and hairstyling as distinct art forms.

The Life and Death of Sophie Stark Anna North.2015-05-19

Winner of the 2016 Lambda Literary Award for Bisexual Fiction "I read *The Life and Death of Sophie Stark* with my heart in my mouth. Not only a dissection of genius and the havoc it can

wreak, but also a thunderously good story.”—Emma Donoghue, New York Times bestselling author of *Room* “This novel is perceptive, subtle, funny and lingers in unexpected ways. The analysis of a woman who puts her art above all else is equal parts inspiration and warning story. Anna North makes prose look easy.”—Lena Dunham Gripping and provocative, *The Life and Death of Sophie Stark* is a haunting story of fame, love, and legacy told through the propulsive rise of an iconoclastic artist. Sophie Stark begins her filmmaking career by creating a documentary about her obsession, Daniel, a college basketball star. But when she becomes too invasive, she finds herself the victim of a cruel retribution. The humiliation doesn’t stop her. Visionary and unapologetic, Sophie begins to use stories from the lives of those around her to create movies, and as she gains critical recognition and acclaim, she risks betraying the one she loves most. Told in a chorus of voices belonging to those who knew Sophie best, *The Life and Death of Sophie Stark* is an intimate portrait of an elusive woman whose monumental talent and relentless pursuit of truth reveal the cost of producing great art. It is “not only a dissection of genius and the havoc it can wreak, but also a thunderously good story” (Emma Donoghue). [Nuremberg and other War Crimes Trials](#) R. Harwood.
