**The Sorcery Trial** Claire Luana, J.A. Armitage. 2020-07-23 Welcome to The Faerie Race—an epic adventure through a realm as compelling as it is deadly... Fame. Fortune. Your most extravagant wish granted. These are the prizes promised to the team that wins The Faerie Race, the first and only reality television show to venture into the dangerous realm of the fae. But that's not why Jacqueline Cunningham wants in. She's after any sign of her sister—who vanished without a trace into the faerie world two years ago. Jacq thought getting into the race would be the hard part. But she didn't count on the other competitors—who will stop at nothing to finish first. Or her distractingly-handsome jerk of a partner, who seems to be hiding secrets of his own. Plunged into a world where everything wants to kill her, what starts as a hunt for the truth turns into a desperate contest for survival. Now that Jacq's in the race, it will take all her wits to make it to the finish line alive. The Sorcery Trial is Book One in The Faerie Race, a nail-biting, edge-of-your-seat thrill ride through a realm unlike you've ever seen. Scroll up and one-click to start the adventure! Read the Complete Series: The Sorcery Trial (Book One) The Elemental Trial (Book Two) The Doomsday Trial (Book Three) Or read the whole series for one low price, plus a bonus novella: The Faerie Race Box Set

**Heart Blade** Juliana Spink Mills. 2017-02-10 The Heart Blade will rise in light, or in darkness. Teenage half-demon Del Raven wears a promise in scarred letters upon her skin. Now, pressured to make her first kill and seal her demon nature forever, she flees her pack and forges a dangerous partnership with young angel-blood Ash. But Del isn't the only one on the run from the demons. For seventeen years the Guild of Saint Peter has done its best to hide orphan Rose, a key player in the centuries-old Heart Blade prophecy. The threads tangle, and soon Del, Ash and Rose find themselves in the crosshairs of an ancient war between demons and angels...and the hunt for a mythical weapon that could change the balance of power forever.

**Outlasting After** Lk Magill. 2019-03-29 There were no women left. He was sure of it. After the war, Cole Tanner was pretty damn certain they were all dead. Hell, he and his unit hadn't seen one in years. But then there she was. A woman. All alone, standing in the middle of the road. His road. She looked so haunting. So hungry and dirty, and well... vulnerable. He was going to help her, really he was. And for a split second, he wondered just how she'd survived. Then she leveled the gun at him... and he had his answer. Damsel in distress? Apparently not. But that didn't change things, not how Cole saw it. No, she still needed him and his team... same as they needed her. And Cole was nothing if not good at convincing people to follow him. Or at least, he used to be. So he'd try his hand one more time, and hope like hell she didn't pull that trigger. Get your copy of Outlasting After now, because Cole's time has always been running out.

*The Well of Shadows* Sabrina Blaum. 2021-10-16 Aimee and Dylan follow up on a new lead in their hunt for a long-lost tome that might alter the very fabric of their reality. Along the way they strike up an unexpected, yet crucial alliance that adds an unforeseen complication to Aimee's otherwise monotone existence. Meanwhile, Christina Morgen is set to take over the Council of the Living, a role she's been dutifully preparing for all her life. Her peaceful ascension to ruler of Saltung is jeopardized when the Tarung, a rebel group questioning major tenets of their society, rises in popularity and threatens Christina's orderly world. The Well of Shadows reveals secrets and challenges long-held beliefs as it hurtles its characters on a dangerous and magic-filled quest that sees them striving for a better future, only to force one of them to make the ultimate sacrifice.

**More Than a Game** Andrey Vasilyev. 2017-02-13 Step into a future, in which advanced technology creates a virtual world, with superior capabilities that allow players to experience real-world sensations. The popularity of the RPG game Fayroll is growing by the day, attracting millions of users to this alternate reality. What is the secret of Fayroll? What makes it so different from other games? Our protagonist, Harriton Nikiforov is an everyman - a binge drinking, tabloid column reporter who has settled for the humdrum of the everyday, with a job that pays the wages, a neurotic girlfriend who gives him migraines and a boss that gives him constant grief. Tasked with a new assignment, Harriton suddenly finds himself ripped away from his normal routine of Moscow society life, to a journalistic quest of sorts that leads him deep into the realm of the Virtual Gaming World of Fayroll. Given explicit orders to write a series of fluff pieces on the game and its developers, Harriton grudgingly accepts the assignment, but soon finds himself enthralled by the virtual fantasy world and its amazing quests, unpredictable challenges, and nearly endless possibilities. Harriton is reincarnated as a warrior named Hagen and becomes a full participant in the fantasy world, plunging into the exciting world full of action, quests, humor, legendary weapons and ancient secrets. He meets faithful and courageous comrades and outwits those who are trying to hunt him. In this world, the thirst for success and vanity of high-level players in pursuit of legendary objects spills into the real world, where high-stakes bets are made on the success of the virtual characters. Harriton, as Hagen, unwittingly enters into the Fayroll world, where events and decisions that he makes in the virtual space starts to affect his own reality. His unpredictable character, perseverance, and excitement attract the attention of powerful gamers and influential Moscow elite with a vested interest in Fayroll's outcome. It is not long before he realizes that this fantastic world, (created according to the best canons of cult games, Warcraft and Lineage), conceals many dangers. Can he pass all the tests? Fayroll is more than a novel; it's a brilliant synergy of fantasy fiction and online gaming. It gives the reader the best of both worlds. The first novel of the 13 part epic series Fayroll, has captivated Russian readers countrywide and was voted the 2014 new fantasy book of the year. Andrey Vasilyev's masterpiece 'More Than a Game' is now available to the English-speaking World. Join us in this breathtaking narrative that takes both its main character and the reader deep into the heart of the Virtual Gaming Universe and explore the Fantasy Series that has captured the imagination of the Slavic world.

**Death's Awakening** Sarra Cannon. 2013-07-05 I never dreamed the world would end this way... Sixteen-year-old Parrish Sorrows is nothing special. She lives in the shadow of her prodigy sister, ignored by her parents and shunned as an outsider at her private school. But today, everything changes. Today, on the other side of the country, a portal to another world opens. A man and a witch step through, both tied to Parrish in ways she could never have imagined. Because of their actions, an ancient evil awakens, spreading a virus that will kill millions in a matter of weeks. When the dead begin to rise, survivors must battle an enemy they can't even begin to comprehend. But as the world is dying, a mysterious power inside Parrish

is reborn. A power that proves she was special all along. A power that shows she's the key to saving what's left of the world. ...and she's not the only one. Told from alternating points of view, Death's Awakening is equal parts fantasy and horror, witches and zombies, love and loss. It is the story of five extraordinary survivors struggling to realize their destiny as they fight against the darkest evil this world has ever seen. Praise for Death's Awakening: "Imagine Stephen King's The Stand hooks up with a dark fairytale and begets The Walking Dead." ~Goodreads Review "A Brilliant, different take on a zombie apocalypse." ~Goodreads Review "This book is action packed, hair raising, spine tingling, and completely awesome. I loved every single minute of it and couldn't put it down!!!" ~Nerd Girl Reviews

*The Heir Comes Forth* R S Gullett.2017-08 The king has been murdered, a usurper seizes the throne, and the kingdom faces utter destruction unless

the true heir can be found. Six individuals from different walks of life are drawn into the quest to find the lost heir and help him in his claim to the throne. A young man seeking adventure, a repentant assassin seeking to find his lost sister, a princess trying to discover her father's killer, a usurper seeking revenge for his family's murder, a young man yearning for approval from his father and seeking his place in the kingdom, and an exiled warrior trying to restore his honor and rescue his beloved. Finally finding the heir, the kingdom is torn apart as people choose whether to support the usurper or the true heir. Each individual is confronted with a choice also: to seek their own or take a chance on faith in something greater.

**Issaura's Claws** Katharine Wibell. 2016-11-29 According to legend, when the world was young, the goddess Issaura appeared among men. Those who treated her with kindness received the gift of the gods--the ability to transform into an animal form. This was a great honor but one that separated this race from other humans. Before Issaura departed the mortal realm, she promised to return if her people were ever at the point of destruction. Now a threat is rising from a land across the mists of the ocean, a threat that will push this race to the brink of extinction. Responding to the call to war, seventeen-year-old Lluava heads off to find her destiny, one that will carve her name in history. The Kingdom of Elysia consists of two races: the dominant race of humans and the native race of Theriomorphs who can shift into animal form. Although law dictates equal treatment, they neither like nor trust each other. Now brutal and ruthless Raiders are approaching; there is only one chance to defeat them. An army must be raised and trained. An army where each human will be paired with a Theriomorph partner. An army that must fight as one to defeat their common enemy. Women are not warriors. However, Lluava is not like other women - human or Theriomorph. Her animal form is a magnificent beast whose power and fury she must learn to control. Although Lluava endures intense physical training and strives to overcome the doubts of the male recruits, she faces an unexpected adversary in the commanding general who seeks to break both her spirit and her body. At the paring ceremony, Lluava is humbled when presented with a unique and ancient weapon. Yet she becomes distraught and angry when her human partner is revealed. If they fail to trust each other, the consequences will be devastating. Death and destruction are on the horizon and time is running out. The Incarn Saga is a young adult fantasy series inspired by ancient myths, filled with fast-paced action and adventure, and enriched by an understanding of animal behavior that defines the shape-shifting Theriomorphs.

**Shades of Betrayal** U. W. Baker. 2022-03-15 Shades of Betrayal follows the fortunes of a compelling cast of characters in Poland, Germany, France, and England. Starting in peacetime, the saga unfolds over the six-year nightmare that ensues after Hitler invades Poland. From the underground soldiers of the Home Army, who surreptitiously defy Hitler in Poland; to the fighters of the French Resistance; to the daring pilots of the RAF; to the dauntless women who engage on countless fronts, these complex people cling to their dreams and yearn for love in the midst of horror. But the evil forces arrayed against them warp their lives, break their hearts, and smash their hopes as one betrayal after the next mounts in all their lives, leading to the ultimate treachery of Poland's delivery to Stalin's dictatorship at the war's end. Told from a shifting array of fascinating, disparate perspectives, Shades of Betrayal offers a unique view of World War II that deeply explores the personal impact of war and explores the power and beauty of the human spirit and its capacity for love, hope, and healing.

**The Dragon Wakes** Sarah Dalton. 2016-11-26 The Dragon Wakes is the first book in new fantasy series, The Land of Fire and Ash. It will enchant fans of sword and sorcery, and classic coming-of-age fantasy books. In the Kingdom of Estala, sorcerers called the Menti are outlawed, and religious fervour spreads throughout the realm. When Reva Avalon's parents are murdered during the Menti uprising, King Davead of Estala takes her into his care. But instead of marrying Prince Luca, as the King promised, she is sold to the severe General Unna of the King's army. When she is abruptly released from his clutches, Reva embarks on a journey through Estala, with more adventure, danger, and heartbreak than she could ever have

imagined. Prince Luca, the king's second son, has always lived in the shadow of his beloved older brother. Sickly and weak, Luca fears he may be on his deathbed, but in a shocking turn of events, Luca finds himself at the centre of a power so great it may consume him. Luca must learn to control his powers in order to hide them, but can he hide his new gifts of sorcery from his father? After receiving a dire warning that his sovereignty will be usurped by a Menti, King Davead decrees that all sorcerers must be put to death. In doing so, the king enlists violent religious sect the Order of Insight, led by his feared son, Stefan the Snake. But as the Order grows in strength, it leaves King Davead vulnerable to those he fears the most. The Land of Fire and Ash is a new world built on the tales of dragon kings and fire wielding sorcerers. Some long for the return of the dragons... Others fear it will be the end of the world as it is known.

**Siren's Call** Jessica Cage.2023-07-13 A Siren for a mother, A Warlock for a father, and a Family tree that wants her dead?Snatched off the street and drugged, Syrinada wakes strapped to a bed with a predator in the next room. At that moment, a side of her, she never knew existed emerges. While

relieved to be free, she finds herself plagued by questions she can't answer. When Malachi—a longtime friend—witnesses her tapping into this unknown power, he steps in to help. Soon she realizes he knows far more about her heritage than he lets on. After diving into secrets of the past, mounting truths of fin and scales challenge everything Syrinada thought she knew. Despite Malachi's warning to stay hidden, the call of her newfound heritage is a strong one. Can Syrinada deny her welling urges? Or will the ravenous darkness closing in consume her?

Becoming the Dragon Alex Sapegin. 2017-12-08 From now on he's got two hearts beating in his scale-clad chest, and two mighty wings on his back. In the faraway planet of two moons, he was born again as a dragon... but would it make him any less human? The *Dragon Inside*, a bestselling series by Alex Sapegin, is comprised of a total of four books: - *Becoming the Dragon*- *Taking Wing*- *A Tale of Violence*- *Three Wars* It is a saga of portal traveling, bodily transformations, reincarnation and epic combat, but first and foremost a story of discovering and reclaiming one's true self. Having unwittingly stumbled into the site of a scientific experiment, Andy gets teleported to the faraway planet of Ilanta, inhabited by both human and supernatural beings. In this new world, he will encounter all kinds of exciting adventures and grim challenges, mastering his newly developed magic skills, befriending orcs, elves, and dragons, fighting the good fight, and eventually continuing on his quest for justice reincarnated as a dragon. It was obvious right from the get-go that destiny has something unique in store for Andy Kerimov, a small-town teenager who survives a direct strike from lightning which leaves him with immunity to electronic devices and extraordinary magic powers just waiting to be released. Teleported to the fairytale world of Ilanta, Andy gets no cordial welcome: he is captured, chained up and sold into slavery -- but not before he accidentally activates an ancient artifact and sets Karegar the Dragon free, who would later become his mentor and foster father. When fatally wounded, Andy chooses to undergo an ancient ritual to be reborn as a dragon, a.k.a. a Master of Heaven. He will have to go a long way before settling into his new body and mastering his newly acquired powers. On his way, he will make loyal friends and bitter enemies, going through fire and ice, defending the right and taking the weak under his wing. Little does he know that he is destined to play a central part in an epic conflict soon to break out where the future of the two planets, as well as his now-faraway homeland, would be at stake...

Blood and Shadows Dayne Edmondson. 2013-08 Shadows stretch across the land as the denizens of the underworld unite under a single deadly leader and threaten to bathe the magical kingdom of Tar Ebon in blood, dooming mankind. To answer the threat comes Dawyn Darklance, the champion of the king and time bender. Along with his companions, the fierce druid Anwyn, the fiery mage Alivia and the flamboyant minstrel Favio he must travel across the terrified Kingdom to bring justice upon the leader of the assassins, Lord Garik, and his allies, the mysterious veiled assassin and arrogant mage. Along the way, Dawyn and his companions will encounter dangerous enemies, stout allies and uncover a secret threat that could yet doom the world. This novel, the first in a series by a talented novelist, introduces readers to the world of Tar Ebon, a place where magic pervades and dangerous creatures lurk in the far reaches of the world. This book will leave you entranced by the characters and begging for more.

The Fall of Lilith Vashti Quiroz-Vega. 2017

*The Critical Essays* Dionysius (of Halicarnassus.). 1974 Dionysius of Halicarnassus had migrated to Rome by 30 BCE, where he lived until his death some time after 8 BCE, writing his *Roman Antiquities* and teaching the art of rhetoric and literary composition. Dionysius's purpose, both in his own work and in his teaching, was to re-establish the classical Attic standards of purity, invention and taste in order to reassert the primacy of Greek as the literary language of the Mediterranean world. He advocated the minute study of the styles of the finest prose authors of the fifth and fourth century BCE, especially the Attic orators. His critical essays on these and on the historian Thucydides represent an important development from the somewhat mechanical techniques of rhetorical handbooks to a more sensitive criticism of individual authors. Illustrating his analysis with well-chosen examples, Dionysius preserves a number of important fragments of Lysias and Isaeus. The essays on those two orators and on Isocrates,

Demosthenes and Thucydides comprise Volume I of this edition. Volume II contains three letters to his students; a short essay on the orator Dinarchus; and his finest work, the essay *On Literary Composition*, which combines rhetoric, grammar and criticism in a manner unique in ancient literature. The Loeb Classical Library also publishes a seven volume edition of *Roman Antiquities*, by Dionysius of Halicarnassus, a history from earliest times to 264 BCE.

*Theonite* M. L. Wang.2016-05-02 Joan Messi has spent thirteen lonely years hiding her supernatural abilities from her parents, her classmates, and everyone in her white bread suburban community. However, her little world of secrets is shattered when a pair of strangers arrive from a parallel dimension on the hunt for a nameless criminal. Now, after a lifetime of wondering how she got her powers, Joan might have found the beginnings of an answer. For Daniel Thundyil and his father, elemental powers and ego-maniacal supervillains are nothing new-although this is the first time a mission has brought them to a parallel dimension. Daniel's main concern in this new world isn't the looming threat of a godlike killer; it's fitting in at a school where the food is flavorless, everyone writes backwards in an ancient alphabet, and all the racial hierarchies seem to be reversed.

*The Dragon's Blade* Michael R. Miller.2015-11-10 Compelling and enjoyable the British Fantasy Society Dragons once soared in the skies, but that was before the Transformation, before they took human form. Now, demonic forces stand to obliterate them. When left mortally wounded, Darnuir, the Prince of Dragons, can only be saved through a dangerous rebirthing spell. He is left as a babe in human hands. Twenty years later, Darnuir is of age to wield the Dragon's Blade. As the last member of his bloodline, he is the only one who can. He is plunged into a role he is not prepared for, to lead a people he does not know. Shadowy demons ravage his new home and the alliance between humans, dragons and fairies has fractured. Time is short, for new threats and deadlier enemies are emerging...

They rule Ocëllus, also known as the Royal Waters. News quickly arrives of O'Marilla's murder and the waters become a state of panic. Darya, the daughter of O'Marilla, arrives in Ocëllus to take her position as Odessa but unawares to anyone, she is not the first-born daughter. A single member of royalty and Priestess Noelani are always pulled to the next Odessa, but so are the murky sea witches who use hounds to do their dirty work. So, with a woman up on land unawares to how important she is, the hunt for her begins before she gets into the wrong hands. Who will find her first? And will Asia be able to find the one thing she needs in order to claim her sorcery so she can make the waters perfect again?

*The Sword of Kaigen: A Theonite War Story* M. L. Wang.2019-02-13 Better to die sharp in war than rust through a time of peace. A mother struggling to repress her violent past, A son struggling to grasp his violent future, A father blind to the danger that threatens them all. When the winds of war reach their peninsula, will the Matsuda family have the strength to defend their empire? Or will they tear each other apart before the true enemies even reach their shores?High on a mountainside at the edge of the Kaigenese Empire live the most powerful warriors in the world, superhumans capable of raising the sea and wielding blades of ice. For hundreds of years, the fighters of the Kusanagi Peninsula have held the Empire's enemies at bay, earning their frozen spit of land the name 'The Sword of Kaigen.'Born into Kusanagi's legendary Matsuda family, fourteen-year-old Mamoru has always known his purpose: to master his family's fighting techniques and defend his homeland. But when an outsider arrives and pulls back the

curtain on Kaigen's alleged age of peace, Mamoru realizes that he might not have much time to become the fighter he was bred to be. Worse, the empire he was bred to defend may stand on a foundation of lies. Misaki told herself that she left the passions of her youth behind when she married into the Matsuda house. Determined to be a good housewife and mother, she hid away her sword, along with everything from her days as a fighter in a faraway country. But with her growing son asking questions about the outside world, the threat of an impending invasion looming across the sea, and her frigid husband grating on her nerves, Misaki finds the fighter in her clawing its way back to the surface.

The Elementalist T. M. White. 2019-10-08 A disgraced pilot saved by elemental magic. A jaded spy haunted by his past. Occult forces threatening to ruin them both. All Voi wants is to fly her plane and live a decent life, but something stands in her way: emelesia, a rare condition likely to land her in a mental asylum. Forever. Then comes Mr. Callahan, the mysterious agent who convinces Voi to spy for a cure. The catch? She has untapped elemental powers, and the enemy is psychic. Desperate for a remedy, the aviatrix trains for a dangerous mission, wary of the person she's being molded into. The threat of coercion hovers constantly: become an elemental agent, or face the asylum. Meanwhile, Voi struggles with unusual side effects—from overwhelming urges to unintentional manifestations of her powers, due to unchecked emotions. Between learning how to control her abilities, Mr. Callahan's growing reluctance towards her potential, and dealing with psychic revolutionaries... becoming an elementalist seems less and less appealing. Can Voi and her handler learn to trust one another, or will the machinations of paranormal politics lead to their undoing? The Man in the High Castle meets Avatar: The Last Airbender in a dark epic of espionage and elemental magic. *The Elementalist: Rise of Hara* is T. M. White's debut novel and the first in the *Elemental Spies* series.

The Clockwork Cathedral Heather Blackwood. 2013-05 Book 1 of *The Time Corps Chronicles* Medical student Felicia Sanchez is only trying to help an injured man when she slips through a time rip and into 19th century New Orleans, one very different than the one she knows from history books. The only person who can get her home is Professor Seamus Connor, a former convict seeking a quiet life of obscurity. But even the mad Irishman knows that recreating a freak accident is next to impossible. With the help of a local street urchin, they discover that their problems run deeper than solely getting Felicia back to her own time. The three of them must unravel the secrets of a steam engine that operates upon a scientific impossibility and the mysteries of a grand cathedral at the center of town, where clockwork automatons perform for rapt audiences. But can a convict, a guttersnipe and an accidental time traveler prevent the destruction of a city and the death of thousands? Others are watching, and Felicia may not be the only time traveler in New Orleans.

Fae Song Deonne Williams. 2020-02-08 Life and time itself might be forever changed for them both. If you root for The Bard in *The Witcher*, *Fae Song* is your next binge. *Fae Song* is an artistically written fantasy adventure. The characters are robust and lively, and the world of Balahar is brilliant; the reader is easily pulled into the action filled epic journey. Love, loss, and sacrifice can be powerful when music and adventure weave with magic and romance. Lana Mowdy PhD The ancient Imperial trade road snaking toward the horizon would have daunted many but to Gwynn its dust tasted of freedom. Her days would no longer be ruled by endless lessons. She had bested the greatest bards of Balahar and was on her own, free to follow the road into the green. That is until she heard the exhausted hoofbeats of the dark warhorse bearing its dying rider into her camp. The dazzling realm of the Fae Royal Court of Heralith awaits them if only she can muster her skills both learned and hidden.

Radioactive Evolution Richard Hummel. 2018-11-16 How far would you go to change humanity's fate? Jared Cartwright has spent the last two years delving into the scarred wastelands of an earth ravaged by war. To face his reality, Jared must become an apex predator if he hopes to survive. He must evolve beyond human limitations. Jared's quest takes a new turn when he discovers dragons are real.

**The Girl of Dorcha Wood** Kristin Ward. 2021-04-13 Treacherous. Evil. Dark. Dorcha Wood is all of these things. And none of them. The people of

Felmore talk of Dorcha Wood in whispers, if they speak of it at all, fearing the wrath of the Cú-Síth should their words be carried on the wind. Those murdering beasts still roam the darkness of the forest, the last remnants of the cursed Aos Sí, a race of elves, long since vanished from the world. But to seventeen-year-old Fiadh, it is home. Haven. A forest whose secrets become known only when it chooses to reveal them. Her life is one of balance until the outside world shatters it. From the moment Fiadh set eyes on Gideon, the peaceful rhythm of her life was lost. As a new path unfolds, Fiadh confronts the reality of old hatreds, the consequences of things hidden, and the truth of who she really is.

**A Nighttime of Forever** Matthew S. Cox. 2018-02-10 Sarah Wright woke up a few times after parties in strange places—but the morgue's a first. At eighteen, she's eager for a taste of independence, moving out of state to attend college. A change of scenery is extra-needed due to a bad breakup with her boyfriend, Scott. However, soon after escaping the body cooler, she makes two startling realizations: vampires are real, and she is one. There's nothing quite like an untimely death to ruin plans. California's sunny beaches aren't the best place for vampires to chill, and worse, not only does she wind up stuck in Seattle, she's still living (figuratively) with her parents. They take the news surprisingly well—after all, it's better than burying her—even helping move her bedroom to the basement. A disinterested sire, distraught friends, nosy Men in Black, and awestruck younger siblings complicate her adjustment to the new normal of being an immortal still subject to her parents' rules. Undeath has its perks, but it also brings enemies. Without a copy of 'Fangs for Dummies,' Sarah's left scrambling for answers when one such new enemy attacks her siblings and friends. If she can't figure out how to vampire, her attempt to spare her family the grief of losing her may wind up killing them
