Petr Eben: 33 Czech Folksongs for Pupil & Teacher Pupil's Part Peter Batchelar.1998-02 Teacher's score - Petr Eben has encouraged and approved these arrangements for two-guitars, pupil and teacher. The student always plays the original melody which is often repeated in a different register allowing for the playing of complete melodic phrases with the thumb. A feature of these arrangements is the early and frequent use of the second and third positions, and to a lesser extent, positions four to five; this is done for essentially musical reasons and teachers are advised to follow the suggested left hand fingering. Right hand fingerings are given to show whether a phrase should begin with the index or middle finger or the thumb.

The Oboe Geoffrey Vernon Burgess, Geoffrey Burgess (oboist.), Bruce Haynes, Instructor of Baroque Oboe Geoffrey Burgess, MR Geoffrey Burgess, Obo. 2004-01-01 The oboe, including its earlier forms the shawm and the hautboy, is an instrument with a long and rich history. In this book two distinguished oboist-musicologists trace that history from its beginnings to the present time, discussing how and why the oboe evolved, what music was written for it, and which players were prominent. Geoffrey Burgess and Bruce Haynes begin by describing the oboe's prehistory and subsequent development out of the shawm in the mid-seventeenth century. They then examine later stages of the instrument, from the classical hautboy to the transition to a keyed oboe and eventually the Conservatoire-system oboe. The authors consider the instrument's place in Romantic and Modernist music and analyze traditional and avant-garde developments after World War II. Noting the oboe's appearance in paintings and other iconography, as well as in distinctive musical contexts, they examine what this reveals about the instrument's social function in different eras. Throughout the book they discuss the great performers, from the pioneers of the seventeenth century to the traveling virtuosi of the eighteenth, the masters of the romantic period and the legends of the twentieth century such as Gillet, Goossens, Tabuteau, and Holliger. With its extensive illustrations, useful technical appendices, and discography, this is a comprehensive and authoritative volume that will be the essential companion for every woodwind student and performer.

The collection contains airs, well known songs, polkas, slip jigs, slides, double jigs, hornpipes and reels, all of which are specially arranged by the author with the beginning/intermediate mandolinist in mind. on the CD, the tunes are played 2 or 3 times, so you can really get into the feel of the tune, when playing along. the speed of the tunes is quite slow, but not so slow as to take away from the essential feel of the music. Irish music is rightly popular all over the world. the haunting beauty of the slow airs and infectious foot-tapping rhythms of jigs and reels are here to be discovered in this selection of great traditional music.

A Walk in an Irish Garden David Overton. 2019-10 (Southern Music). This collection of songs were written and arranged for Sir James Galway as concert pieces by David Overton, his longtime arranger. They are all based to some extent on traditional Irish Melodies. The first three are contrasting tunes: Spinning Song, the beautiful slow melody She moved through the fair, and the more up-tempo Star of the County Down. These were so successful in the original flute and piano version, as printed here, that Overton was requested to write versions for strings and for orchestra, which were equally successful and have formed a regular part of Galway's concert repertoire. Badinereelerie is more light-hearted work, first written for Sir James Galway in 1984. Since then, he has played it countless times as printed here, and in a version for flute and orchestra. The surprising mixture of Bach (and Handel and others) with reels and Irish traditional tunes, and even a few English traditional tunes thrown in for good measure, has delighted audiences all over the world. The piece's rousing conclusion includes an optional switch to penny whistle, a practice that Galway writes, I have always taken advantage of.

Complete Irish Fiddle Player PETER COOPER.2010-10-07 In his preface, the author reminds the reader that this is not a book for the absolute beginner. Even the experienced player may not get it on first reading a given tune, but You can expect to enjoy the process of learning... [and experience] the joy of recreating a traditional tune, of making it your own. This is the teacher/ student pact in effect throughout this marvelous book, written for the literary as much as the musical connoisseur. Although no classical violin experience is needed, you will need to know how to hold the fiddle and bow, and be able to play at least simple tunes in the first position.
