The Magic of a Name Peter Pugh.2002 Shows how Rolls-Royce took the courageous decision to invest in a family of engines. Their resolve was severely tested in the recession of the early 1990's, but the rewards came through from the mid-1990s onwards, winning large orders all over the world.

In Turbulent Skies Peter Reese.2020-01-24 In 1945 confidence in British aviation was sky-high. Yet decades later, the industry had not lived up to its potential. What happened? The years that followed the war saw the Brabazon Committee issue flawed proposals for civil aviation planning. Enforced cancellations restricted the advancement of military aircraft, compounded later on by Defence Minister Duncan Sandys abandoning aircraft to fixate solely on missiles. Commercially, Britain's small and neglected domestic market hindered the development of civilian airliners. In the production of notorious aircraft, the inauspicious Comet came from de Havilland's attempts to gain an edge over its American competitors. The iconic Harrier jump jet and an indigenous crop of helicopters were squandered, while unrealistic performance requirements brought about the cancellation of TSR2. Peter Reese explores how repeated financial crises, a lack of rigour and fatal self-satisfaction led British aviation to miss vital opportunities across this turbulent period in Britain's skies.

BAC One-Eleven Stephen Skinner.2013-07-01 In August 1963, one of the best-selling aircraft of British civil aviation, the BAC One-Eleven, took to the skies for the first time. With an order book for sixty aircraft, more than half were from the United States, which was an unprecedented situation for a British civil aircraft. The first project for the newly formed British Aircraft Corporation, the One-Eleven was wholly designed and built by BAC, and remained in production throughout the entire

seventeen-year history of the organisation, performing strongly even when profits were at a low. After flying commercially in Europe for the last time in March 2002, here the One-Eleven is celebrated in style.
