

La Prison Sans Murs

The Biography of Mdlle. Rachel John Darcie.1855

Le refus d'être coupable! Makaiboo Ousmane Somah.2022-02-14

Se taire ou faire semblant de ne pas voir ou entendre les jérémiades de la masse autour de soi dans un contexte mondial de crises perpétuelles et croissantes peut s'avérer suicidaire. Nulle personne ne peut prospérer sur un îlot de misères, tant qu'elle ne se donne pas à elle-même ses propres chances de sa survie. La survie passe par la fédération avec son environnement et la contribution à son épanouissement.

Notes de voyage Thérèse Bentzon.1896

David notre fils, plus fort que la drogue Patricia

Lambert.2017-09-14T00:00:00Z Elle hante toujours mon esprit, cette image de deux cadavres ambulants, plutôt que des êtres vivants, face à tous ces magistrats vêtus de noir. Et le verdict résonne encore dans ma tête à l'énoncé de leurs condamnations pour trafic de drogue : quatre ans ferme pour notre fils et du sursis pour sa compagne. J'aurais dû être une mère éplorée ce jour inoubliable de janvier 2012, quand notre fils a quitté ce tribunal, menottes aux poignets, encadrés de policiers, pour être conduit en prison. Pourtant, malgré ma tristesse, je me suis sentie soulagée, libérée enfin d'un long cauchemar. Pendant plus de quinze ans, notre fils a été toxicomane mais nous ne l'avons jamais laissé tomber et il est toujours resté debout. C'est l'année 2011 qu'il s'est effondré pour ne plus se relever, du jour où il a rencontré Hel une jeune toxicomane. Unis pour le pire, ils m'ont inspiré le titre de mon premier livre retraçant l'enfer où ils nous ont conduit, dans leur seule obsession de se procurer leur drogue du lendemain. Finalement, ce que j'espérais au fond de moi se réalisait ; la prison restait le seul moyen de mettre fin à ce couple machiavélique et, surtout, la seule issue pour sauver notre fils

d'une mort certaine. Voilà plus d'un an qu'il purge sa peine et la prison va changer notre destin en croisant, sur son chemin, une main tendue lui offrant sa dernière chance.

Textual Spaces Andrew Rothwell.1989

Zone Guillaume Apollinaire.2015-11-24 Zone is the fruit of poet-translator Ron Padgett's fifty-year engagement with the work of France's greatest modern poet. This bilingual edition of Apollinaire's poetry represents the full range of his achievement from traditional lyric verse to the pathbreaking visual poems he called calligrams, from often-anthologized classics to hitherto-untranslated gems, from poems of cosmic breadth to a poem about his shoes. Including an introduction by the distinguished scholar Peter Read, helpful endnotes, a preface, and an annotated bibliography by Padgett, this new edition of Apollinaire stands out not only for its compact and judicious selection of the essential poems but also as the work of an important American poet. The Washington Post has said, "No praise can be too high for Ron Padgett's translations."

Micropolis - Tome 1 Nicolas Marjault.2020-02-07 Portrait de la jeunesse de Niort, une commune vivante qui n'a pas fini de se renouveler. « Si la salle du conseil municipal de Niort avait été une église, le citoyen aurait pu y jouer de l'orgue. De son perchoir, il avait une vue panoramique sur l'ensemble de la nef... Une scénographie prémonitoire qui aurait comme anticipé l'irréversible déclin du politique... Une scénographie limpide comme toutes les mises en scène religieuses car chacun sait que les croyants ne sont pas là pour réfléchir. Les élus de la majorité étaient donc disposés en fer à cheval, le regard tourné vers

l'autel. Ainsi, aucun ne pouvait échapper à la vigilance du mâle dominant. Le choix du fer à cheval avait aussi l'avantage de dégager une fosse centrale réservée à l'opposition... Avec un rapport de force qui ne laissait aucun doute sur l'issue de la célébration... Trois douzaines d'élus majoritaires encerclaient neuf élus d'opposition... Avec une telle disposition, chaque messe municipale s'achevait nécessairement par l'absolution... » Nulle part à Niort est un polar politique sans flingue et sans flic, car, dans ce monde-là, les morts n'intéressent plus personne.

Découvrez le vrai Niort des années 2010 grâce à ce premier volume d'une trilogie policière aux allures de farce. EXTRAIT Il n'aurait dû se tenir là qu'à la toute fin de l'histoire, le cul sur le formica et les pinces autour des poignets. Et pourtant il s'était présenté aux premières heures du jour comme un fonctionnaire viendrait pointer. Il aurait dû protéger son statut, sa famille, son clan et pourtant même dans un confessionnal, n'importe lequel d'entre nous se serait moins confié. Il aurait dû avoir l'allure négligée de l'homme préoccupé et pourtant, des Paul Smith jusqu'au nœud de cravate, tout était parfaitement ajusté. Il aurait dû plier et replier les jambes sous la table et pourtant, même le vieux trombone retenu prisonnier depuis des années par le faux parquet pouvait témoigner qu'exceptionnellement, au ras du sol, un calme olympien régnait. Il aurait dû chercher du regard un signe du ciel et pourtant, il fixait l'officier de police judiciaire sans sourciller. Il aurait dû garder le silence et pourtant il parlait sans discontinuer. Il aurait dû digresser, édulcorer et embellir à décharge et pourtant, il se contentait d'être greffier à la place du greffier. C'est bien simple, il aurait voulu mettre un point final à toute cette histoire avant même qu'elle ne puisse commencer. À PROPOS DE L'AUTEUR Né en 1973 à Niort, Nicolas Marjault a fondé, avec Nicolas Bonneau, le Théâtre d'Alice, compagnie professionnelle basée depuis 1998 à Nantes. Titulaire d'un poste d'Histoire des Arts au lycée Jean-Macé de Niort, il fut aussi adjoint à la culture de la Ville de 2008 à 2014. Nulle part à Niort

À la reconquête de l'attention Anne de Pomereu.2021-08-25

Qui n'a jamais regardé une série en répondant à ses textos en même temps ? Commencé un roman pour se retrouver deux minutes plus tard sur les réseaux sociaux ? La perte d'attention est le mal du siècle, entraînant un sentiment de frustration et de culpabilité, et notre seule volonté est insuffisante pour lutter contre la distraction organisée. Pourtant, l'attention est notre bien cognitif le plus précieux, la clef d'une vie épanouie. La bonne nouvelle, c'est qu'il existe des solutions concrètes et accessibles pour ne pas céder à l'éparpillement. Dans ce livre, vous apprendrez le fonctionnement de votre attention et découvrirez les moyens d'action pour la reconquérir : créer un environnement propice, faire évoluer son rapport au temps et à l'urgence, réguler l'usage des écrans, éduquer les enfants... pour gagner en qualité de vie et aller enfin au bout de ses projets et de ses rêves. « À mettre en pratique pour grands et petits afin de regagner en efficacité et sérénité. » Psychologies magazine « Matthieu Ricard préface son dernier essai, *À la reconquête de l'attention*, qui se lit d'une traite. » Le Figaro

La métaphysique de la présence de l'absence Patrick

Nerhot.2014-05-02T00:00:00+02:00 "Maintenant". Cette représentation du sens par évocation d'une temporalité conjugue diverses formes de l'"être" mais toutes ont en commun ceci : "sens" signifie présence. La "conscience" est synonymie de ce "maintenant" parce que tous deux sont la transcription d'une métaphysique de la présence. "Maintenant-conscience de" : une représentation compose la cognition déterminée par cette métaphysique, c'est cela la condition de notre savoir.

"Représentation" d'un savoir, un non-su appartient au champ du savoir. Tout savoir, en effet, est savoir qui implique une représentation d'un non-su qu'il institue dans ce mode même qui le constitue comme savoir. Le savoir implique la pensée d'un "même" dès lors qu'il pose la question du non-su puisque par le seul savoir se pense le non-su et que cet au-delà d'un savoir par le seul savoir implique nécessairement l'invocation d'un "même" (Première conférence) "Le non-su mis en relation au savoir, n'ai-je cessé de répéter, est la possibilité de penser ce par quoi, comment, le savoir représente, le savoir sait, mais aussi comment il transforme, recompose les connaissances. Dans ce mode qui est le sien de ne pas poser correctement cette question du non-su, Jacques Lacan est une excellente illustration de ce que je dis dans ma première conférence." (Deuxième conférence)

The Abolition of Prison Jacques Lesage de La Haye.2021-07-13
The Abolition of Prison provides a reflection from a longtime prison abolitionist, psychoanalyst, and former prisoner on the history, theory, and practice of anti-prison activism in France and globally over the last fifty years. This book powerfully makes the case for the end of prisons, punishment, and guilt and, instead, suggests we work towards social change, care, collectivity. The book weaves together Lesage de La Haye's own experiences—in prison, as a psychiatrist, and as a social theorist—with the simple argument that, if we take the reasons for prison and punishment at their word, we must evaluate the system as a complete failure. So then why continue to support it and funnel money into it?

Les Rivières pourpres Jean-Christophe Grangé.2012-10-01 Un de ces livres qui vous entraînent dès la première page, vous bousculent, vous chavirent, vous engloutissent. Un thriller impeccable, tendu à l'extrême sur un fil incandescent, aux limites permanentes de la surchauffe et de la rupture. Le Monde Une histoire d'ogres sous influence, celle de James Ellroy et Thomas Harris. Le Nouvel Observateur Grangé, avec une sacrée maestria, réussit un roman affolant. Le lecteur en sort en grand état de choc et, déjà, de manque. Le Point On a souvent dit que le thriller était la chasse gardée des Anglo-Saxons. Avec Les Rivières pourpres, Grangé vient de prouver qu'un auteur français était non seulement capable de prendre place sur leur terrain favori mais également d'être, sans rien leur devoir, un de leurs vrais rivaux. Le Magazine littéraire Le meilleur thriller depuis Le Silence des Agneaux. Le Figaro

Caligula Et Camus Sophie Bastien. 2006 Alors que le théâtre d'Albert Camus reçoit de plus en plus de considération de la part des universitaires, cet ouvrage se consacre à la meilleure pièce camusienne, Caligula. Il en propose une analyse structurelle, pour en faire ressortir toute la métathéâtralité, et définit les rapports complexes que celle-ci entretient avec la folie et le politique: il cerne ainsi dans leur interaction les motifs qui sont au coeur de l'oeuvre. De plus, il établit des liens aussi riches que variés avec des textes historiographiques et des oeuvres-phares de la littérature occidentale, qui préfigurent le personnage si puissant qu'est Caligula. En somme, il situe la pièce sur le triple plan d'une tradition philosophique et littéraire qui remonte à l'Antiquité, du renouveau théâtral qui marque le milieu du XXe siècle, et de la production de Camus dans son ensemble. Il intéressera étudiants et professeurs qui se penchent sur la littérature française du XXe siècle, aussi bien que sur d'autres littératures, puisque par le biais camusien, il traite de la tragédie grecque, de Shakespeare,

de Melville, de Pirandello... Il s'adresse plus spécialement à ceux qui étudient le théâtre, que ce soit dans une perspective historique, thématique ou esthétique.

Ceci tuera cela Annie Le Brun, Juri Armanda. 2021-03-03 On ne compte plus les critiques de l'ère numérique. Mais elles ont en commun de ne pas voir la nouveauté d'un monde où, pour la première fois, le capital et la technologie se confondent absolument, obéissant à la même croissance exponentielle, avec la même visée de tout réduire à un objet de calcul. Ainsi le regard humain est-il devenu pour le capital la matière première la plus recherchée. Surtout depuis que la production et la reproduction des images sont redéfinies par la révolution que représente l'instantanéité de leur distribution. Aussitôt produite, toute image peut être immédiatement diffusée par n'importe quel possesseur de smartphone - autrement dit, tout le monde. En une dizaine d'années, la distribution s'est imposée au cœur d'une nouvelle économie du regard, où il n'est aucune image qui ne soit en même temps objet de profit et moyen de contrôle. Il en résulte une complète reconfiguration de notre perception. N'existe plus que ce qui est rendu visible par la technologie. Rien n'échappe à cette dictature de la visibilité, qui nous empêche de voir à quelle modélisation nos vies sont continuellement soumises, en fonction d'algorithmes envahissant tous les domaines, scientifique, politique, esthétique, éthique, érotique... Persuadés d'être de plus en plus libres, nous nous sommes bâti la plus inquiétante prison d'images. Comme d'autres ont autrefois réussi à sortir du labyrinthe qui les retenait en reconstituant les plans, notre seule chance est d'essayer de comprendre quelle sombre histoire se trame entre image, regard et capital. En dépend le peu de liberté qui nous reste.

Avoir été communiste Jean-Marc Négrignat. 2008 Quand une époque imprime fortement son sceau sur plusieurs générations, puis se trouve balayée par l'histoire, c'est tout un état d'esprit qui peut nous devenir étranger. Une vingtaine d'années après la

chute du mur de Berlin et de l'empire soviétique, le fait que des milliers d'hommes aient adhéré avec exaltation au communisme, pris le régime soviétique pour l'utopie incarnée, ou encore avoué les pires crimes alors qu'ils étaient des militants confirmés peut même paraître une absurdité ou une forme de folie. Dès les années 80, Jean-Marc Négrignat a cherché à comprendre ces phénomènes de l'intérieur, en se plongeant dans de multiples autobiographies d'ex-communistes. Il s'est particulièrement attaché à celles d'Eugen Löbl, Arthur Koestler et Ignazio Silone. Trois êtres remarquables avant en commun de s'être formés dans le premier quart du XXe siècle, d'avoir adhéré avec conviction au communisme, puis d'avoir rompu avec le Parti. Meticuleusement et avec une empathie certainement due à son engagement initial dans la Jeunesse Etudiante Chrétienne et la Gauche prolétarienne, l'auteur donne ici sens au cheminement individuel qui, à travers enthousiasmes, doutes et désillusions, mène à une reconfiguration du moi. Mettant en pleine lumière le conditionnement idéologique, il éclaire ce faisant le système communiste en son entier.

Victime - Deux combats pour une identité Vanessa

Périn.2015-08-13 Vanessa, jeune femme de 19 ans, vient de se faire agresser. Le 19 août 1999 après midi, sa vie va basculer par les mains d'un homme. Brisée, salie, c'est avec la peur au ventre et la douleur qu'elle rentre au domicile de sa soeur. Quelques jours avant, Vanessa passait de belles vacances à Nice accompagnée de son fiancé. Tout était si parfait pour deux jeunes amoureux. Jusqu'à ce que cet homme la viole. A compter de cette minute, elle ne sera plus jamais la même. Porter plainte? Jamais elle n'y aurait songé seule. Passant de la prostration à la folie, du dégoût à l'excès des corps, c'est un chemin de croix qu'il lui faudra traverser pour se reconstruire une vie. Elle engage une lutte contre cet homme mais aussi un combat contre elle même, à

them. Ebooks are available as PDF, EPUB, Kindle and plain text files, though not all titles are available in all formats. Users can easily upload custom books and complete e-book production online through automatically generating APK eBooks. Rich the e-books service of library can be easy access online with one touch. Free ebook download sites: - They say that books are one's best friend, and with one in their hand they become oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees. The first step is to go to make sure you're logged into your Google Account and go to Google Books at books.google.com. Although this program is free, you'll

need to be an Amazon Prime member to take advantage of it. If you're not a member you can sign up for a free trial of Amazon Prime or wait until they offer free subscriptions, which they do from time to time for special groups of people like moms or students. We are a general bookseller, free access download ebook. Our stock of books range from general children's school books to secondary and university education textbooks, self-help titles to large of topics to read.
