Daughters of Sparta Claire Heywood.2021-06-22 For millennia, men have told the legend of the woman whose face launched a thousand ships—but now it's time to hear her side of the story. *Daughters of Sparta* is a tale of secrets, love, and tragedy from the women behind mythology's most devastating war, the infamous Helen and her sister Klytemnestra. As princesses of Sparta, Helen and Klytemnestra have known nothing but luxury and plenty. With their high birth and unrivaled beauty, they are the envy of all of Greece. But such privilege comes at a cost. While still only girls, the sisters are separated and married to foreign kings of their father's choosing— Helen remains in Sparta to be betrothed to Menelaos, and Klytemnestra is sent alone to an unfamiliar land to become the wife of the powerful Agamemnon. Yet even as Queens, each is only expected to do two things: birth an heir and embody the meek, demure nature that is expected of women. But when the weight of their husbands' neglect, cruelty, and ambition becomes too heavy to bear, Helen and Klytemnestra must push against the constraints of their society to carve new lives for themselves, and in doing so, make waves that will ripple throughout the next three thousand years. *Daughters of Sparta* is a vivid and illuminating reimagining of

the Siege of Troy, told through the perspectives of two women whose voices have been ignored for far too long.

Fixed It Jane Gilmore.2019-09-03 On average, at least one woman is murdered by a current or former partner every week in Australia. Far too many Australian women have experienced physical or sexual violence. Only rarely do these women capture the attention of the media and the public. What can we do to stem the tide of violence and tragedy? Finally, we are starting to talk about this epidemic of gendered violence, but too often we are doing so in a way that can be clumsy and harmful. Victim blaming, passive voice and over-identification with abusers continue to be hallmarks of reporting on this issue. And, with newsrooms drastically cutting staff and resources, and new business models driven by rapid churn and the 24 hour news cycle journalists and editors often don't have the time or resources bring new ways of thinking into their newsrooms. Fixed It demonstrates the myths that we're unconsciously sold about violence against women, and undercuts them in a clear and compelling way. This is a bold, powerful look at the stories we are told - and the stories we tell ourselves - about gender and power, and a call to action for all of us to think harder and do better.
