Secret to Modern Woman's Heart (I and II) Hemant Pandey.2017-08-27 This gentlemen is so underrated ! I have purchased the book written by him and oh boy, it was pure gold. You have changed my entire notion of thinking about the girls. Bless you sir. Keep writing. (Via Quora

Comments) Ever wondered what women really want and why? Why your girlfriend behaves irrationally? Author writes on Quora (2500 followers, 3 million views) and runs his own blog (Hemantpandeyblog.com). Book Rated 4.33 on Good Reads. Hemant was a typical die hard romantic, writing love sonnets and letters to women he loved. Even after pouring his heart out he faced countless problems with women in his life. Changing mood of girls, suddenly going cold, neglecting etc. He started by classic psychology textbooks and was utterly disappointed. d104books teach nothing about women psychology or seduction (May be due to its controversial nature), similar to reproductive systems being treated in biology textbooks. Author started his quest in other seduction books. (Just like we learn sex through porn). The problem was immense again. Many of these books are fake and the methods simply don't work. Out of 1000s of pick up artist books and seduction material on 100s of websites, only a handful worked. It took 10 years for author to try and test almost all books on the subject. Second problem was that although these methods really work (No doubt about it), these books never teach you why they work. All methods are basically trial and error. In this book author solved these two problems. All material reinvented (10 years research) and rewritten (modified) by avoiding those which never work. Author devised 100s of entirely new methods which really work in any given scenario with any girl for any man (irrespective of his looks or personality). Every method discussed is supported by logic. Why the method works? This book will definitely save 1000s of hours in researching every book available on the planet, testing all of them and selecting best from the rest. You will learn Avoid FRIEND (PET) ZONE, Nice Guys Test, 'Dump Test' and 'Bitching Test'. Rules of TEXTING, how much, how long, what things to avoid? Get your GIRLFRIEND BACK after silence zone built after a fight or break up (entirely new 'ice breaker text method'.) 10 Most Important points in Modern Dating (Things to avoid). Secret Art of deep seduction (Fractionation) Making a girl fall in trance like love with you FOREVER. DOMINATE GIRLS to be subservient by using entirely new emotional Vaccination and Soft Dumping method. GIRLS BIGGEST TURN OFF and only ONE THING WOMEN LOVE the most in any MAN. Excerpt from the book: Fractionation and Rules of d104ing You created a fractionation pattern by successively creating pain and pleasure response. Further you are the cause of both. This is the basic of all techniques of dealing with women. You create both pain and pleasure in quick succession and some times in one sentence like ' You look good but your hair could have been better'. Most guys there focus only on pleasure and fail to deliver emotional ups and downs, which women crave. vii. Never be too available. This is again a test by girl to know your status. If you are always free for her, your value goes down. viii. Never chat with her for longer duration, especially when she is free. She will use you for time pass and dump you!
