Enseigner les structures langagières en FLE Olga Galatanu.2010 Les grands courants de pensée en acquisition des langues se tournent de façon préférentielle soit vers une approche de l'intervention de l'enseignant et du concepteur du programme, considérés comme des médiateurs qui fournissent un maximum d'input en vue de l'organisation et de la progression de l'interlangue ; soit vers une stratégie globale s'appuyant sur la construction du sens à partir d'échanges communicatifs. L'ouvrage, qui fait suite à un premier volume consacré à la place de la construction du sens en interaction dans l'acquisition de la signification linguistique, réunit une série d'articles qui s'interrogent, dans une perspective complémentaire à celle adoptée précédemment, sur la place de l'intervention, entendue comme explicitation et apprentissage des formes linguistiques, et notamment grammaticales, dans l'acquisition des structures langagières, et des compétences linguistique et pragmatique. Les contributeurs situent ainsi leurs questionnements et leurs propositions théoriques et pratiques à l'interface de la grammaire (son applicabilité, les nouveaux discours didactiques sur les structures langagières et les nouvelles méthodologies de l'intervention des concepteurs et des enseignants), d'une part, et de l'analyse de l'interaction en classe de langue étrangère, de la définition et de l'évaluation des compétences langagières acquises, d'autre part.

Secrets Between Friends Fiona Palmer. 2017-09-12 Friendship is a million little moments, but can it survive this one? Three friends embark on a luxury cruise to celebrate their ten-year reunion in this heartfelt story of how long-held secrets can catch up with even the best of friends Life was about living, experiencing and emotions. The good and the bad. You had to laugh to cry. You had to love to hurt. You had to jump to fall or fly. Best friends Abbie, Jess and Ricki are set to recreate a school trip they took ten years earlier to the historic port town of Albany, the oldest city on the stunning turquoise coastline of Western Australia. Ricki, a dedicated nurse, harbours a dream she hasn't chased. Is she actually happy or stuck in a rut? Jess, a school teacher and single mother to little Ollie, had a tough upbringing but found her way through with the help of her closest male friend, Peter. But Peter has bought an engagement ring and is ready to propose to Ricki . . . Abbie had it all: a career, a loving boyfriend and a future, but a visit to the doctor bears scary news. Her world is tumbling down and she feels adrift at sea. SECRETS BETWEEN FRIENDS is a poignant novel of romance, family dynamics and friendship. Through her highly relatable, sympathetic characters, beloved Australian storyteller Fiona Palmer writes about issues, experiences and emotions we have all faced while posing the ultimate question: What is really important in this life? 'Palmer is at the top of her game here' - iBOOKS EDITOR 'a heartfelt tale of how long-held secrets can catch up with even the closest of mates' YOURS 'Tender and emotive when necessary, yet not short on fun and witty banter.
