They have free access to share, print and post images for personal use.

The Library Book Susan Orlean.2019-10-01 Susan Orlean's bestseller and New York Times Notable Book is "a sheer delight...as rich in insight and as varied as the treasures contained on the shelves in any local library" (USA TODAY)—a dazzling love letter to a beloved institution and an investigation into one of its greatest mysteries. "Everybody who loves books should check out *The Library Book*" (The Washington Post). On the morning of April 28, 1986, a fire alarm sounded in the Los Angeles Public Library. The fire was disastrous: it reached two thousand degrees and burned for more than seven hours. By the time it was extinguished, it had consumed four hundred thousand books and damaged seven hundred thousand more. Investigators descended on the scene, but more than thirty years later, the mystery remains: Did someone purposefully set fire to the library—and if so, who? Weaving her lifelong love of books and reading into an investigation of the fire, award-winning New Yorker reporter and New York Times bestselling author Susan Orlean delivers a "delightful...reflection on the past, present, and future of libraries in America" (New York magazine) that manages to tell the broader story of libraries and librarians in a way that has never been done before. In the "exquisitely written, consistently entertaining" (The New York Times) *The Library Book*, Orlean chronicles the LAPL fire and its aftermath to showcase the larger, crucial role that libraries play in our lives; delves into the evolution of libraries; brings each department of the library to vivid life; studies arson and attempts to burn a copy of a book herself; and reexamines the case of Harry Peak, the blond-haired actor long suspected of setting fire to the LAPL more than thirty years ago. "A book lover's dream...an ambitiously researched, elegantly written book that serves as a portal into a place of history, drama, culture, and stories" (Star Tribune, Minneapolis), Susan Orlean's thrilling journey through the stacks reveals how these beloved institutions provide much more than just books—and why they remain an essential part of the heart, mind, and soul of our country.

Cincinnati Magazine .2009-10 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

Crockery and Glass Journal .1918

Political Fictions Joan Didion.2002-08-27 NATIONAL BESTSELLER • In these coolly observant essays, the iconic bestselling writer looks at the American political process and at that handful of insiders who invent, year in and year out, the narrative of public life. Through the deconstruction of the sound bites and photo ops of three presidential campaigns, one presidential impeachment, and an unforgettable sex scandal, Didion reveals the mechanics of American politics. She tells us the uncomfortable truth about the way we vote, the candidates we vote for, and the people who tell us to vote for them. These pieces build, one on the other, into a disturbing portrait of the American political landscape, providing essential reading on our democracy.

The Billboard .1943

The Yellow House Sarah M. Broom.2019-08-13 A NEW YORK TIMES BESTSELLER WINNER OF THE 2019 NATIONAL BOOK AWARD FOR NONFICTION A brilliant, haunting and unforgettable memoir from a stunning new talent about the inexorable pull of home and family, set in a shotgun house in New Orleans East. In 1961, Sarah M. Broom's mother Ivory Mae bought a shotgun house in the then-promising neighborhood of New Orleans East and built her world inside of it. It was the height of the Space Race and the neighborhood was home to a major NASA plant—the postwar optimism seemed assured. Widowed, Ivory Mae remarried Sarah's father Simon Broom; their combined family would eventually number twelve children. But after Simon died, six months after Sarah's birth, the Yellow House would become Ivory Mae's thirteenth and most unruly child. A book of great ambition, Sarah M. Broom's *The Yellow House* tells a hundred years of her family and their relationship to home in a neglected area of one of America's most mythologized cities. This is the story of a mother's struggle against a house's entropy, and that of a prodigal daughter who left home only to reckon with the pull that home exerts, even after the Yellow House was wiped off the map after Hurricane Katrina. The Yellow House expands the map of New Orleans to include the stories of its lesser known natives, guided deftly by one of its native daughters, to demonstrate how enduring drives of clan, pride, and familial love resist and defy erasure. Located in the gap between the "Big Easy" of tourist guides and the New Orleans in which Broom was raised, *The Yellow House* is a brilliant memoir of place, class, race, the seeping rot of inequality, and the internalized shame that often follows. It is a transformative, deeply moving story from an unparalleled new voice of startling clarity, authority, and power.

Forthcoming Books Rose Army.2003

Jackson Squared Tom Varisco.2012-11-13 The French Quarter, quirks and all, exposed like never before in this irreverent insider's look at Jackson Square.

The New Orleans Voodoo Handbook Kenaz Filan.2011-08-16 A guide to the practices, tools, and rituals of New Orleans Voodoo as well as the many cultural influences at its origins • Includes recipes for magical oils, instructions for candle workings, and directions to create gris-gris bags and Voodoo dolls to attract love, money, justice, and healing and for retribution • Explores the major figures of New Orleans Voodoo, including Marie Laveau and Dr. John • Exposes the diverse ethnic influences at the core of Voodoo, from the African Congo to Catholic immigrants from Italy, France, and Ireland One of America's great native-born spiritual traditions, New Orleans Voodoo is as complex, free-form, and beautiful as the jazz that permeates this steamy city of sin and salvation. From the French Quarter to the Algiers neighborhood, its famed vaulted cemeteries to its infamous Mardi Gras celebrations, New Orleans cannot escape its rich Voodoo tradition, which draws from a multitude of ethnic sources, including Africa, Latin America, Sicily, Ireland, France, and Native America. In *The New Orleans Voodoo Handbook*, initiated Vodou priest Kenaz Filan covers the practices, tools, and rituals of this system of worship as well as the many facets of its origins. Exploring the major figures of New Orleans Voodoo, such as Marie Laveau and Dr. John, as well as Creole cuisine and the wealth of musical inspiration surrounding the Mississippi Delta, Filan examines firsthand documents and historical records to uncover the truth behind many of the city's legends and to explore the oft-discussed but little-understood practices of the root doctors, Voodoo queens, and spiritual figures of the Crescent City. Including recipes for magical oils, instructions for candle workings, methods of divination, and even directions to create gris-gris bags, mojo hands, and Voodoo dolls, Filan reveals how to call on the saints and spirits of Voodoo

for love, money, retribution, justice, and healing.

Atlanta .2004-12 Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. Shots on the Bridge Ronnie Greene.2016-09-06 A harrowing story of blue on black violence, of black lives that seemingly did not matter. On September 4, 2005, six days after Hurricane Katrina's landfall in New Orleans, two groups of people intersected on the Danziger Bridge, a low-rising expanse over the Industrial Canal. One was the police who had stayed behind as Katrina roared near, desperate to maintain control as their city spun into chaos. The other was the residents forced to stay behind with them during the storm and, on that fateful Sunday, searching for the basics of survival: food, medicine, security. They collided that morning in a frenzy of gunfire. When the shooting stopped, a gentle forty-year-old man with the mind of a child lay slumped on the ground, seven bullet wounds in his back, his white shirt turned red. A seventeen-year-old was riddled with gunfire from his heel to his head. A mother's arm was blown off; her daughter's stomach gouged by a bullet. Her husband's head was pierced by shrapnel. Her nephew was shot in the neck, jaw, stomach, and hand. Like all the other victims, he was black—and unarmed. Before the blood had dried on the pavement, the shooters, each a member of the New Orleans Police Department, and their supervisors hatched a cover-up. They planted a gun, invented witnesses, and charged two of their victims with attempted murder. At the NOPD, they were hailed as heroes. *Shots on the Bridge* explores one of the most dramatic cases of police violence seen in our country in the last decade—the massacre of innocent people, carried out by members of the NOPD, in the brutal, disorderly days following Hurricane Katrina. It reveals the fear that gripped the police of a city slid into anarchy, the circumstances that drove desperate survivors to the bridge, and the horror that erupted when the police opened fire. It carefully unearths the cover-up that nearly buried the truth. And finally, it traces the legal maze that, a decade later, leaves the victims and their loved ones still searching for justice. This is the story of how the people meant to protect and serve citizens can do violence, hide their tracks, and work the legal system as the nation awaits justice. Named one of the top books of 2015 by NewsOne Now, and named one of the best books of August 2015 by Apple Winner of the 2015 Investigative Reporters and Editors Book Award

A Fire in My Lens Armand Richardson.2018 Through the vibrant images captured in his compositions, photographer Armand J. Sheik Richardson lures the viewer into the city that lives within his imagination.

Richardson passionately relates the experimentation that first brought to life the magical world he saw through his camera's lens. His fascinating anecdotes accompany each picture providing context to the images while conveying the rich pallet of colors and textures that makes New Orleans such a unique place. From personal moments of his childhood, family, and friends to professional shoots and casual snapshots of the hidden life and everyday events in the city, Richardson presents a captivating visual record of New Orleans.

The Arena Rafi Kohan.2017-08-08 Finalist • PEN/ESPN Award for Literary Sports Writing Riotous fan behavior, behind-the-scenes machinations, and madcap histories dominate in this unrivaled exploration of the modern American sports stadium. The American sports stadium, for all its raucous glory, is an overlooked centerpiece—a veritable temple—of our national culture. A hallowed ground for communal worship, this is where history is made on grass, artificial turf, hardwood, and even ice; where nostalgia flows as freely as ten-dollar beers; where everything thrills, from exploding fireworks to grinning cheerleaders. In *The Arena*, an altogether new and riveting sports classic (Josh Wilker), intrepid sportswriter Rafi Kohan crisscrosses the country, journeying from one beloved monument to the next. As he finagles access to the unexpected corners and hidden corridors of our most frequented fields, he discovers just what makes them tick—and what keeps us coming back time and time again. Beginning with the old-timers, Kohan pays his respects to Chicago's ivy-laced Wrigley and Green Bay's lovable Lambeau, which have creakily adjusted to the twenty-first century while maintaining those age-old quirks fans have prized for generations. Juxtaposing these cherished time capsules with mighty new mammoths like Dallas's shiny AT&T Stadium, Kohan examines the often-punishing realities of how they are built, from architectural ambition to controversial funding and political strong-arming. Meanwhile, just outside the turnstiles of these commercial cathedrals, whole ecosystems flourish, buzzing with charming merch men and cutthroat ticket scalpers. Trips to Cleveland's Progressive Field and Quicken Loans Arena illuminate such shadow economies, revealing the remarkable impact a team—and even just a single player (yes, we're looking at you, LeBron James)—can have on an entire city. With infectious enthusiasm and wit, Kohan also explores the behind-the-scenes logistics and deeply ingrained traditions within these bustling facilities, cracking open a secret world of unforgettable characters—groundskeepers, mascots, halftime performers—who work tirelessly to make the live event worth the price of admission. If you've ever wondered how they coordinate those fighter jet flyovers with the national anthem, how many hot dogs they serve in a day at Citi Field, how boozy pregame tailgates are kept in line, or what on earth AstroTurf is made of, look no further. As rowdy and rollicking as its subject, *The Arena* is a must-read for diehard fans, shameless bandwagoners, umpires, broadcasters, groundskeepers, culture junkies, tailgaters, and anyone else who's ever eagerly headed off to the ballpark to catch a game.
