It's worth remembering that absence of a price tag doesn't necessarily mean that the book is in the public domain; unless explicitly stated otherwise, the author will retain rights over it, including the exclusive right to distribute it. Similarly, even if copyright has expired on an original text, certain editions may still be in copyright due to editing, translation, or extra material like annotations. There are plenty of genres available

and you can search the website by keyword to find a particular book. Each book has a full description and a direct link to Amazon for the download. If you keep a track of books by new authors and love to read them, Free eBooks is the perfect platform for you. From self-help or business growth to fiction the site offers a wide range of eBooks from independent writers. You have a long list of category to choose from that includes health, humor, fiction, drama, romance, business and many more. You can also choose from the featured eBooks, check the Top10 list, latest arrivals or latest audio books. You simply need to register and activate your free account, browse through the categories or search for eBooks in the search bar, select the TXT or PDF as preferred format and enjoy your free read.
