It is believed to be one of the major non-torrent file sharing sites that features an eBooks&eLearning section among many other categories. PDF files for your Kindle. In addition to the sites referenced above, there are also the following resources for free books: **WorldBookFair**: for a limited time, you can have access to over a million free ebooks. **WorldLibrary**: More than 330,000+ unabridged original single file PDF eBooks by the original authors. **FreeTechBooks**: just like the name of the site, you can get free technology-related books here. **FullBooks.com**: organized alphabetically; there are a TON of books here. **Bartleby eBooks**: a huge array of classic literature, all available for free download. If you're already invested in Amazon's ecosystem, its assortment of freebies are extremely convenient. As soon as you click the Buy button, the ebook will be sent to any Kindle ebook readers you own, or devices with the Kindle app installed. However, converting Kindle ebooks to other formats can be a hassle, even if they're not protected by DRM, so users of other readers are better off looking elsewhere. There are

specific categories of books on the website that you can pick from, but only the Free category guarantees that you're looking at free books. They also have a Jr. Edition so you can find the latest free eBooks for your children and teens. **DailyCheapReads.com** has daily posts on the latest Kindle book deals available for download at Amazon, and will sometimes post free books. It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious. If you want to stick to PDFs only, then you'll want to check out **PDFBooksWorld**. While the collection is small at only a few thousand titles, they're all free and guaranteed to be PDF-optimized. Most of them are literary classics, like *The Great Gatsby*, *A Tale of Two Cities*, *Crime and Punishment*, etc.
