Strategy Coordinator R. Bruce Carlton.2011-05-01 In 1976, the Southern Baptist Convention adopted its Bold New Thrusts in Foreign Missions with the overarching goal of sharing the gospel with every person in the world by the year 2000. The formation of Cooperative Services International (CSI) in 1985 and the assigning of the first non-residential missionary (NRM) in 1987 demonstrated the Foreign Mission Board's (now International Mission Board) commitment to take the gospel message to countries that restricted traditional missionary presence and to people groups identified as having little or no access to the gospel. Carlton traces the historical development along with an analysis of the key components of the paradigm and its significant impact on Southern Baptists' missiology. Book jacket.
