Jacqueline Wilson Lucy Pearson.2015-11-23 Over the last 20 years, Jacqueline Wilson has published well over 100 titles and has become firmly established in the landscape of Children's Literature. The essays cover not only the content and themes of Wilson's writing, but also her success as a publishing phenomenon and the branding of her books. Issues of gender roles and child/carer relationships are examined alongside Wilson's writing style and use of techniques such as the unreliable narrator. The book also features an interview with Jacqueline Wilson herself, where she discusses the challenges of writing social realism for young readers and how her writing has changed over her lengthy career.
