*Beyond the Blue Border* Dorit Linke.2021-09-07 Hanna and Andreas will do anything to leave

oppressive East Germany behind. There's one escape route open to them, but can they survive it? Hanna and Andreas have always been friends. When they're expelled from school for activism directly challenging the socialist state in East Germany, they end up doing factory work. But what kind of life do they have to look forward to without education or opportunity? Especially when they aren't allowed a voice? The choice to risk imprisonment or death by escaping to the democratic West seems like a risk worth taking. They set out to swim twenty-five hours across the choppy waters of the Baltic Sea. Linke's storytelling achieves a delicate balance between heightened moments of danger--searchlights, jellyfish, a Russian helicopter, a violent summer storm--and the monotony, ineffable fatigue, physical pain, cramping, fear, and hope that fill the rest of the journey. A memorable tale of two people risking all for a chance at freedom.

The Gospel of Selfless Action Or the Gita According to GANDHI Mahadev Desai.2017-09-19 The Gospel of Selfless Action OR The Gita according to GANDHI by Mahadev DesaiThe following pages by Mahadev Desai are an ambitious project. It represents his unremitting labours during his prison life in 1933-'34. Every page is evidence of his scholarship and exhaustive study of all he could lay hands upon regarding the Bhagavad Gita, poetically called the Song Celestial by Sir Edwin Arnold. The immediate cause of this labour of love was my translation in Gujarati of the divine book as I understood it. In trying to give a translation of my meaning of the Gita, he found himself writing an original commentary on the Gita.
