Paranoid Park Blake Nelson.2008-02-28 now a major motion picture directed by Gus Van Sant (My Own Private Idaho, Good Will Hunting, and Milk) It was an accident. He didn't mean to kill the security guard with his skateboard—it was self-defense. But there's no one to back up his story. No one even knows he was at Paranoid Park. Should he confess, or can he get away with it? It's an ethical question no one should have to answer. Writing more intensely than ever before, Blake Nelson delivers a film noir in book form, complete with interior monologue and dark, psychological drama. This is a riveting look at one boy's fall into a world of crime, guilt, and fear—and his desperate attempt to get out again.

A Hand Full of Stars Rafik Schami.2012-12-28 Amid the turmoil of modern Damascus, one teenage boy finds his political voice in a message of rebellion that echoes throughout Syria and as far away as Western Europe. Inspired by his dearest friend, old Uncle Salim, he begins a journal to record his thoughts and impressions of family, friends, life at school, and his growing feelings for his girlfriend, Nadia. Soon the hidden diary becomes more than just a way to remember his daily adventures; on its pages he explores his frustration with the government injustices he witnesses. His courage and ingenuity finally find an outlet when he and his friends begin a subversive underground newspaper. Warmed by a fine sense of humor, this novel is at once a moving love story and a passionate testimony to the difficult and committed actions being taken by young people around the world.

Jew's Beech Annette von Droste-Hulshoff.2018-01-01 Based on a true story, this haunting tale centers on two brutal murders--the first of a local forester and the second of a Jewish moneylender near a beech tree--and the impact these events have on the life of Friedrich Mergel, a herdsman with a turbulent family history. A prototype of the murder mystery and a thoughtful examination of village society, this intriguing novella contains hints of the Gothic and the uncanny, including ominous thunderstorms, mysterious disappearances, eerie doppelgangers and grizzly discoveries, as well as a famously ambiguous climax.
