SIMPOSIO | Italian Recipes, Travel, and Culture Claudia Rinaldi.2021-10-27 Ciao, benvenuti in Umbria, welcome to Umbria, Italy. The central region of Italy, the land of fairytales, religious fervor, jazz festivals, and nourishing food. A land to live slowly, letting nature, flavors, legends, ancient celebrations, history, and wine inebriate you. Simposio, in the guise of a travel guide, will accompany you through some - slow traveling means having to choose - of Umbria's towns. You will explore Perugia, Gubbio, Orvieto, Spoleto, Montefalco, Norcia, and Scheggino. Of each, you will take home a story, a personage, a sentiment, or an experience. Of all, you will discover the flavors of their traditional cuisine and the beauty of their alleys. Set your mind to the fairytale mood. As always, we will cross the line of reality. We will enjoy the foggy dimension of maybe and the fun state of why not. Italy's heritage is made of this: ancient beliefs, uncertain origins, the merging of cultures, and breathtaking results. Get ready for the cookbook part and feast over chestnuts and beans, chicken and duck, peasant's cuisine and truffles, sausages, and seasonal vegetables. Get ready to sip wine wrapped in a mantel, facing a bonfire, waiting to see angels pass, or witches, or griffons. Get ready to witness Etruria merging into Middle Ages, the sixties avant-garde into modern jazz, and religious fever into everyday life. Get ready for Umbria! Claudia

SIMPOSIO | Italian Recipes, Travel, and Culture Claudia Rinaldi.2021-07-15 Ciao, Welcome to Ortigia, the old city of Siracusa, Sicily. The island of Greek myths, tyrants, lemons, inventors, and beauty. An almost pedestrian paradise for lovers of heartbreaking, charming decadence, delicious marine food, and noisy markets. In the Ortigia issue, we will explore the island through history, with a hint of legend and a tad of magic. We will meet Dionysius, the tyrant, Artemis the goddess, Aretusa, her beloved nymph, Archimedes, the thinker, Lucia, the saint, and Lucia, the not-so saint. We will walk through Siracusa's Greek theater ruins and shed a few tears watching a tragedy played while the sun sets down. And we will go shopping, singing, and tasting through the busy fish market. We will also explore a bit of the infinite Sicilian culture: play and read our future with tarot cards, replicate a recipe by a Monsù - Reign of the Two Sicilies chef -, and interview a local, sensible, and charismatic writer. Back to the kitchen, we will discover capers: from the flowers to the fruits. And we will cook authentic regional recipes. Fishy pasta, of course, like bottarga paired with citrus peels - divine -, squid ink, or anchovies. But also, veggie pasta recipes as per Sicily's and Siracusa's tradition. Vegetables will also dominate the side dishes and pizza scene: we will bake two can't-stop-devouring stuffed pizzas typical of this territory. And Pane Cunzatu, the local sandwich! We will surprise our palate with some traditional fish dishes of Sicily: expect tuna (also as meatballs!),

swordfish, grouper, and mackerel recipes. We will also rediscover ancient recipes like the Scursunera - jasmine granita -, the Cuccia to celebrate Santa Lucia, Totò and Ossa Di Morti cookies to honor the Day of the Dead, and the Maccu to praise San Giuseppe. The traveling through Sicily won't be over, at least for this issue, until we drive from Ortigia to the stunning, baroque Noto, to the fishermen's town of Marzamemi, and the vegetable reign of Pachino. In these ancient small towns, we will meet new personages, learn more stories, absorb traditions, and participate in festivals with very ancient roots. We will also dive into Italy's summer dishes and rituals - which are quite often linked -: rice or tuna salads, stuffed tomatoes, zucchini, or ricotta pasta, and latte e menta, milk with mint syrup. Finally, we can't end this Simposio without a gelato. We will enjoy it while listening to my friends and family's favorite artisanal flavors and packed ice-creams! Ready for a bath of sun, flavors, and Italians? Benvenuti a Ortigia! Claudia

Simposio | Italian Recipes, Travel, and Culture: Maremma Claudia Rinaldi.2022-03-11 Ciao,

Welcome to Maremma, the Tuscan land of cowboys, brigands, and family-owned trattorie! Another Tuscany, far from the beautiful Medieval or Renaissance cities. Untamed, wild. Colonized and freed. Forgotten and celebrated. We will meet a variety of personages: from eternally hunted outlaws to celebrated grand dukes. Fierce noblewomen defending their family possessions or seducing sultans. Corsairs, monks, deli and café owners, butchers, street market vendors, travel agents, and winemakers. We will climb up perched towns to see breathtaking sights and maybe catch a witch flying by or guarding a millennial olive tree. We will follow the traces of Etrurians, of their cults and gods, and try to uncover the secrets they've left behind. Then we will travel through the eras: the Middle Ages, the Spanish domination, the left-wing... On the shores, we will encounter the Italian crowds in search of la bella vita, ladies bent over the sand to collect Telline (clams), and anglers at work to preserve their traditional fishing practices. We will gather herbs to make delicious authentic dishes and regenerate our tired limbs in thermal springs born of a god's bolt. Through food, we will witness the outdoor life and cuisine of the Butteri (horsemen) of Maremma. The still vivid heritage of the Italian-Jewish communities. How the smallest town exported a recipe that became the national food of... France! How terrible memories can become delicious treats. And the way scraps and unsold cuts have combined into clay pots to give birth to extraordinary triggers for our taste buds. From wild boar to seafood, from ricotta to nutty Christmas sweets, we will learn how to cook like a Maremman. There's so much to discover about this beautiful land's past and present, so much to

enjoy! So let the adventure begin! Benvenuti in Maremma! Claudia

FROM THE ISSUE: WELCOME TO SIENA The Tuscan city of Palio, delicious sweets, and Middle Ages. But there's more, much more. Behind the big show, behind the brownish brick walls, behind the fancy patisseries. There's passion - some, including me, would say folly - and there's pride. In this issue, we will be swept away by the folly of poets, waters, husbands, economics, friars, painters, and the seventeen Contrade of Siena. We will also experience the universe of Middle Ages apothecaries and prepare one of their potent remedies at home! Further in time, we will meet Etrurians, an indigenous population of the Tuscan lands, and

sit at their tables to savor their dishes, discovering the flavors and ingredients that put a base to Tuscan cuisine. We will also explore Siena's traditional food: recipes from the countryside farms, from the noble palaces, and right out of Nonnas' ovens! Finally, we will cuddle our jaded souls with some winter pleasures: healthy and tasty treats, Italian traditions, and home decor inspiration. Siena will be a new destination of our emotional journey through Italy. Our way to honor and preserve the country's heritage, past, and present through a different traveling style: slower, deeper, more mindful. Pour yourself a glass of red wine, spread some toasted bread with olive patè, play some jazzy music, relax and dive into Siena's emotional world. Benvenuti a Siena. Claudia

Bookyards: There are thousands upon thousands of free ebooks here. The split between "free public domain ebooks" and "free original ebooks" is surprisingly even. A big chunk of the

public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you'll find some interesting stories. GetFreeBooks: Download original ebooks here that authors give away for free. Obooko: Obooko offers thousands of ebooks for free that the original authors have submitted. You can also borrow and lend Kindle books to your friends and family. Here's a guide on how to share Kindle ebooks. Library Genesis is a search engine for free reading material, including ebooks, articles, magazines, and more. As of this writing, Library Genesis indexes close to 3 million ebooks and 60 million articles. It would take several lifetimes to consume everything on offer here. Now you can make this easier and filter out the irrelevant results. Restrict your search results using the search tools to find only free Google eBooks. Every day, eBookDaily adds three new free Kindle books to several different genres, such as Nonfiction, Business & Investing, Mystery & Thriller,

Romance, Teens & Young Adult, Children's Books, and others. It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.
