The Prophetic through the Eye of the Eagle Linda Morales.2012-04-23 In the beginning, we were created in God's own image according to Genesis 1:27; "So God created man in his own image, in the image of God created he them. That means we were created as a spirit. So even before we inhabited our bodies as the Word of God says in Genesis 2:7, we were taught by God the Father. (John 6:45; "It is written in the prophets, and they shall be all taught of God. Every man therefore that hath heard, and hath learned of the Father, cometh unto me.) The Prophetic allows us to move in the realm of the spirit in such a dimension that we are able to see, smell, taste, hear, and even touch. (Read Hebrews 5:14) As we begin to walk and live in the spirit as the Word of God says in chapter 5 of Galatians, we need the understanding and the revelations by The Spirit and Truth. I have written this book in hopes of giving understanding in the way God has shown me. May the Lord Jesus Christ bless you as you read "The Prophetic Through the Eye of the Eagle."

Be Revived Katie Souza.2020-03-03 You don't have to grow old. You can live forever. This book will help you walk in God's promises of long-lasting health. The Bible is full of promises related to believers having supernatural youth restored even in their advanced years. Yet few are actually walking in those promises. Instead, a huge percentage of Christians are suffering from some sort of pain, disease, or disorder and are physically and mentally exhausted. Plus, many depend on cosmetic procedures and surgeries to recapture their youthful look. But what if it were possible to tap into the youth-restoring promises the Bible says are ours? What if these revelations would enable us to run faster, serve stronger, and last longer? What if we could look better than we have in decades without cosmetic surgery and costly procedures? Katie Souza has found secrets in the Bible that show how we can see these manifestations in every part of our bodies. In this explosive study she gives readers the keys that will enable them to tap into the fountain of youth God promised His people. FEATURES AND BENEFITS: Gives readers tools to prepare themselves to physically keep up with the new wine of revival God is going to pour out upon the earth Shows readers how to guard themselves against spiritual attacks on their physical well-being and experience supernatural healing and rejuvenation Includes questions at the end of each chapter that can be used for personal study or in small groups OTHER BOOKS BY KATIE SOUZA: Healing the Wounded Soul (2017) ISBN: 978-1629991900

Hear God Through Your Dreams Workbook Mark Virkler,Patti Virkler.2011 Do you often wake up feeling there was a significant message in your dream, but you're just not sure what it is? Like Daniel and Joseph, do you long to be able to help others understand their own dreams and win them to Christ as you explain His night messages to them? Wouldn't it be nice if you could receive mid-course corrections from the Lord while you sleep? Do you wish you could be receiving divine inspiration, creative solutions to problems, and direction from the Lord during that third of your life that you're just sleeping? Understanding Dreams Man's view of dreams Do you feel like sleep is a waste of time? Do you usually only remember bits and pieces of your dreams that don't make any sense? Or worse yet, not remember any of your dreams at all? God's view of dreams The Bible declares that God counsels us at night through our dreams (Ps. 16:7) and is full of examples and illustrations of this principle. In the dreams in the Bible, God gives wise direction concerning the next step to take. He grants wisdom and encourages people in faith. He shows them how to escape coming calamity and how to provide for their families in the midst of imminent disasters. God even enters into covenants with people and grants them gifts in their dreams! Where this teaching will lead you This teaching series leads you in examining every dream in the Bible to see how they reveal and illustrate principles of Christian dream interpretation. You will receive abundant confirmation that God speaks to His children through their night visions (Num. 12:6; Acts 2:17). You will also explore your own dreams, learning the language of symbolism which your heart uses as it communicates to you God's divine wisdom. You will learn how to let the Holy Spirit be your Teacher as you learn to interpret God's messages to you through your dreams! All of us can learn to hear from God during the two hours of dream life we have each night and these training materials will coach you in this skill. The best teaching I have ever seen on interpreting dreams - Sid Roth I have just interviewed Mark Virkler, an extraordinarily gifted man of God who teaches a course on understanding dreams. I have interviewed many on this subject over the years, but Mark's approach is different. He is a very logical teacher. He guarantees after taking his course you will have at least a dream a week and understand them! I took him up on his challenge, and it is working for me. I have had very few literal dreams in my life. And frankly, I usually ignore the symbolic dreams. I call them pizza dreams. However, since I started following Mark's instructions, I have had dreams and I understand them! None of the other courses have worked for me. Now I have received major direction! I am so excited when I go to bed and look forward to God speaking to me in my dreams.

What if Listening to God Was Easy? Neil Miller.2021-09-02 What if listening to God was easy? What if you could learn how to hear God's voice and hear him speak to you all within fifteen minutes? What if after developing a practice of listening to God, your life was totally transformed? God wants to talk to us, and he doesn't want it to be difficult. With over sixty stories of listening to God interspersed throughout the text, this highly readable book gives a simple method we can immediately adopt to help us hear God's voice on a daily basis. The later chapters show us how we can employ listening to God in discipleship and inner healing prayer. The final chapter demonstrates how people from other religions progress in their spiritual journeys when we help them listen to Jesus. What does this book have that other books lack? A practical step-by-step that has worked hundreds of times.

Overflow of the Spirit Mark Virkler,Charity Virkler Kayembe.2020-11-17 All of the gifts of the Holy Spirit are available continuously, effortlessly, and naturally to every Christian. First Corinthians 12:7-11 reveals the nine-fold manifestation—wisdom, knowledge, faith, healing, miraculous powers, prophecy, distinguishing between spirits, speaking in tongues, and interpretation of tongues—but the Holy Spirit has much more that He

wants to share with all Christians and He is ready to fill them to overflowing. Most people believe they can only have one or two of the gifts mentioned in Paul's letter, yet the Bible clearly shows that believers can receive all of them. In fact, the apostle himself probably evidenced all nine gifts. However, these are only examples of the way the Spirit of God may reveal Himself to His people. They are not the only ways He will do so. In *Overflow of the Spirit: How to Release His Gifts in Every Area of Your Life*, Dr. Mark Virkler and co-author Charity Virkler Kayembe, his daughter, endeavor to teach you how to connect with the Holy Spirit moment by moment and intentionally draw upon His supernatural abilities. You will learn how to tune to the indwelling Holy Spirit and release Him into every situation of your life. Rather than life being you in action, it will be the Holy Spirit in action through you. Blessings will overtake you as you live and walk by the Spirit. The overflow of the Spirit opens the door to an entire lifestyle of intimacy with God that, once mastered, releases the heavens and God's provisions for your life. The authors' clear, lineal, biblical teaching is interspersed with real-life stories that clearly illustrate each point. Application exercises at the end of each chapter help to guide you into putting the lessons into action.
