**Secrets Mormons Don't Want You to Know** Richard Benson,Cindy Benson.2011 Most Christians only see the public face of Mormonism, thanks to their persuasive PR campaigns: clean-faced young people, parents committed to family values, and spectacular temples. But what do Mormons really believe? In this revealing book you'll learn their shocking doctrines, like: It's good to lie... to protect the church. There are millions of gods. God was once a man, and became a god. We can become gods, too. Jesus and Lucifer were spirit brothers. We all have an Eternal Mother. God is a polygamist. The Jesus of the Bible was a polygamist. The Jesus of Christianity is NOT the Jesus of Mormonism. Sins are forgiven through good works. Salvation by faith in Jesus is utter nonsense. Black people were cursed by God. A group of gods helped Jesus form the earth. Some sins require the shedding of your own blood. You'll also read the moving testimony of former Mormon, Cindy Benson. She reveals from personal experience the ugly, hidden side of Mormonism. She was only eleven years old when her 53-year-old father announced that a 15-year-old girl must become his second wife. Once you know what Mormons really believe, you will be better equipped to witness to them. Here is what Mormon leaders really taught their members, and what the Bible has to say about it. We believe this book will help you create burning questions instead of a burning in the bosom) for Mormons you know. And the Bible verses are right there to give you the answer.

*Passport to Heaven* Micah Wilder.2021-06-01 "You have a call, Elder Wilder." When missionary Micah Wilder set his sights on bringing a Baptist congregation into the Church of Jesus Christ of Latter-day Saints, he had no idea that he was the one about to be changed. Yet when he finally came

to know the God of the Bible, Micah had no choice but to surrender himself—no matter the consequences. For a passionate young Mormon who had grown up in the Church, finding authentic faith meant giving up all he knew: his community, his ambitions, and his place in the world. Yet as Micah struggled to reconcile the teachings of his Church with the truths revealed in the Bible, he awakened to his need for God's grace. This led him to be summoned to the door of the mission president, terrified but confident in the testimony he knew could cost him everything. *Passport to Heaven* is a gripping account of Micah's surprising journey from living as a devoted member of a religion based on human works to embracing the divine mercy and freedom that can only be found in Jesus Christ.

**Philosophical Foundations for a Christian Worldview** J. P. Moreland,William Lane Craig.2009-09-20 Winner of a 2004 ECPA Gold Medallion Award! Winner of an Award of Excellence in the 2003 Chicago Book Clinic! What is real? What is truth? What can we know? What should we believe? What should we do and why? Is there a God? Can we know him? Do Christian doctrines make sense? Can we believe in God in the face of evil? These are fundamental questions that any thinking person wants answers to. These are questions that philosophy addresses. And the answers we give to these kinds of questions serve as the the foundation stones for consrtructing any kind of worldview. In *Philosophical Foundations for a Christian Worldview* J.P. Moreland and William Lane Craig offer a comprehensive introduction to philosophy from a Christian perspective. In their broad sweep they seek to introduce readers to the principal subdisciplines of philosophy, including epistemology, metaphysics, philosophy of science, ethics and philosophy of religion. They do so with characteristic clarity and incisiveness. Arguments are clearly outlined, and rival theories are presented with fairness and accuracy. Philosophy, they contend, aids Christians in the tasks of apologetics, polemics and systematic theology. It reflects our having been made in the image of God, helps us to extend biblical teaching into areas not expressly addressed in Scripture, facilitates the spiritual discipline of study, enhances the boldness and self-image of the Christian community, and is requisite to the essential task of integrating faith and learning. Here is a lively and thorough introduction to philosophy for all who want to know reality.

*Mission Affirmed* Elliot Clark.2021-12-22 What will it take to accomplish Christ's mission in our lifetime? That's the question evangelicals have been asking for over a century, but our efforts to reach the unreached and finish the task have often sacrificed the important for the immediate. The greatest challenge in evangelical missions isn't a lack of urgency, but a lack of discernment. As we've prioritized movements that are simple and reproducible, the gospel and faithful churches are now threatened. Our mission itself could be disqualified. In *Mission Affirmed*, Elliot Clark seeks to reshape our motivation by considering the example of Paul the missionary. The desire for God's approval is what formed his ambition and directed his methods, and it should guide ours too. In these pages, we rediscover how pursuing God's praise can both motivate and regulate our gospel ministries. We also refocus—as missionaries, pastors, churches, and individuals—on what matters more than a mission accomplished: a mission God affirms. Published in partnership with the Gospel Coalition.

*Answering Mormons' Questions* Bill McKeever,Eric Johnson.1983 The Church of Jesus Christ of Latter-Day Saints currently boasts millions of members, thousands of missionaries, and congregations on every continent as well as in the vast majority of the world's countries. It's clear that their influence is still growing in our communities, places of business, and in the political arena. It's also clear that Christians need to be prepared to answer questions from Mormon friends, neighbors, co-workers, and from fellow believers as well. In this updated and expanded edition of McKeever's popular and practical book, authors Bill McKeever and Eric Johnson provide ready responses to the common questions Mormons ask. With more than six decades of combined experience, the authors tackle such tough questions as: Why don't you accept Mormons as Christians? Do you believe Mormonism is a cult? If the LDS church is not true, which church is? How can you explain the many contradictions found throughout the Bible? After offering analysis and responses to these and other questions, McKeever and Johnson provide helpful appendices that summarize Mormon beliefs, provide 101 Bible references to use in conversation, and expose common logical fallacies. Originally published in the 1980s, this volume has been—and will continue to be—a classic resource to help Christians become more successful in sharing their faith with Mormons.

**Seeing and savouring Jesus Christ** JOHN PIPER.2020-05-21 Who is Jesus Christ? You've never met Him in person, and you don't know anyone who has. But there is a way to know who he is. How? Jesus Christ - the divine Person revealed in the Bible - has a unique excellence and a spiritual beauty that speaks directly to our souls and says, Yes, this is truth. It's like seeing the sun and knowing that it is light, or tasting honey and knowing that it is sweet. The depth and complexity of Jesus shatter our simple mental frameworks. He baffled proud scribes with his wisdom but was understood and loved by children. He calmed a raging storm with a word but would not get himself down from the cross. Look at the Jesus of the Bible. Keep your eyes open, and fill them with the portrait of Jesus in God's Word. Jesus said, If anyone's will is to do God's will, He will know whether the teaching is from God or whether I am speaking on my own authority. Ask God for the grace to do His will, and you will see the truth of His Son. John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else.

Warner Wallace, Lynn Wilder, and others—lays out a variety of creative methods for sharing the gospel effectively so you can... initiate authentic conversations respond with compassion and clarity to Mormon teachings understand your Mormon friends and find ways to keep the dialogue going Speaking the truth to Mormons can feel daunting when you're unprepared.
