Patterns of Discipleship in the New Testament Richard N. Longenecker.1996-10-08 Discipleship is a subject that lies at the heart of Christian thought, life, and ministry. For centuries it has been a way of thinking and speaking about the nature of the Christian life. But what is actually meant by the notion of Christian discipleship? In *Patterns of Discipleship in the New Testament* thirteen first-class scholars examine what the New Testament writings say about the subject of discipleship, highlight the features of both unity and diversity that appear throughout the New Testament, and suggest, in a very readable style, how Christian discipleship can be expressed today in ways that honor both the oneness of the gospel and a legitimate variety of lifestyles.

Fruitful Discipleship Sherry A. Weddell.2017-06-20 As faith-filled Catholics, we are called to go out and spread the good news of the Gospel, build up the Church, and fuel its mission. We are supernaturally empowered by God to do this through the charisms we receive at Baptism. Learn about each charism, what they are, and how discipleship unleashes these powerful gifts to produce fruit that lasts.

An Examination of the Theme of Discipleship in The Seven Churches of Revelation Steve L. Roy.2021-09-15 "Go and make disciples." Our command is clear; our mission is given. But what exactly is a disciple and what does discipleship really mean? In *An Examination of the Theme of Discipleship in the Seven Churches of Revelation*, Dr. Steve Roy takes the reader to the book of Revelation and to the specific letters from Jesus Christ himself. These letters help the reader to discover dramatically important conclusions as to what discipleship is and what it means to be a disciple. Through each of the letters to the seven churches, Jesus follows a particular pattern of discipleship and applies it to the specific churches in western Asia Minor. These patterns and instructions are just as relevant for us today as they were when John the Revelator sent them. This book is written for the person who wants to take discipleship seriously and for the pastor who stands before his congregation weekly with the purpose of making disciples.

Design for Discipleship J. Dwight Pentecost.1971 Dr. Pentecost demonstrates that discipleship is a growing experience of knowledge, commitment, active love, and service.

Discipleship Heini Arnold.1994 I pray that those who read this book won't be afraid to be confronted, and I trust that the word of God that comes to them through it will bring true comfort, true consolation, true hope, and true courage. -Henri J.M. Nouwen

Deep Discipleship J.T. English.2020-09-29 Everyone is being discipled. The question is: what is discipling us? The majority of Christians today are being discipled by popular media, flashy events, and folk theology because churches have neglected their responsibility to make disciples. But the church is not a secondary platform in the mission of God; it is the primary platform God uses to grow people into the image of Jesus. Therefore, as church leaders, it is our primary responsibility to establish environments and relationships where people can be trained, grow, and be sent as disciples. There are three indispensable elements of discipleship: Learning to participate in the biblical story (the Bible) Growing in our confession of who God is and who we are (theology) Regularly participating in private and corporate intentional action (spiritual disciplines) Deep Discipleship equips churches to reclaim the responsibility of discipling people at any point on their journey.

This critically important book is presented by the author as "An attempt to provide the needful for the Lord's call to make disciples who will make disciples, who will themselves make disciples and..." It is a statement of the revelations, doctrines, methods and principles of discipleship aimed at helping anyone to experience discipleship and thereby lead others to grow in a way to become active workers in making others disciples. It is a book to read and recommend to any servant of God cognizant of the glorious mission that the Lord Jesus Christ has entrusted to His church: Therefore, go and make disciples of all nations... Following the Master Michael J. Wilkins. 2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years, clergy, and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ. What should a disciple of Jesus look and act like today? What is the relationship between discipleship and salvation, between discipleship and sanctification, between discipleship and ministry? How were disciples of Jesus different from other disciples in the ancient world? How did the early church carry out Jesus' agenda in making disciples of all the nations? In *Following the Master*, Michael J. Wilkins addresses these and many other questions that perplex the church today- not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship. *Following the Master* compares other forms of master-disciple relationships in existence in the ancient Judaism and Greco-Roman world, traces Jesus' steps as he called and developed disciples, and Mediterranean world as it followed Jesus' command to make disciples. *Following the Master* lays the groundwork necessary for developing biblical discipleship ministries in the church, on the mission field, and in parachurch ministries. It is essential reading for all pastors, students, and Christian workers.

The Disciple-Making Church Bill Hull. 2010-06-15 Scripture places high priority on the discipling capacity of the church, This book shows how to accomplish it. Foreword by Howard Ball.

Go Preston M. Sprinkle. 2016 Disciple-making is a passion of many, as it should be. It is, after all, our great commission. But much of contemporary discipleship is informed by instinct, and as such it is vulnerable to the whims and trends of the broader culture, which can take us further away from our biblical model and mandate. Drawing on a 2015 Barna Group study of the state of discipleship in the United States commissioned by The Navigators, bestselling author Preston Sprinkle provides a holistic, biblical response for discipleship, providing accessible tools for all those who are engaged in making Christ-followers in the 21st century. Sprinkle points pastors, church leaders, and frankly, all Christ-followers, to a discipleship that is responsive to this most current research and accountable to the model of Jesus and his earliest followers, who counted making disciples as their most important work. In an extremely practical fashion, *Go* helps us to discern, from the Scriptures and from exemplary disciple-making ministries, what discipleship is and is not, what it has become and what it can still be.

The apostle John recorded these discipleship instructions in his gospel (chapters 13-17). This book will focus on twelve important lessons Jesus shared with his disciple or apprentices which were intended to prepare them for life and service on earth after His resurrection and return to heaven. This book is an expositional study of John 13-17 which is designed to prepare and empower followers of Jesus to live out the implications of their faith. The chapters contain practical principles and personal application. Study questions appended to each chapter make this book useful for individual and group Bible study.

Becoming a Parish of Intentional Disciples Sherry A. Weddell, Editor.2015-01-15 It is not the same thing to have known Jesus as not to have known him, not the same thing to walk with him as to walk blindly, not the same thing to hear his word as not to know it.... We know that with Jesus life becomes richer.-Pope Francis, *The Joy of the Gospel* In her first book, *Forming Intentional Disciples: The Path to Knowing and Following Jesus*, Sherry Weddell, cofounder of the Catherine of Siena Institute, captured the attention of Catholics across the globe as she uncovered the life-changing power that accompanies the conscious decision to follow Jesus as his disciple. Now, in the groundbreaking *Becoming a Parish of Intentional Disciples*, she has gathered together experienced leaders and collaborators whose exceptional field-tested wisdom and enthusiasm for transforming Catholic parishes into centers of discipleship and apostolic outreach is both inspiring and practical. The authors consider: The role of intercessory prayer in parish transformation How fireside chats can help a pastor connect with his parishioners and call them to personal discipleship and mission The co-responsibility of lay people and pastors in the work of making disciples The revolutionary impact of a discipleship approach to youth ministry How one parish successfully fostered a culture of intentional discipleship, and much more As Sherry asks in her own chapter, Are we willing to answer the call and pay the price necessary to become a new generation of saints through which God can do extraordinary things in our time?

DiscipleShift Jim Putman, Bobby Harrington.2013-04-23 Question: What is the God-given purpose of the local church? Answer: Relational discipleship. *DiscipleShift* walks you through five key shifts that churches must make to refocus on the fundamental biblical mission of discipleship. These intentional changes will attract the world and empower your church members to be salt and light in their communities. Over the last thirty years, many influential church leaders and church planters in America have adopted various models for reaching unchurched people. While many of these approaches have merit, something is still missing, something even more fundamental to the mission of the church: discipleship. Making disciples—helping people to trust and follow Jesus—is the church's God-given mandate. Devoted disciples attract people outside the church because of the change others see in their Christ-like lives. And discipleship empowers Christians to be more like Christ as they intentionally develop relationships with non-believers. Through biblical and professional insights, Jim Putman and Bobby Harrington discuss the transformational effectiveness of making disciples and just how to do so, in practical terms. You'll learn: The specific roles of a disciple-making pastor. The components of person-to-person discipleship. How each ministry in your church leads to discipleship. How to implement discipleship in your church. Disciple-making leaders will not produce perfect churches, but they will create effective churches.

Profiles in Discipleship Gregory C. Higgins.2012 ALL CHRISTIANS are called to be disciples, yet there are many paths of discipleship. Having models of discipleship is essential to discovering our own unique paths as followers of Christ. *Profiles in Discipleship* explores twelve images or types of Christian discipleship that have guided the thought and action of two dozen influential figures in the Christian tradition. Combining history, theology, and spirituality, the book draws upon the richness of the Christian tradition to shed light on the crucial question of how to live a life of faithful Christian discipleship in today's world. The author presents profiles of twenty-four exemplars of Christian discipleship from the early church to the present day, including Catholic, Protestant, and Orthodox Christians. Among the remarkable men and women whose lives of discipleship are profiled in this book are soldiers and peacemakers, servants and liberators, and artists and protest poets. Sherry Weddell's Forming Intentional Disciples Study Guide Ximena DeBroeck.2014-03-28 What is keeping so many of us, and so many of our parishes, from becoming powerhouses of faith and evangelization is that we don't have a living relationship with Christ that transforms us into intentional disciples. *Forming Intentional Disciples: The Path to Knowing and Following Jesus (Our Sunday Visitor, 2012)* has become one of the most talked-about books of the decade in Catholic parishes across the country. Written by Sherry Weddell, co-founder and co-director of the Catherine of Siena Institute, *Forming Intentional Disciples* takes a clear-eyed look at the state of the Church today. Based on more than a decade of research with Catholics from across the country, the issues and opportunities in this book connect seamlessly with Pope Francis' call for evangelization as we open wide the doors of faith! Discipleship Defined Eric Russ.2010-11 DON'T read this book if you want to remain comfortable! Eric challenges us to consider what Biblical discipleship looks like based on what Jesus did. Eric writes this book with the integrity of a man who is not merely theorizing about the way things ought to be, rather he is describing what is actually happening as he builds Biblical disciples in the context of the inner city. This book is soundly Biblical, challenging and practical. This book is about building disciples not programs. Roger Hershey, Campus Crusade For Christ It is a joy to highly commend to all *Discipleship Defined*, for it is exactly the prescription that is needed for the Church to regain much of our lost effectiveness. *Discipleship Defined* has carefully described, yet without programming it into a rigid system, how to go about this challenging task. Walter C. Kaiser, Jr.,

President Emeritus Gordon-Conwell Theological Seminary Eric Russ gives us some very straight forward thinking about discipleship, a topic widely misunderstood and undervalued. Moving away from piety-driven discipleship, Russ points us toward a holistic, Christ-centered way of following Jesus. Jonathan Dodson, Lead Pastor Austin City Life, Austin, TX. Eric has a healthy obsession about strong discipleship, and it shows in a gracious way in this guidebook for muscular commitment. Can you be obsessed and still have a gracious spirit? Eric does, and so does this book! Knute Larson, Senior Pastor The Chapel, Akron, OH (1983-2009) Eric Russ is lead pastor of Mack Avenue Community Church in Detroit, Michigan. He is married to Sara and has four children. For more information visit www.discipleshipdefined.com or www.mackave.com.

Seven Pillars of Discipleship Dr. Terren L. Dames.2022-04-19 The title of this book, *Seven Pillars of Discipleship: Book One*, is the first in a seven-part series on discipleship. Pillar one or book one deals with the beginning of the discipleship process (salvation). In order for one to become a disciple of Jesus the Christ, he/she must first be born again—that is the acceptance of Christ as Lord and Savior and the repentance (turning away from) sin. Book one seeks to show why salvation is necessary and God’s plan to redeem the world through the death of His only begotten Son. A misunderstanding of salvation results in an eternal outcome, hence, this is probably the most important message in the series and the most essential to the foundation of the discipleship process.

Discipleship in the Postmodern Age Daniel L. Kohn.2020-09-04 There is a “missing link” in most churches today. There is a significant gap between membership and active involvement in ministry. What is missing is what Jesus modeled in His earthly ministry—disciple making. In the absence of this model from Christ, churches struggle to maintain membership and ministry. Underequipped members lack the enthusiasm and insight to truly be a part of active ministry. The reverse is also true—when members are trained as active disciples, the ministry potential of the church can follow that of the early Christian church outlined in the book of Acts. Yes, the model works, as the Holy Spirit works in the transformed lives of today’s disciples as He has throughout the history of the church. This book will give you practical insights for developing a discipleship process in your church.
