Exceptional Crime in Early Modern Spain Elena del Río Parra.2019-06-17 In Exceptional Crime in Early Modern Spain Elena del Río Parra brings together a myriad of criminal accounts to examine the aesthetic and rhetorical construction of violent murder and its cultural stance in early modern Spain.

I, Rigoberta Menchu Rigoberta Menchu.2010-01-12 Now a global bestseller, the remarkable life of Rigoberta Menchú, a Guatemalan peasant woman, reflects on the experiences common to many Indian communities in Latin America. Menchú suffered gross injustice and hardship in her early life: her brother, father and mother were murdered by the Guatemalan military. She learned Spanish and turned to catechistic work as an expression of political revolt as well as religious commitment. Menchú vividly conveys the traditional beliefs of her community and her personal response to feminist and socialist ideas. Above all, these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman.

The Pigeon Patrick Süskind.2015-06-25 The Pigeon by Patrick Süskind is dark and haunting tale from the author of the bestselling Perfume - now available in ebook for the first time Set in Paris and attracting comparisons with Franz Kafka and Edgar Allan Poe, The Pigeon tells the story of a day in the meticulously ordered life of bank security guard Jonathan Noel. Noel who has been hiding from life since his wife left him for her Tunisian lover - when he opens his front door on a day he believes will be just like any other, he encounters not the desired empty hallway but an unwelcome, diabolical intruder . . . This tense, disturbing follow-up to the bestselling Perfume is a modern classic novella from the much-acclaimed Patrick Süskind

Writers in Between Languages Mari Jose Olaziregi.2009 Collection of articles by Basque writers and American and European academics on the globalization of literature, postcolonialism, and new ethnic landscapes. Also treats topics such as center and periphery dualities, subaltern identities, so-called borderlands thought, and the effect of Creoleness--Provided by publisher.

The House of Bernarda Alba Federico García Lorca.2008 In the suffocating heat of summer, Bernarda Alba's house holds three generations of women in mourning. With few options for a life away from their grasping mother, five sisters fight each other for the attentions of the one man who could offer marriage and escape. The House of Bernarda Alba was the last play written by the celebrated Spanish writer, Federico García Lorca and was made into a successful TV film in 1991 starring Glenda Jackson and Joan Plowright.

Mermaid Reef Rosie Banks.2012 Ellie, Summer and Jasmine are set for a magical adventure deep beneath the sea. Can they help their new underwater friends save the enchanted Wishing Pearl from mean Queen Malice and her naughty storm sprites?

Historia y crítica de la literatura española: Siglos de Oro, Renacimiento Francisco Rico.1991 Esta obra quisiera mostrar una imagen nueva de la literatura española: un panorama no compuesto ya de resúmenes y catálogos de datos, sino formado por las mejores páginas que la crítica moderna, desde las perspectivas más originales y reveladoras, ha dedicado a los aspectos fundamentales de la historia literaria de España, de las jarchas a nuestros días. El núcleo de «Historia y crítica de la literatura española» es una selección de los trabajos de mayor importancia sobre cada tema publicados en los últimos decenios y aquí dispuestos sistemáticamente para proporcionar una visión cabal de los grandes autores propiamente literarios y más diestra en relacionarlos con la trama entera de la historia. Junto a ese núcleo, cada capítulo ofrece una presentación general de la materia abordada y, por otra parte un balance ricamente informado de los estudios sobre la cuestión, con una rigurosa guía a la bibliografía pertinente.

Less Translated Languages Albert Branchadell,Lovell Margaret West.2005-01-27 This is the first collection of articles devoted entirely to less translated languages, a term that brings together well-known, widely used languages such as Arabic or Chinese, and long-neglected minority languages — with power as the key word at play. It starts with some views on English, the dominant language in Translation as elsewhere, considers the role of translation for minority languages — both a source of inequality and a means to overcome it —, takes a look at translation from less translated major languages and cultures, and ends up with a closer look at translation into Catalan, a paradigmatic case of less translated language, in a final section that includes a vindication of six prominent Catalan translators. Combining sound theoretical insight and accurate analysis of relevant case studies, the contributors to this collection make a convincing case for a more thorough examination of less translated languages within the field of Translation Studies.

The Mystery of the Golden Blossom Samael Aun Weor.2010-09-13 Discover how your greatest creative power is also your greatest spiritual power. “All of us possess some electrical and magnetic forces within, and, just like a magnet, we exert a force of attraction and repulsion... Between lovers that magnetic force is particularly powerful and its action has a far-reaching effect.” - Samael Aun Weor In the heart of every religion there are teachings about intimate human relationships, a sacred knowledge about the transformative power of sex, which states that true spiritual mastery is a result of conquering base desires and transforming them into conscious virtues. Harnessing and transforming the most powerful forces within places us on a revolutionary path to spiritual awakening. Every birth is a magical act, performed through sex. Spiritual birth is no

exception, and is accomplished through a divine form of sexuality. "The physical union of a man and a woman, in essence, is a supernatural act, a reminiscence of paradise, the most beautiful of all the hymns of praise dedicated to the Creator by the creature; it is the alpha and the omega of all creation." - Samael Aun Weor * Enter into the sacred mysteries hidden in all major religions * Learn to practice the ancient science that inspired Tantra, Alchemy, Taoism, and other traditions * Filled with lively, entertaining stories, and practical exercises and guidance for personal development

Spanish for Reading Fabiola Franco, Karl C. Sandberg. 1998-03-01 A unique approach to Spanish reading comprehension, Spanish for Reading can be used as a textbook supplement in classrooms or by anybody who is teaching himself Spanish. It begins by demonstrating similarities between words and parts of words in Spanish and English, and proceeds to offer practical instruction that will help readers broaden recognition of words and phrases. Each of the book's fifteen chapters concludes with a reading passage, the first of them quite easy to comprehend, and successive passages increasingly complex and sophisticated. Early passages are simple essays on Spain's and the Spanish-speaking world's language, geography, and culture. Later passages are excerpts from well-known works by world renowned Spanish writers, including Jorge Luis Borges, Pablo Neruda, and Gabriel Garcia-Marquez. Students who use this volume methodically will ultimately be reading and understanding these passages in their original, unedited Spanish, without need to seek outside help. Short of spending time in Spain or Latin America, here is as good an introduction to Spanish culture as a student will be able to find anywhere. Photos and line drawings.

Early Modern Prophecies in Transnational, National and Regional Contexts Lionel Laborie, Ariel Hessayon. 2020 In this important collection of primary sources, Laborie and Hessayon bring together a huge range of vital sources for the study of prophecy in the early modern world. This meticulously edited 3-volume set includes rare material and fascinating manuscripts published in English for the first time. Volumes are organised geographically, each with its own introduction by a world-renowned expert. Together with their respective contributors, they show how prophecies circulated widely throughout this period at all levels of society. Indeed, they often emerged in times of crisis and were delivered as warnings as well as signals of hope. Moreover, they were constantly adapted and translated to suit ever changing contexts - including those for which they had not been originally intended. Contributors include: Viktoria Franke, Monika Frohnapfel-Leis, William Gibson, Mayte Green-Mercado, Marios Hatzopoulos, Jacqueline Hermann, Ariel Hessayon, Warren Johnston, Lionel Laborie, Adelisa Malena, Andreas Pečar, Martin Pjecha, Michael Riordan, Luís Filipe Silvério Lima, Damien Tricoire, Leslie Tuttle, and Kristine Wirts--

Governing the Galleys Manuel Lomas, Manuel Lomas Cortés. 2020 In *Governing the Galleys*, Manuel Lomas analyses the political, legal and economic impact of the development of the Spanish Navy in the Early Modern Mediterranean (sixteenth - seventeenth centuries).

Brewster's Millions George Barr McCutcheon. 1903 Montgomery Monty Brewster counts his blessings when he inherits a million dollars from his late, rich grandfather. However, when his equally-wealthy uncle also dies, Brewster immediately inherits another seven million dollars. But there's a catch: Brewster will only receive his uncle's money if he spends all of his grandfather's money within one year.

Brill's Companion to the Reception of Plutarch .2019-10-07 Brill's Companion to the Reception of Plutarch offers the first comprehensive analysis of Plutarch's rich reception history from the high Roman Empire, Late Antiquity and Byzantium to the Renaissance, Enlightenment, and the modern era, across various cultures in Europe, America, North Africa, and the Middle East.

Gramàtica a l'aula Anna Bartra Kaufmann, Enrique Bernárdez Sanchis, Anna Camps i Mundó, M. Josep Cuenca Ordinyana, M. Victòria Escandell Vidal, Montserrat Ferrer Ripollès, Olga Esteve Ruescas, Carmen Rodríguez Gonzalo, Pedro Jimeno Capilla, Marta Milian Gubern, Rosa Sánchez d. Medina Contreras, Amparo Tusón Valls, Felipe Zayas Hernando. 2000-11-13 L'èmfasi actual en el desenvolupament de les capacitats discursives dels aprenents ha obligat a fer un replantejament del paper de la gramàtica.

L'Arca 6 Esther Bellavista. 2006-04-24 Els llibres de llengua castellana del cicle superior s'estructuren en dotze unitats de programació, i mantenen continuïtat amb els continguts proposats en els llibres de llengua castellana 1 i 2 de cicle inicial. Es para una atenció especial a les interferències que es produeixen entre la llengua catalana i la castellana, treballant les anomenades estructures lingüístiques comunes i presentant una gran varietat de tipologies textuais. També s'incideix en els aspectes més sistemàtics (ortografia, especialment). El nou plantejament del programa d'expressió pretén ajudar els nens i nenes a escriure de manera més autònoma. Unes unitats de programació especials anomenades projectes d'expressió tanquen el que podria ser cada un dels treballs trimestrals insistint en l'ús i la capacitat comunicativa dels alumnes fent servir aquesta llengua i afavorint el treball en equip.

Diccionario enciclopédico de la lengua castellana .1905

Fireflies Ana María Matute. 1998 Fireflies, although set in Barcelona during the Spanish Civil War, could readily take place in a bellicose situation anywhere in the world. It contains an expose of the chasm between generations, between rich and poor, between materialism and idealism. This novel has a socioeconomic/psychological relevance that leaves the reader pondering the consequences of war and the nugatory effects of imposing status quo values on adolescents who are in search of their own truth, their raison d'etre. The story centers on the lives of two adolescents from opposite levels of society whose redemption lies in their short-lived mutual love, which ends tragically.

Secret Science María M. Portuondo. 2013-04-18 The discovery of the New World raised many questions for early modern scientists: What did these lands contain? Where did they lie in relation to Europe? Who lived there, and what were their inhabitants like? Imperial expansion necessitated changes in the way scientific knowledge was gathered, and Spanish cosmographers in particular were charged with turning their observations of the New World into a body of knowledge that could be used for governing the largest empire the world had ever known. As María M. Portuondo here shows, this cosmographic knowledge had considerable strategic, defensive, and monetary value that royal scientists were charged with safeguarding from foreign and internal enemies. Cosmography was thus a secret science, but despite the limited dissemination of this body of knowledge, royal cosmographers applied alternative epistemologies and new methodologies that changed the discipline, and, in the process, how Europeans understood the natural world.

Spanish Graphic Narratives Collin McKinney, David F. Richter. 2020-11-30 Spanish Graphic Narratives examines the most recent thematic and critical developments in Spanish sequential art, with essays focusing on comics published in Spain since 2007. Considering Spain's rich literary history, contentious Civil War (1936-39), oppressive Francisco Franco regime (1939-75), and progressive contemporary politics, both the recent graphic novel production in Spain and the thematic focal points of the essays here are greatly varied. Topics of particular interest include studies on the subject of historical and personal memory; representations of gender, race, and identity; and texts dealing with Spanish customs, traditions, and the current political situation in Spain. These overarching topics share many points of contact one with another, and this interrelationship (as well as the many points of divergence) is illustrative of the uniqueness, diversity, and paradoxes of literary and cultural production in modern-day Spain, thus illuminating our understanding of

Spanish national consciousness in the present day.

Unicorn Valley (Secret Kingdom #2) Rosie Banks.2014-01-28 Enter a magical world full of friendship and fun! Ellie, Summer, and Jasmine are excited to visit the Secret Kingdom once again. And this time, they are traveling as Very Important Friends of King Merry, who needs their help! His wicked sister, Queen Malice, has hidden a thunderbolt in Unicorn Valley. Can the girls help their new unicorn friends save the magical land and earn their golden horns?

Disabled Bodies in Early Modern Spanish Literature Encarnación Juárez-Almendros.2017-12-31 This study examines the concepts and role of women in selected Spanish discourses and literary texts from the late fifteenth to seventeenth centuries from the perspective of feminist disability theories, concluding that paradoxically, femininity, bodily afflictions, and mental instability characterized the new literary heroes at the very time Spain was at the apex of its imperial power.
