OHFB is a free Kindle book website that gathers all the free Kindle books from Amazon and gives you some excellent search features so you can easily find your next great read. Just like with library books, when you check out an eBook from OverDrive it'll only be loaned to you for a few weeks before being automatically taken off your Kindle. You can also borrow

books through their mobile app called Libby. The Literature Network: This site is organized alphabetically by author. Click on any author's name, and you'll see a biography, related links and articles, quizzes, and forums. Most of the books here are free, but there are some downloads that require a small fee. The Open Library has more than one million free e-books available. This library catalog is an open online project of Internet Archive, and allows users to contribute books. You can easily search by the title, author, and

subject. GetFreeBooks: Download original ebooks here that authors give away for free. Obooko: Obooko offers thousands of ebooks for free that the original authors have submitted. You can also borrow and lend Kindle books to your friends and family. Here's a guide on how to share Kindle ebooks. It would be nice if we're able to download free e-book and take it with us.
