WHY? Nikolai Popov.2021-10-26 In this new edition of a wordless modern classic, a frog picks a beautiful flower. When a mouse sees him with it, his jealousy overcomes him, and he grabs it for himself. Then Frog's friends chase the mouse away. When the dust finally clears, all either side can ask is: Why? With an afterword by children's literature expert Leonard S. Marcus, this seemingly simple book is an invaluable way to talk to young children about conflict and warfare.

The Damned Utd David Peace. 2014-04-01 "Probably the best novel ever written about sport." —The Times (UK) He was a real-life, working-class hero known as the "British Muhammad Ali"—because he had a big mouth and wasn't afraid to use it. But Brian Clough wasn't a boxer, he was a soccer coach, known for taking backwater teams and making them into champions. In towns where people had little else, the hard-drinking and scrappy Clough was a hero. He was especially beloved for telling it like it was on behalf of small-town teams everywhere—calling out the stars who played dirty, rival coaches he suspected of bribing referees, and the league that let them get away with it. And then

one day Clough was offered a job coaching the big-city team he'd called the dirtiest—the perennial powerhouse Leeds United. The Damned Utd tells the story of the legendary Clough's tumultuous forty-four days trying to turn around a corrupt institution without being corrupted himself—the players who wouldn't play, the management that looked the other way, the wife and friends who stood by him as he fought to do the right thing. The inspiring story behind the movie of the same name, The Damned Utd has been called by The Times of London, "The best novel ever written about sport."

Similar to PDF Books World, Feedbooks allows those that sign up for an account to download a multitude of free e-books that have become accessible via public domain, and therefore cost you nothing to access. Just make sure that when you're on Feedbooks' site you head to the "Public Domain" tab to avoid its collection of "premium" books only available for purchase.
