The 7 Habits of Highly Effective People Stephen R. Covey.2013-11-19 A leading management consultant outlines seven organizational rules for improving effectiveness and increasing productivity at work and at home.

The Leader in Me Stephen R. Covey.2012-12-11 Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

2,000 Percent Living Donald Mitchell.2010-10-08 After thinking about the possible contents for the book over several weeks, Donald Mitchell was surprised to be awakened at 1:30 a.m. on May 19, 2009, by a voice that dictated to him in great detail what should be in this book. This dictation continued for many hours and finally paused for him to begin asking clarifying questions, which were then answered. The instruction lasted over six hours. In the Introduction, Mitchell notes, From that experience, I believe that by writing this book I am merely serving as a fleshly vehicle for a message from the Holy Spirit that is intended for all people on Earth. I pray that I have been faithful and accurate in sharing with you what I was directed to write. 2,000 Percent Living presents fourteen Godly lessons that you can apply to accomplish at least 20 times more in every aspect of your life, while using less time, effort, and resources. As a result, you will focus more on what's important, spend a lot less effort on what isn't important, and achieve more satisfaction from your efforts: 1. Accept Salvation. 2. Cleanse your mind. 3. Pick better objectives. 4. Increase focus on your objectives. 5. Gain knowledge faster. 6. Obtain more helpful knowledge. 7. Create a 2,000 percent solution. (Achieve 20 times more with the same or less time, money, and effort.) 8. Teach others to make similar breakthroughs. 9. Create a new 2,000 percent solution annually. 10. Improve your breakthrough solutions. 11. Link seven complementary 2,000 percent solutions to add enormous benefits. 12. Increase benefits for those who cannot help you. 13. Draw 20 times closer to others. 14. Check your conduct to please God. 2,000 Percent Living is the tenth book published for the 400 Year Project (www.fastforward400.com and *Adventures of an Optimist*) designed to accelerate human progress by 20 times from 2015-2035.
