Brothers Da Chen.2011-09-14 At the height of China's Cultural Revolution a powerful general fathered two sons. Tan was born to the general's wife and into a life of comfort and luxury. His half brother, Shento, was born to the general's mistress, who threw herself off a cliff in the mountains of Balan only moments after delivering her child. Growing up, each remained ignorant of the other's existence. In Beijing, Tan enjoyed the best schools, the finest clothes, and the prettiest girls. Shento was raised on the mountainside by an old healer and his wife until their deaths landed him in an orphanage, where he was always hungry, alone, and frightened. Though on divergent roads, each brother is driven by a passionate desire—one to glorify his father, the other to seek revenge against him. Separated by distance and opportunity, Tan and Shento follow the paths that lie before them, while unknowingly falling in love with the same woman and moving toward the explosive moment when their fates finally merge. *Brothers*, by bestselling memoirist Da Chen, is a sprawling, dynamic family saga, complete with assassinations, love affairs, narrowly missed opportunities, and the ineluctable fulfillment of destiny.

Getting Mother's Body Suzan-Lori Parks.2003-05-06 Billy Beede, the teenage daughter of the fast-running, no-account, and six-years-dead Willa Mae, comes home one day to find a fateful letter waiting for her: Willa Mae's burial spot in LaJunta, Arizona, is about to be plowed up to make way for a supermarket. As Willa Mae's only daughter, Billy is heiress to her mother's substantial but unconfirmed fortune—a cache of jewels that Willa Mae's lover, Dill Smiles, is said to have buried with her. Dirt poor, living in a trailer with her Aunt June and Uncle Roosevelt behind a gas station in a tumbleweedy Texas town, and pregnant with an illegitimate child, Billy knows that treasure could mean salvation. So she steals Dill's pickup truck and, with her aunt and uncle in tow, heads for Arizona with Dill in hot pursuit. While everyone agrees it's only polite to speak of getting mother's body and moving her to a proper resting place, it's well understood that digging up Willa Mae's diamonds and pearls will make the whole trip a lot more worthwhile. The enormously accomplished fiction debut from Suzan-Lori Parks, the 2002 winner of the Pulitzer Prize for Drama, *Getting Mother's Body* takes its place in the company of the classic works of Zora Neale Hurston and Alice Walker. But when it comes to an ingenious, uproarious knack for depicting the trifling, hard-luck, down-and-out souls who need a little singing and laughing and lying and praying to get through the day, Suzan-Lori Parks shares the stage with no one.

Oliver Park, a recovering addict from Indiana, finally has everything he ever wanted: sobriety and a loving, wealthy partner in Nathan, a prominent DC trauma surgeon. Despite their difference in age and disparate backgrounds, they've made a perfect life together. With everything to lose, Oliver shouldn't be visiting Haus, a gay bathhouse. But through the entrance he goes, and it's a line crossed. Inside, he follows a man into a private room, and it's the final line. Whatever happens next, Nathan can never know. But then, everything goes wrong, terribly wrong, and Oliver barely escapes with his life. He races home in full-blown terror as the hand-shaped bruise grows dark on his neck. Engrossing, character-driven, panoramic." —The New York Times Book Review We live in an era of soaring corporate profits and anemic wage gains, one in which low-paid jobs and blighted blue-collar communities have become a common feature of our nation's landscape. Behind these trends lies a little-discussed problem: the decades-long decline in worker power. Award-winning journalist and author Steven Greenhouse guides us through the key episodes and trends in history that are essential to understanding some of our nation's most pressing problems, including increased income inequality, declining social mobility, and the concentration of political power in the hands of the wealthy few. He exposes the modern labor landscape with the stories of dozens of American workers, from GM employees to Uber drivers to underpaid schoolteachers. Their fight to take power back is crucial for America's future, and Greenhouse proposes concrete, feasible ways in which workers' collective power can be—and is being—rekindled and reimaged in the twenty-first century. *Beaten Down, Worked Up* is a stirring and essential look at labor in America, poised as it is between the tumultuous struggles of the past and the vital, hopeful struggles ahead. Summer of Betrayal Ying Hong. 1999 At dawn on the June morning in 1989 following the brutal repression of student demonstrations in Beijing, a young poet flees the bullets, tanks, and soldiers, trying desperately to get back to the flat she shares with her lover. In the ensuing months, as she is all but overwhelmed by painful memories of the past and by the turmoil of the present, she goes through a kind of sea change: sexual freedom and erotic liberation seem to be the only freedoms left to her, but these, too, may lead to betrayal, and she must find her bearings on her own. At the center: Li Tongshu, one of the few Chinese citizens ever to graduate from the San Francisco Conservatory of Music. He is married to Vivian Knight, a Chinese American violinist. Tongshu is drawn by Mao's promise to build a new China, and by the enthusiasm so many other Chinese artists and scientists living abroad express at that prospect. The odds of Tongshu ever having a successful career as a performer in the US are small, and so when the new president of the recently established Central Academy of China offers him a teaching position, he decides to return home with his family. But now, Tongshu will be forced to contend with the erratic and unexpected shifts of a government determined to control the beliefs and convictions of the people; with suspicion of the Western culture that educated him; and with how the fortune and experience his son, Little Li, becomes caught up in the maelstrom of political and ideological upheaval that not only threatens to destroy his family, but that will ultimately destroy the essential fabric of Chinese society--

Lost in Translation Nicole Mones.2007-12-18 A novel of searing intelligence and startling originality, *Lost in Translation* heralds the debut of a unique new voice on the literary landscape. Nicole Mones creates an unforgettable story of love and desire, of family ties and human conflict, and of one woman's struggle to lose herself in a foreign land--only to discover her home, her heart, herself. At dawn in Beijing, Alice Mannegan pedals a bicycle through the deserted streets. An American by birth, a translator by profession, she spends her nights in Beijing's smoke-filled bars, and the

Chinese men she so desires never misunderstand her intentions. All around her rushes the air of China, the scent of history and change, of a world where she has come to escape her father's love and her own pain. It is a world in which, each night as she slips from her hotel, she hopes to lose herself forever. For Alice, it began with a phone call from an American archaeologist seeking a translator. And it ended in an intoxicating journey of the heart—one that would plunge her into a nation's past, and into some of the most rarely glimpsed regions of China. Hired by an archaeologist searching for the bones of Peking Man, Alice joins an expedition that penetrates a vast, uncharted land and brings Professor Lin Shiyang into her life. As they draw closer to unearthing the secret of Peking Man, as the group's every move is followed, their every whisper recorded, Alice and Lin find shelter in each other, slowly putting to rest the ghosts of their pasts. What happens between them becomes one of the most breathtakingly erotic love stories in recent fiction. Indeed, *Lost in Translation* is a novel about love—between a nation and its past, between a man and a memory, between a father and a daughter. Its powerful impact confirms the extraordinary gifts of a master storyteller, Nicole Mones.

Winning in China Lele Sang, Karl Ulrich.2021-01-19 If Amazon can't win in China, can anyone? When Amazon CEO Jeff Bezos visited China in 2007, he expected that one day soon China would be a double-digit percentage of Amazon's sales. Yet, by 2019, Amazon, the most powerful and successful ecommerce company in the world, had quit China. In *Winning in China: 8 Stories of Success and Failure in the World's Largest Economy*, Wharton experts Lele Sang and Karl Ulrich explore the success and failure of several well-known companies, including Hyundai, LinkedIn, Sequoia Capital, and InMobi, as more and more businesses look to reap profits from the demand of 1.4 billion people. Sang, Global Fellow at the Wharton School of the University of Pennsylvania, and Ulrich, Vice Dean of Entrepreneurship and Innovation at the Wharton School, answer four critical questions: Which factors explain the success (or failure) of foreign companies entering China? What challenges and pitfalls can a company entering China expect to encounter? How can a prospective entrant realistically assess its chances? Which managerial decisions are critical, and which approaches are most effective? Sang and Ulrich answer these questions by examining the stories of eight well-known and respected companies that have entered China. They study: How Norwegian Cruise Line's entry into China displays how cultural differences can boost or sink different companies; How Intel, one of the oldest, most respected firms in Silicon Valley, thrived in a country that seems to favor agile upstarts; How Zegna, the Italian luxury brand, has emerged as another surprising success story and how it plans to navigate new headwinds from the COVID-19 pandemic. Through these engaging and illuminating stories, Sang and Ulrich offer a framework and path for organizations looking for a way to successfully enter the world's largest economy. History can be a teacher, and China, a country with 3,500 years of written history, has much to teach.

Twenty Fragments of a Ravenous Youth Xiaolu Guo.2009-08-11 The latest novel from Orange Prize finalist Xiaolu Guo is the enchantingly comic story of a young Chinese woman's life as a film extra in hyper-modern, tumultuous Beijing. Though twenty-one-year-old Fenfang Wang has traveled 1,800 miles to seek her fortune in urban Beijing, she is ill-prepared for what greets her: a Communist regime that has outworn its welcome, a city in slap-dash development, and a sexist attitude more in keeping with her peasant upbringing than the country's progressive capital. But after mastering the fever and tumult of the city, Fenfang ultimately finds her true independence in the one place she never expected.

The Cook, the Crook, and the Real Estate Tycoon Liu Zhenyun.2015-08-04 *The Cook, the Crook, and the Real Estate Tycoon*, by prize-winning Chinese novelist Liu Zhenyun is a novel of Beijing that paints a microcosm of contemporary China, dealing with classes at the two extremes: the super rich and the migrant workers who make them rich through deceit and corruption. The protagonist, Liu Yuejin, is a work site cook and small-time thief whose bag is stolen. In searching for it he stumbles upon another bag, which contains a flash disk that chronicles high-level corruption, and sets off a convoluted chase. There are no heroes in this scathing, complex, and highly readable critique of the dark side of China's predatory

capitalism, corruption, and the plight of the underclasses. A movie adaptation and TV series appeared in 2008 in China. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
