**Ski Fitness** Ollie Martin.2015-10-28 Forget sitting on a stationary bike going nowhere or lying on your back waving your legs in the air. Professionalise your ski fitness training with the latest training techniques and theory from top conditioning coach, Ollie Martin. Have fun, be time efficient and dramatically improve your performance on the slopes. This step-by-step 3-5 month periodised conditioning programme is designed for a first time skier or seasoned athlete to easily follow and achieve amazing results.A periodised conditioning programme takes you much further than just trying to get fit doing 'ski-specific' circuits. Better still, it gets you much fitter for skiing than ... just skiing. This is because it identifies weaknesses in your chain of movements and strengthens them. The programme starts by building a core base, strengthening key muscles, improving power and only then, moving on to the ski-specific endurance exercises you probably know.'Ski Fitness is a beautiful synthesis of self assessment and individual progression that harmonizes beautifully with what I know to be true from 32 years of training and coaching athletes of all types. What is even better than finding a good book like this is knowing that the author isn't just a cut-n-paste expert, or an academic, but is a tried and tested elite athlete with authentic wisdom to share. I have personally witnessed Ollie's incredible athletic ability, and since he is proof of his teachings, this book will get

you there!'Paul Chek, Founder CHEK InstituteInternationally renowned health & fitness expert'Ollie's ski fitness programming has been fantastic, helping me really enjoy my skiing and keep up with my husband and children on the slopes.'Melanie Bishopwww.skifitness.tv

Dead Voices Katherine Arden.2020-06-30 New York Times bestselling author Katherine Arden returns with another creepy, spine-tingling adventure in the critically acclaimed Small Spaces Quartet. Now in paperback. Having survived sinister scarecrows and the malevolent smiling man in Small Spaces, newly minted best friends Ollie, Coco, and Brian are ready to spend a relaxing winter break skiing together with their parents at Mount Hemlock Resort. But when a snowstorm sets in, causing the power to flicker out and the cold to creep closer and closer, the three are forced to settle for hot chocolate and board games by the fire. Ollie, Coco, and Brian are determined to make the best of being snowed in, but odd things keep happening. Coco is convinced she has seen a ghost, and Ollie is having nightmares about frostbitten girls pleading for help. Then Mr. Voland, a mysterious ghost hunter, arrives in the midst of the storm to investigate the hauntings at Hemlock Lodge. Ollie, Coco, and Brian want to trust him, but Ollie's watch, which once saved them from the smiling man, has a new cautionary message: BEWARE. With Mr. Voland's help, Ollie, Coco, and Brian reach out to the dead voices at Mount Hemlock. Maybe the ghosts need their help--or maybe not all ghosts can or should be trusted. Dead Voices is a terrifying follow-up to Small Spaces with thrills and chills galore and the captive foreboding of a classic ghost story.
