*Dying to Wake Up* Dr. Rajiv Parti,Paul Perry.2016-08-16 Dr Rajiv Parti was the last man to believe in heaven or hell - until he saw them with his own eyes. Dr Parti was a wealthy man of science with a successful career as the Chief of Anesthesiology at the Bakersfield Heart Hospital in California. He demanded the same success from his son, whose failures provoked episodes of physical abuse from Dr Parti. However, his fate was overturned in 2005, when he was diagnosed with cancer. During his seventh operation against the disease, dying from sepsis with a 105 degree fever, Dr Parti left his body and watched his own operation from the ceiling. What followed was a profound near-death experience, in which Dr Parti was met by archangels and his deceased father, who led him to witness both heaven and hell. From the angels, he learned lessons of spiritual health that they insisted he bring down to earth - to do so, Dr Parti knew he had to change his ways. After his near-death experience, Dr Parti awoke a new man. He gave away his mansion, quit his career, opened a wellness clinic and completely turned around his relationships with his family. In this remarkable true story of spiritual transformation, Dr Parti provides rare details of heaven, hell, the afterlife and angels. In sharing the lessons and eternal truths from the Divine that changed him forever, Dr Parti offers his audience the opportunity to attain peace and live a better life here on Earth.

**Dimes from Heaven** Monica L. Morrissey.2019-02-27 When people die, are they ever truly gone? I had heard the saying "pennies from heaven" before, but my coins from heaven seemed to be dimes. Was my father actually sending me dimes to show me he wasn't really gone? My mother seemed to be sending pennies all the time, but my dad was pretty clever. Everyone around me knew that I was sensitive, but it took me writing about a few special dimes to discover what it meant to be an empath. Along with the messages from Heaven, I share how I am listening to the positive voice inside my head. This book is about so much more than dimes, yet without them, I wouldn't have written it.

*Many Lives, Many Masters* Brian L. Weiss.2012-05-01 From author and psychotherapist Dr. Brian Weiss comes the classic New York Times bestseller on the true case of the past-life therapy that changed the lives of both the prominent psychiatrist and young patient involved—now featuring a new afterword by the author. As a traditional psychotherapist, Dr. Brian Weiss was astonished and skeptical when one of his patients began recalling past-life traumas that seemed to hold the key to her recurring nightmares and anxiety attacks. His skepticism was eroded, however, when she began to channel messages from the "space between lives," which contained remarkable revelations about Dr. Weiss' family and his dead son. Using past-life therapy, he was able to cure the patient and embark on a new, more meaningful phase of his own career. With more than one million copies in print, *Many Lives, Many Masters* is one of the breakthrough texts in alternative psychotherapy and remains as provocative and timeless as it was when first published.

**Meditation** Dr. Brian L. Weiss.2015-01-05 Meditation is a technique that can be used to experience peace, tranquility and an inner beauty, leading us to rethink everything around us, even ourselves. It prompts us to trust in the ability we have to use and direct our energies to purify our bodies and minds... so that we can discover and develop our spirituality. Dr Brian Weiss, author of the million copy bestseller *Many Lives, Many Masters*, has written a very special book to help with the practice of meditation (an audio download is also included to help guide you through the process). Meditation: Achieving Inner Peace and Tranquility in Your Life includes the techniques Dr Weiss uses on his patients for past life regression, many of whom have conquered insomnia, anxiety, phobias, weight issues and disease. Meditation can also lower blood pressure, strengthen the immune system and reduce stress. As Dr Weiss says, 'It all starts by closing our eyes, relaxing our muscles, and slowing down our breathing. Little by little, we ask our minds to block out the clamouring voices that usually bombard it... this means living this moment intensely, letting go and surrendering.' This book is the first step on a more peaceful, relaxing journey through life.

**Waking Up** Sam Harris.2014-09-09 For the millions of Americans who want spirituality without religion, Sam Harris's latest New York Times bestseller is a guide to meditation as a rational practice informed by neuroscience and psychology. From Sam Harris, neuroscientist and author of numerous New York Times bestselling books, *Waking Up* is for the twenty percent of Americans who follow no religion but who suspect that important truths can be found in the experiences of such figures as Jesus, the Buddha, Lao Tzu, Rumi, and the other saints and sages of history. Throughout this book, Harris argues that there is more to understanding reality than science and secular culture generally allow, and that how we pay attention to the present moment largely determines the quality of our lives. *Waking Up* is part memoir and part exploration of the scientific underpinnings of spirituality. No other book marries contemplative wisdom and modern science in this way, and no author other than Sam Harris—a scientist, philosopher, and famous skeptic—could write it.

**Signs** Laura Lynne Jackson.2019 Laura Lynne Jackson is a psychic medium and the author of the New York Times bestseller *The Light Between Us*. She possesses an incredible gift--the ability to communicate with loved ones who have passed, convey messages of love and healing, and impart a greater understanding of our interconnectedness. Though her abilities are exceptional, they are not unique, and that is the message at the core of this book. Understanding the secret language of the universe is a gift available to all. She relates stories of people who have experienced these uncanny revelations and instances of unexplained synchronicity, as well as those drawn from her own experience. There's the producer whose lost child appears to her as a deer that approaches her unhesitatingly at a highway rest stop; the name tag of an ER nurse that lets a terrified wife know that her husband will be okay; the Elvis Presley song that arrives at the exact time of her own father's passing; and many others.
