Love and First Sight Josh Sundquist.2017-01-03 In his debut novel, YouTube personality and author of We Should Hang Out Sometime Josh Sundquist explores the nature of love, trust, and romantic attraction. On his first day at a new school, blind sixteen-year-old Will Porter accidentally groped a girl on the stairs, sat on another student in the cafeteria, and somehow drove a classmate to tears. High school can only go up from here, right? As Will starts to find his footing, he develops a crush on a charming, quiet girl named Cecily. Then an unprecedented opportunity arises: an experimental surgery that could give Will eyesight for the first time in his life. But learning to see is more difficult than Will ever imagined, and he soon discovers that the sighted world has been keeping secrets. It turns out Cecily doesn't meet traditional definitions of beauty--in fact, everything he'd heard about her appearance was a lie engineered by their so-called friends to get the two of them together. Does it matter what Cecily looks like? No, not really. But then why does Will feel so betrayed? Told with humor and breathtaking poignancy, Love and First Sight is a story about how we relate to each other and the world around us.

From Darkness to Sight Ming X. Wang.2016 From Darkness to Sightchronicles the remarkable life journey of Dr. Ming Wang, a world-renowned laser eye surgeon and philanthropist. As a teenager, Ming fought valiantly to escape one of history's darkest eras - China's Cultural Revolution - during which millions of innocent youth were deported to remote areas to face a life sentence of poverty and hard labor. Through his own tenacity and his parents' tireless efforts to provide a chance of freedom for their son, Ming eventually made his way to America with \$50 in his pocket and an American dream in his heart, where against all odds he would earn a PhD in laser physics and graduate magna cum laude with the highest honors from Harvard Medical School and MIT. He embraced his Christian faith and tackled one of the most important questions of our time - Are faith and science friends or foes? - which led to his invention of a breakthrough biotechnology to restore sight. To date, Dr. Wang has performed over 55,000 eye procedures and has treated patients from nearly every state in the U.S. and from over 55 countries worldwide. He is considered the doctor's doctor, as he has operated on over 4,000 physicians. Dr. Wang has published 8 textbooks including a paper in the world-renowned journal Nature,

holds several U.S. patents and performed the world's first laser artificial cornea implantation. He is the recipient of the Honor Award from American Academy of Ophthalmology and the Lifetime Achievement Award from American Chinese Physician Association. Dr. Wang is currently the only surgeon in the state who performs 3D LASIK (18+), 3D Forever Young Lens Surgery (45+), 3D Laser KAMRA (45+), and 3D Laser Cataract Surgery (60+). Dr. Wang established a non-profit foundation which provides sight restoration surgeries for indigent patients who otherwise would never have the opportunity to receive them free-of-charge. This is a story of one man's inspirational journey, of turning fear, poverty, persecution and prejudice into healing and love for others. It demonstrates how focus, determination, humility, and profound faith can inspire a life that, in turn, impacts that of countless others. Dr. Wang is not only a dear friend and the very best eye surgeon, he is also one of the greatest people I have ever known. - Dolly Parton To try to put my feelings about Dr. Wang, his accomplishments, his courage, his iron will and his faith into a couple of sentences would be tantamount to packing a Mack truck into a burlap bag. This remarkable man overcame all but impossible odds to become the best in his field and this world is a better place for having Dr. Ming Wang pass through it. - Charlie Daniels. I have known Dr. Wang for nearly two decades - he is a respected eye surgeon and friend. What Ming has done with his life since arriving here in the United States as a penniless student over 30 years ago exemplifies the true essence of the American dream, and the freedom that we enjoy in this great country. I highly recommend his autobiography, *From Darkness to Sight*. - Senator William H. Frist, MD, former U.S. Senate Majority Leader If I didn't know Ming, it would be hard to believe the story of his life. But I do know him, and his life truly is a remarkable story of faith, persistence, and excellence. - Bill Haslam, Governor of the state of Tennessee Ming Wang is well-known for the eye surgeries he's performed to give countless people better sight. And it's hard to forget that he's also a ballroom dancer once you've seen one of his ads on TV. But what many people don't know is that Dr. Wang also gives very generously of his time and talents so that blind children in other countries can regain their sight. What better gift can you give someone? Nashville is lucky to be able to count Dr. Wang as one of our own. - Karl Dean, Mayor, Nashville My deeply respected friend, Dr. Ming Wang, has topped the heights of human achievement. Through his personal and professional triumphs he has captured the essence of what it means to be free and to be a loving humanitarian. The story of his unique life, as only he can tell it, will be a blessing and an inspiration to all who come to know it. - Former governor of Tennessee Dr. Winfield Dunn *From Darkness to Sight* is an inspiring story that shows how hard work, optimism and faith not only can lead to personal success, but also make our country stronger. Dr. Ming Wang's journey from dark days in Communist China to his career in the United States as a physician and philanthropist is a testament to the possibilities of the American Dream. - Senator Lamar Alexander *Finding Favour in the Sight of God* Richard P. Belcher Jr..2018-09-18 There has been an explosion of interest in wisdom literature, and many studies are now available. There is every opportunity for people to get wisdom, get insight (Prov. 4:5). However, in today's world it seems the practical sensibilities that come from wisdom are found in very few places. Wisdom literature is needed now more than ever. By walking in the way of wisdom, we will find favour and good success in the sight of God and man (Prov. 3:4). In this *New Studies in Biblical Theology* volume, Richard Belcher begins with a survey of the problem of wisdom literature in Old Testament theology. Subsequent chapters focus on the message and theology of the books of Proverbs, Job, and Ecclesiastes. These point forward to the need for Christ and the gospel. Belcher concludes by exploring the relationship of Christ to wisdom in terms of his person, work, and teaching ministry. Addressing key issues in biblical theology, the works comprising *New Studies in Biblical Theology* are creative attempts to help Christians better understand their Bibles. The NSBT series is edited by D. A. Carson, aiming to simultaneously instruct and to edify, to interact with current scholarship and to point the way ahead.

Crashing Through Robert Kurson.2008-08-19 Mike May spent his life crashing through. Blinded at age three, he defied expectations by breaking world records in downhill speed skiing, joining the CIA, and becoming a successful inventor, entrepreneur, and family man. He had never yearned for

vision. Then, in 1999, a chance encounter brought startling news: a revolutionary stem cell transplant surgery could restore May's vision. It would allow him to drive, to read, to see his children's faces. But the procedure was filled with gambles, some of them deadly, others beyond May's wildest dreams. Not by Sight Jon Bloom. 2013-04-30 Trusting Jesus is hard. It requires following the unseen into an unknown, and believing Jesus's words over and against the threats we see or the fears we feel. No God in Sight Altaf Tyrewala. 2011-03-18 Fast — paced and innovative, *No God in Sight* captures the seething multiplicity of Bombay through the first — person accounts of an abortionist, a convert, a pregnant refugee, a gangster in hiding, a butcher, and an apathetic CEO, among others. As the reader is hurtled from monologue to short story to anecdote, disparate lives collide in tantalizing ways. A family flees religious persecution in their village to take refuge in an urban slum; women walk the tightrope of free will and dormant violence; a father and son grant each other the relief of estrangement; and young men and women struggle to comprehend the consequences of sexual attraction. Insightful, ironic, and scathingly honest, *No God in Sight* is a brilliant debut by a talented young writer.

Alone in Plain Sight Ben Higgins. 2021-02-02 Are you tired of people knowing who you are but no one really knowing you? As the star of the twentieth season of *The Bachelor*, Ben Higgins looked like he had it all together. Instead, Ben felt dissatisfied, fearful, and deeply alone. Like so many of us, he thought of himself as the kid who never got picked for the game, the person always on the outside of the joke, the friend who knew a lot of people but was never truly known. He wondered if he mattered at all. In *Alone in Plain Sight*, Ben vulnerably shares how he found authentic connection with himself, with others, and with God. As Ben helps us name our own yearning for meaning, he explores ways to understand ourselves more deeply so that we are free to connect with others; how shared pain can bridge even the widest gaps between two very different people; why we must deconstruct our culture's fairy-tale view of love; and how the God who longs for relationship with us is the answer to our need for connection. As Ben discovered, in a disconnected world, it is still possible to have lasting purpose and peace. You are already known. You are already loved. You are already seen. Discover how to live out how much you matter as you embrace the true meaning of your one incredible life.

Hidden in Plain Sight Mark Buchanan.2012-07-23 Even for the religious, life is full of questions: What is faith? Can my life be more satisfying? How can I deepen my walk with Christ? What does it mean to be happy? These bubble and boil underneath the surface of our everyday life. And though we ignore them, we know they point us to realms of wisdom or even mystery-to something more. Author Mark Buchanan asked these same questions. I want more, God, he prayed-and the answer was more than he was looking for. It was right there, hidden in plain sight among the syllables and syntax of a few words of advice from the apostle Peter. With time and experience, Buchanan learned to tease it out, this secret of more, and he wrote a book about it: Hidden in Plain Sight. The answer, he discovered, is an investigation of the cross. The answer is an excavation of the virtues. The answer urges us passionately to make every effort. And, Buchanan tells us, the answer is worth it.

The Glorious Journey Bill Hazen.2018-05-30 The Glorious Journey from no god to KNOW GOD doesn't require physical travel but those on this journey will travel in their minds; their souls. The title implies, at the beginning, a complete lack of knowledge or acceptance of a superior being, as is Ed Smith's starting point. Few of us will travel as far as Ed; few of us need to travel as far as Ed Smith, as we are well past his starting point. While this book is an adventure with twists, turns, excitement and compelling characters, the trip is necessary; the final destination; vital or the journey is for naught. So please read and be entertained. But while doing so, please begin or continue your personal journey and if progress toward the destination is made while you are fully absorbed within these pages and the destination, the ultimate destination is reached or is within sight; All Glory be to God!And if you retain nothing else, please know: The only reason for this life is the next life.

His words are sharp with irony and each story is slashed through with deftly satirical insights into the ways of men and the worlds they inhabit.

The New York Times bestselling author of *Crank* and *Tricks* explores the highly charged landscapes of bullying and forgiveness in this “strong and worthy” (Kirkus Reviews) novel. His younger brother Luke was bullied mercilessly after one of Matt’s friends outed Luke to the whole school, and when Luke called Matt—on the brink of suicide—Matt was too wrapped up in his new girlfriend to answer the phone. Now Luke is gone, and Matt’s family is falling apart. No matter what his girlfriend Hayden says about forgiveness, there’s no way Matt’s letting those he blames off the hook—including himself. As Matt spirals further into bitterness, he risks losing Hayden, the love of his life. But when her father begins to pressure the school board into banning books because of their homosexual content, he begins to wonder if he and Hayden ever had anything in common.
