The Furry Trap Josh Simmons.2012-07-02 The Furry Trap contains 11 short stories, varying in length from one to 30 pages, as well as a number of “extras” that will flesh out the reader’s experience. From the title creatures in “Night of the Jibblers,” to the witches and ogres of “Cockbone,” to the Godzilla-sized, centaur-bodied depiction of the title character in “Jesus Christ,” to the disarmingly cute yet terrifying demons of “Demonwood,” to the depraved, caped crusading antihero in “Mark of the Bat,” Simmons is a master of creating terrifying beasties that inspire and inflict nightmarish horrors, usually taken to unforgettable extremes. The individual stories in The Furry Trap stand on their own as mini-masterpieces of skin-crawling terror, but collectively complement each other in a way that only heightens the anxiety and dread pouring from page to page. Just remember: You've been warned.

Prime Time Soap Operas on Indian Television Shoma Munshi.2020-02-18 This book examines the phenomenon of prime time soap operas on Indian television. An anthropological insight into social issues and practices of contemporary India through the television, this volume analyzes the production of soaps within India’s cultural fabric. It deconstructs themes and issues surrounding the everyday and the middle class through the fiction of the popular. In its second edition, this still remains the only book to examine prime time soap operas on Indian television. Without in any way changing the central arguments of the first edition, it adds an essential introductory chapter tracking the tectonic shifts in the Indian mediascape over the past decade - including how the explosion of regional language channels and an era of multiple screens have changed soap viewing forever. Meticulously researched and persuasively argued, the book traces how prime time soaps in India still grab the maximum eyeballs and remain the biggest earners for TV channels. The book will be of interest to students of anthropology and sociology, media and cultural studies, visual culture studies, gender and family studies, and also Asian studies in general. It is also an important resource for media producers, both in content production and television channels, as well as for the general reader.

Joothan Omprakash Valmiki,Arun Prabha Mukherjee.2008-07-02 Omprakash Valmiki describes his life as an untouchable, or Dalit, in the newly independent India of the 1950s. Joothan refers to scraps of food left on a plate, destined for the garbage or animals. India's untouchables have been forced to accept and eat joothan for centuries, and the word encapsulates the pain, humiliation, and poverty of a community forced to live at the bottom of India's social pyramid. Although untouchability was abolished in 1949, Dalits continued to face discrimination, economic deprivation, violence, and ridicule. Valmiki shares his heroic struggle to survive a preordained life of perpetual physical and mental persecution and his transformation into a speaking subject under the influence of the great Dalit political leader, B. R. Ambedkar. A document of the long-silenced and long-denied sufferings of the Dalits, Joothan is a major contribution to the archives of Dalit history and a manifesto for the revolutionary transformation of society and human consciousness.

Amma and Other Stories Omaprakāśa Vālmīki,Naresh Kumar Jain.2008 This is an English translation of fifteen stories of the leading Hindi dalit writer, Omprakash Valmiki, best known for his autobiography Joothan. Together these stories vocalise the anguish and anger of the lowliest of the low in the caste hierarchy. More specifically, they deal with their sufferings at the hands of the dominant high castes and their questioning of their oppressors; their slender hopes and their small dreams; and their problems of identity as they try to make their way up the social and economic ladder. Omprakash Valmiki lists women of all classes among the dalits and there is a story in the collection that shows a high caste woman suffering at the hands of her male relatives. Softer emotions of love and longing are also not left out. Valmiki is acutely aware of the caste hierarchy among the dalits themselves and his story 'Shavayatra' makes for a deeply poignant reading. 'Amma' of the title is almost an epic tale of a dalit woman's resolve to keep her progeny away from the broom and the canister. At their best the stories are not merely dalit stories but a deeply human collection that will compel attention, engage the sympathies of the readers and make them ask inconvenient questions. The stories will also add a new dimension to dalit discourse. The English translation is being published in the hope that the stories will reach a much wider audience and will sensitise readers to the travails of the dalits and their efforts to make a space for themselves, and help prepare the climate for social change.
