Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two

reviews, and some authors are known to rope in friends and family to leave positive feedback. You won't find fiction here - like Wikipedia, Wikibooks is devoted entirely to the sharing of knowledge. Similar to PDF Books World, Feedbooks allows those that sign up for an account to download a multitude of free e-books that have become accessible via public domain, and therefore cost you nothing to access. Just make sure that when you're on Feedbooks' site you head to the "Public Domain" tab to avoid its collection of "premium" books only available for purchase. Feedbooks is a massive collection of downloadable ebooks: fiction and non-fiction, public domain and copyrighted, free and paid. While over 1 million titles are available, only about half of them are free. In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a

promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books. The eReader Cafe has listings every day for free Kindle books and a few bargain books. Daily email subscriptions and social media profiles are also available if you don't want to check their site every day. Browse the free eBooks by authors, titles, or languages and then download the book as a Kindle file (.azw) or another file type if you prefer. You can also find ManyBooks' free eBooks from the genres page or recommended category. Looking for the next great book to sink your teeth into? Look no further. As the year rolls on, you may find yourself wanting to set aside time to catch up on reading. We have good news for you, digital bookworms — you can get in a good read without spending a dime. The internet is filled with free e-book resources so you can download

new reads and old classics from the comfort of your iPad. Ebook Bike is another great option for you to download free eBooks online. It features a large collection of novels and audiobooks for you to read. While you can search books, browse through the collection and even upload new creations, you can also share them on the social networking platforms.
