Simple Steps, this book is different. It's a simple How To guide for creating a lesson plan that's right for you and your students and also an easy to follow workbook. We'll discuss what exactly a lesson plan is and why you even need one. We'll then go on to look at the process for creating a lesson plan, including the questions you need to consider (so that you don't forget anything important!) Then we've got 60 lesson plan templates for you to follow, with a double-page layout so that you have plenty of space for all your notes. We've even included some 'Further Notes' pages at the back for anything else you need to jot down. Teaching students of any age is both a challenging and daunting prospect. With a well-thought-out lesson plan in place (anticipating the questions you'll face AND the answers) it will be much less daunting and much more exciting. Good luck! Molly
