Marketing Identities Through Language E. Martin.2005-11-30 Elizabeth Martin explores the impact of globalization on the language of French advertising, showing that English and global imagery play an important role in tailoring global campaigns to the French market, with media companies undeterred by the attempts through legislation to curb language mixing in the media.

Business and Society Anne T. Lawrence, James Weber, James E. Post.2004-04-01 Business and Society: Stakeholder Relations, Ethics and Public Policy by Lawrence/Weber/Post, has continued through several successive author teams to be the market-leader in its field. For over thirty years, Business and Society has been updated and reinvented in response to society's relationship to business. Business and Society, 11e highlights why government regulation is sometimes required as well as new models of business-community collaboration. Business and Society, 11e is a book with a point of view. Lawrence, Weber and Post believe that businesses have social (as well as economic) responsibilities to society; that business and government both have important roles to play in the modern economy; and that ethics and integrity are essential to personal fulfillment and to business success. The book is designed to be easily modularized; an instructor who wishes to focus on a particular portion of the material may select individual chapters or cases to be packaged in a Primis custom product.

Ethics and Airbus Peter Schulz. 2008-08-21 Project Report from the year 2007 in the subject Business economics - Business Ethics, Corporate Ethics, grade: 85%, Macquarie University (Graduate Accounting and Commerce Centre), course: Veranstaltung International Marketing (post-graduate unit), 34 entries in the bibliography, language: English, abstract: This report examines Airbus, one of two major players in the global aircraft manufacturing industry. Recent findings indicate that Airbus might have showed unethical business behavior in convincing customers to purchase its aircraft. After presenting and analyzing these allegations and updating potentially unethical conduct by Airbus to the present day, this report continues to discuss the topic of ethics in general. It is then elaborated how ethics are applied within the aircraft manufacturing industry by its two main players Boeing and Airbus. Following this, tools such as a PESTLE analysis and a SWOT analysis of Airbus are presented. Based on the findings of these analyses, recommendations for Airbus are formulated and examined with regard to practicability and feasibility aspects. Recommendations will be divided into short-, medium- and long-term strategies. Finally, this report will conclude by summarizing the findings and giving an outlook to Airbus' position in the global marketplace.

International Marketing Daniel W. Baack, Barbara Czarnecka, Donald Baack. 2018-11-20 Now in its second edition, International Marketing continues to provide its trademark integrated approach that explores marketing concepts in depth within a truly international context. The authors discuss five key factors that impact any international marketing venture - culture, language, political/legal systems, economic systems, and technological differences - in relation to the core marketing concepts of markets, products, pricing, distribution (place), and promotion. The book also covers sustainability and bottom-of-the-pyramid issues within each chapter with rich illustrations and examples from both multinational companies and smaller local concerns. New to the second edition: More global focus through new examples, case studies and the experience brought by new co-author, Barbara Czarnecka Brand new chapter on Culture & Cross-Cultural Marketing, including political unrest and the recent return to nationalism (e.g. Brexit and the Trump presidency) and further coverage of developing countries New coverage of digital advances and social media marketing Updated theory and methods, including Service Dominant Logic (S-DL), Consumer Culture Theory (CCT), and Netnography Additional videos supplementing the comprehensive online resource package for students and lecturers A wealth of online resources complement this book. These include a test bank of 50-65 questions per chapter, PowerPoint slides, sample syllabi, interactive maps, country fact sheets, flashcards, SAGE journal articles, and guidelines for developing a marketing plan.

The Marketing Era Kalman Applbaum. 2004-06-01 Marketing has situated itself as an indispensable tool in today's business world—an unavoidable step in the process from production to consumption. This book is the first of its kind to map out the organizing principles and cultural logic of marketing, and trace the profession's ascent to global domination. Applbaum argues that marketing can be seen as a particular set of cultural practices that surfaced in reaction to the affluence of Western society, and not the answer to the call of inherent human needs and wants. In order to understand globalization, transnational corporations, and the spread of consumer culture, one must understand the logic of marketing.

Loose-Leaf International Marketing Philip R. Cateora, John Graham, Mary C. Gilly, Bruce Money. 2019-02-26 Pioneers in the field, Cateora, Gilly, and Graham continue to set the standard in this 18th edition of International Marketing with their well-rounded perspective of international markets that encompass history, geography, language, and religion as well as economics, which helps students see the cultural and environmental uniqueness of any nation or region. The dynamic nature of the international marketplace is reflected in the number of substantially improved and expanded topics in this 18th, including the following over 100 new academic articles and their findings. All data, text, photos and images have been updated for currency, as has the corresponding content within McGraw-Hill Education's Connect with adaptive SmartBook. Additional updates include: NEW Cases: New cases accompany the 18e, enlivening the material in the book and class discussions while broadening a student's critical thinking skills. These cases bring forth many of the topics discussed in the chapters and demonstrate how these concepts are dealt with in the real world. These cases can be assigned in Connect and SmartBook. Optionally, a case booklet can be created using McGraw-Hill CREATE. Crossing Borders Boxes: These invaluable boxes offer anecdotal company examples. These entertaining examples are designed to encourage critical thinking and guide students through topics ranging from ethical to cultural to global issues facing marketers today. 4-Color Design: New color maps and exhibits allow for improved pedagogy and a clearer presentation of international symbols and cultural meanings in marketing and advertising. In addition, photos that depend on full color for maximum impact easily bring many global examples to life.
