Making Sense Of English M A Yadugiri.2007-01-01 Making Sense of English is a textbook designed to help students and teachers of English learn about the English language, its sounds, words and grammar. It deals with all the major topics in the syllabuses of the courses on English language for BA and M.A. English and teacher development and training programmes. It introduces and describes with plenty of examples the important phonological, lexical and grammatical features of English to help the readers acquire an understanding of the structure and usage of English. The book has 24 chapters grouped into three parts, each ending with a chapter summary. The exercises help readers recap what they have learnt in the chapter and give them opportunities to apply it to actual instances of the use of English.
