**Envy** Kathryn Harrison.2007-12-18 Will has a good sex life—with the woman he married. So why then is he increasingly plagued by violent erotic fantasies that, were they to break out of his imagination and into the real world, have the power to destroy not only his family but his career? He's about to lose his grip when he attends a college reunion and there discovers evidence of a past sexual betrayal, one serious enough that it threatens to overpower the present, even as it offers a key to Will's dangerous obsessions. Hypnotic, beautifully written, this mesmerizing novel by “an extremely gifted writer” (San Francisco Chronicle) explores the corrosive effect of evil—and how painful psychological truths long buried within a family can corrupt the present and, through courage and understanding, lead to healing and renewal. “Like Scheherezade in the grip of a fever dream, Kathryn Harrison . . . has written one of those rare books, in language of unparalleled beauty, that affirm the holiness of life,” said Shirley Ann Grau, about Poison. And the same can be said about Envy.

**Lady Chatterley's lover** David Herbert Lawrence.2001

**Jonny Magic and the Card Shark Kids** David Kushner.2005-08-16 If you think a gang of real-life geeks can't take on the world and win big . . . think again. And whatever you do, don't sit down across a gaming table from Jon Finkel, better known as Jonny Magic. Jonny Magic and the Card Shark Kids is his amazing true story: the jaw-dropping, zero-to-hero chronicle of a fat, friendless boy from New Jersey who found his edge in a game of cards—and turned it into a fortune. The ultimate bully-magnet, Finkel grew up heckled and hazed until destiny came in the form of a trading-card game called Magic: The Gathering. Magic exploded from nerdy obsession to mainstream mania and made the teenage Finkel an ultracool world champion. Once transformed, this young shark stormed poker rooms from the underground clubs of New York City to the high-stakes tables online, until he landed on the largest card-counting blackjack team in the country. Taking Vegas for millions, Finkel's squad of brainy gamers became the biggest players in town. Then they took on the town's biggest game, the World Series of Poker, and walked away with more than \$3.5 million. Thrilling, edgy, and ferociously feel-good, the odyssey of these underdogs-turned-overlords is the stuff of pop-culture legend. And David Kushner, acclaimed author of Masters of Doom, masterfully deals out the outrageous details while bringing to life a cast of characters rife with aces, kings, knaves . . . and more than a few jokers. If you secretly believe every player has his day, you're right. Here's the proof.

**Reasonable Doubt** Whitney G. .2014-08-26 I hate him... I hate that I fell in love with him, I hate that he didn't love me back, and I hate the fact that I just made a life-altering decision just so I could get the hell away from him. He'd always said that he was unchangeable, heartless, and cold... I really should've believed him...

**The Love Song of Ivy K. Harlowe** Hannah Moskowitz.2021-06-01 Ivy K. Harlowe is a lot of things. She's my best friend. She's the center of attention. She is, without fail, the hottest girl in the room. Anytime. Anyplace. She has freckles and dimples and bright green eyes, and with someone else's energy she'd be adorable. But there is nothing cute about Ivy. She is ice and hot metal and electricity. She is the girl who every lesbian wants, but she has never been with the same person twice. She's one-of-a-kind but also predictable, so I will always be “best friend Andie,” never “girlfriend Andie.” Then she meets Dot, and Ivy does something even I would have never guessed—she sees Dot another day. And another. And another. Now my world is slowly going up in smoke, and no matter what I do, the flames grow higher. She lit that match without knowing

who or what it would burn. Ivy K. Harlowe is a lot of things. But falling in love wasn't supposed to be one of them...unless it was with me.

Will Will Smith.2021-11-09 The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F\*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

*Drive* Kate Stewart.2017-10-13 Music . . . the heart's greatest librarian. The average song is three and a half minutes long; those three and a half minutes could lead to a slow blink, a glimpse of the past, or catapult the soul into heart-shattering nostalgia. At the height of my career, I had the life I wanted, the life I'd always envisioned. I'd found my tempo, my rhythm. Then I received a phone call that left me off key. You see, my favorite songs had a way of playing simultaneously. I was in love with one man's beats and another's lyrics. But when it came to the soundtrack of a life, how could anyone choose a favorite song? So, to erase any doubt, I ditched my first-class ticket and decided to take a drive, fixed on the rearview. Two days. One playlist. And the long road home to the man who was waiting for me.

*As Texas Goes...: How the Lone Star State Hijacked the American Agenda* Gail Collins.2012-06-04 “Gail Collins is the funniest serious political commentator in America. Reading *As Texas Goes...* is pure pleasure from page one.” —Rachel Maddow *As Texas Goes . . .* provides a trenchant yet often hilarious look into American politics and the disproportional influence of Texas, which has become the model for not just the Tea Party but also the Republican Party. Now with an expanded introduction and a new concluding chapter that will assess the influence of the Texas way of thinking on the 2012 election, Collins shows how the presidential race devolved into a clash between the so-called “empty places” and the crowded places that became a central theme in her book. The expanded edition will also feature more examples of the Texas style, such as Governor Rick Perry’s nearsighted refusal to accept federal Medicaid funding as well as the proposed ban on teaching “critical thinking” in the classroom. *As Texas Goes . . .* will prove to be even more relevant to American politics by the dawn of a new political era in January 2013.

Let's Pretend This Never Happened Jenny Lawson.2013-03-05 The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. “Gaspingly funny and wonderfully inappropriate.”—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Gardnerville seems like a paradise. But every four years, a strange madness compels the town's teenagers to commit terrible crimes. Four years ago, Skylar's sister, Piper, led her classmates on a midnight death march into a watery grave. Now Piper is gone. And to get her back, Skylar must find a way to end Gardnerville's murderous cycle. *Been Here All Along* Sandy Hall.2016-08-30 Gideon always has a plan. It includes running for class president, becoming head of the yearbook committee, and having his choice of colleges. It does NOT include falling head over heels for his best friend, Kyle. It's a distraction, it's pointless—Kyle is already dating the head cheerleader, Ruby—and Gideon doesn't know what to do. Kyle finally feels like he has a handle on life. He has a wonderful girlfriend, a best friend willing to debate the finer points of *Lord of the Rings*, and social acceptance as captain of the basketball team. So when both Ruby and Gideon start acting really weird, just as his spot on the team is threatened, Kyle can't quite figure out what he did wrong. Sandy Hall, the author of *A Little Something Different*, is back with her signature wit in this quirky and heartfelt LGBT YA novel.

**Those Girls** Lauren Saft.2015-06-09 Some girls will always have your back, and some girls can't help but stab you in it. Junior year, the suburbs of Philadelphia. Alex, Mollie and Veronica are those girls: They're the best of friends and the party girls of the school. But how well does everybody know them--and really, how well do they know one another? Alex is secretly in love with the boy next door and has joined a band--without telling anyone. Mollie suffers from a popular (and possibly sociopathic) boyfriend and a serious mean streak. And Veronica just wants to be loved--literally, figuratively, physically...she's not particular. Will this be the year that bonds them forever or tears them apart for good? In a debut novel that is raw, honest, hilarious, and thought-provoking, Lauren Saft masterfully conveys what goes on in the mind of a teenage girl and how often even the closest of friends walk the thin line between love and hate.

**The System** Jeff Benedict,Armen Keteyian.2014-08-26 A Shelf Awareness Best Book of the Year NCAA football is big business. Every Saturday millions of people file into massive stadiums or tune in on television as athlete-students give everything they've got to make their team a success. Billions of dollars now flow into the game. But what is the true cost? The players have no share in the oceans of money. And once the lights go down, the glitter doesn't shine so brightly. Filled with mind-blowing details of major NCAA football scandals, with stops at Ohio State, Tennessee, Texas Tech, Missouri, BYU, LSU, Texas A&M and many more, *The System* explores and exposes the complex, and perhaps broken, machine that churns behind the glamour of college football. With a New Afterword.

*The Bad Ones* Stylo Fantome.2016-04-06 Love isn't always bright and shiny. Sometimes, it's dirty and wrong, buried six feet deep in a secret place where only wild things dare to go. Hidden behind a big black curtain that covers things no one should ever see. Sometimes it happens between two people who should never be allowed to come together. One who is a match, and the other who just happens to be gasoline. One strike is all it takes to burn the whole world down, and that's exactly what they plan on doing. Even if it kills them.
